2025-2026 Regular Sessions

IN SENATE

January 16, 2025

Introduced by Sens. AN ACT to amend the education law and the state finance law, in relation to enacting The New Deal for CUNY

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This enacts "The New Deal for CUNY".
2 § 2. Legislative intent. The Legislature hereby recognizes the need
3 for The New Deal for CUNY to ensure that the commitment the Legislature
4 articulated in establishing the city university of New York is extended
5 to present and future generations. The 1961 legislation recognized that
6 the creation of a city university as a single unified system was "justi-
7 fied" by the special needs of a multi-racial urban constituency and the
8 "vital importance" of creating opportunities for disadvantaged New York-
9 ers. Those needs have only grown in the half-century since the Legisla-
10 ture's action. Yet CUNY's ability to fulfill them has diminished as
11 enrollment has skyrocketed and investment has failed to keep pace. The
12 New Deal for CUNY reimagines CUNY as the vital urban university it must
13 be if it is to serve the people of New York. It enhances CUNY's historic
14 role as a leader in educational justice and economic transformation.
15 This legislation restores free tuition, ensures adequate faculty staff-
16 ing, and aligns student support with nationally recommended standards.
17 In doing so, The New Deal for CUNY restores New York to national leader-
18 ship in public higher education and removes the barriers to student
19 success that have prevented thousands of CUNY students from realizing
20 the full potential of a college degree. The New Deal for CUNY gradually
21 increases the ratio of students to full-time faculty at CUNY to

1 nationally recommended levels, with a special emphasis on racial and
2 ethnic diversity in hiring. It also replaces the system of underpayment
3 for contingent faculty with a dignified labor system that provides
4 students with the support they urgently need. CUNY students, perhaps
5 more than any other college population in the country, bear stresses
6 that make it extraordinarily difficult to stay in college, sometimes
7 even to survive. The New Deal for CUNY addresses the urgent need for
8 student support by gradually escalating the hiring of mental health and
9 other counselors to bring CUNY into line with national standards. The
10 New Deal for CUNY mandates that all tuition and student fees for
11 in-state undergraduate students within specified time frames for
12 completion of degree be eliminated, and that the revenue to the colleges
13 that would otherwise derive from tuition and fees be replaced annually
14 by federal, state, and city funds.

15 § 3. Subdivision A of section 6221 of the education law is amended by
16 adding a new paragraph 4-b to read as follows:

17 4-b. Notwithstanding any other provision of law, rule or regulation to
18 the contrary, subject to amounts made available by appropriation,
19 commencing in the two thousand twenty-seven--two thousand twenty-eight
20 academic year, the city university shall be entitled to annually receive
21 one hundred percent reimbursement for the annual cost of tuition and
22 student fees for each matriculated undergraduate student at a city
23 university senior college and community college who is enrolled in
24 credit-bearing academic coursework and is on track to graduate. The
25 state comptroller shall establish a separate fund for such monies to be
26 distributed to the city university of New York. The city university
27 shall receive an amount equal to the full cost of in-state undergraduate
28 tuition and student fees for each qualifying, matriculated student who
29 successfully completes credit-bearing academic coursework and is on
30 track to graduate. The full cost of tuition shall not include any addi-
31 tional funds the student may receive from any other New York state or
32 federal grant, award, or scholarship program. The deposit of these funds
33 shall be utilized as first dollar awards to the students at the city
34 university. Any student not successfully completing credit-bearing
35 academic coursework in a semester shall still be eligible to receive all
36 other grants, awards, and scholarships for which they qualify but shall
37 not be eligible for the tuition and student fee reimbursement described
38 herein. Students shall be eligible to receive a one semester exemption
39 from the requirement to complete credit-bearing academic coursework for
40 such tuition reimbursement as promulgated by the higher education
41 services corporation. Such exemption shall not preclude any student from
42 exercising their right to appeal pursuant to higher education services
43 corporation policy. The state comptroller shall deposit such monies with
44 the city university no later than thirty days after the start of the
45 semester.

46 § 4. Section 6206 of the education law is amended by adding three new
47 subdivisions 24, 25 and 26 to read as follows:

48 24. Each community college and senior college of the city university
49 of New York shall maintain, at a minimum, a ratio of one clinical, non-
50 student mental health staff member per one thousand students. Within two
51 years of the effective date of this subdivision, each community and
52 senior college shall establish, and require a meeting of, a board of
53 advisors having expertise in the area of clinical mental health
54 services. The advisory boards shall, using current data, update and
55 modify, as necessary, such ratios based on actual ratios in this state
56 and any new information related to appropriate benchmarks for clini-

1 cian-to-student ratios. Data collected by the advisory boards may be
2 used as a means to increase the number of mental health staff members.
3 In no event shall the ratio fall below one clinical, non-student mental
4 health staff member per one thousand students. Following the initial
5 meeting, advisory boards shall meet once every five years. This subdivi-
6 sion shall not be funded by student tuition or fees created on or after
7 the effective date of this subdivision. Community colleges and senior

10 provisions of this subdivision. Any faculty and staff hired through the

37 § 6. Section 22-c of the state finance law is amended by adding a new
38 subdivision 7 to read as follows:

39 7. For the fiscal year beginning on April first, two thousand twenty-
40 six and every fifth fiscal year thereafter, the governor shall submit to
41 the legislature as part of the annual executive budget, five-year capi-
42 tal plans for the state university of New York state operated campuses
43 and city university of New York senior colleges. Such plans shall
44 provide for the annual appropriation of capital funds to cover one
45 hundred percent of the annual critical maintenance needs identified by
46 each university system, and may include funds for new infrastructure or
47 other major capital initiatives, provided that such funding for new
48 infrastructure or other major capital initiatives shall not count
49 towards meeting the overall critical maintenance requirement. In the
50 event that such plan is unable to fund one hundred percent of the crit-
51 ical maintenance needs due to the limitation imposed by article five-B
52 of this chapter, the director of the budget shall develop five-year
53 capital plans whereby the implementation of each capital plan would
54 annually reduce the overall facility condition index for each university
55 system. For the purposes of this subdivision, "facility condition index"
56 shall mean an industry benchmark that measures the ratio of deferred

1 maintenance dollars to replacement dollars for the purposes of analyzing
2 the effect of investing in facility improvements. The apportionment of
3 capital appropriations to each state-operated campus or senior college
4 shall be based on a methodology to be developed by the director of the
5 budget, in consultation with the state university of New York and the
6 city university of New York.

7 § 7. This act shall take effect immediately.
