

STATE OF NEW YORK

2462

2025-2026 Regular Sessions

IN SENATE

January 17, 2025

Introduced by Sen. GIANARIS -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications

AN ACT to amend the public authorities law, in relation to the New York power authority's conferral process

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "public renewables transparency act".

3 § 2. Paragraph (d) of subdivision 27-a of section 1005 of the public
4 authorities law, as amended by section 28 of part O of chapter 58 of the
5 laws of 2024, is amended to read as follows:

6 (d) No later than one hundred eighty days after the effective date of
7 this subdivision, and annually thereafter, the authority shall confer
8 with the New York state energy research and development authority, the
9 department of public service, climate and resiliency experts, labor
10 organizations, and environmental justice and community organizations
11 concerning the state's progress on meeting the renewable energy goals
12 established by the climate leadership and community protection act. At
13 each board of trustees' meeting, there shall be a public report deliv-
14 ered and published on the development and implementation of the authori-
15 ty's renewable energy generation strategic plan. When exercising the
16 authority provided for in paragraph (a) of this subdivision, the infor-
17 mation developed through such conferral shall be used to identify
18 projects to help ensure that the state meets its goals under the climate
19 leadership and community protection act. Any conferral provided for in
20 this paragraph shall include consideration of the timing of projects in
21 the interconnection queue of the federally designated electric bulk
22 system operator for New York state, taking into account both capacity
23 factors or planned projects and the interconnection queue's historical
24 completion rate. A report on the information developed through such

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD00523-01-5

1 conferral shall be published and made accessible on the website of the
2 authority, including, but not limited to, the basis of the conferral
3 report. The published basis shall include notes from the conferral meet-
4 ings.

5 § 3. Paragraph (d) of subdivision 27-a of section 1005 of the public
6 authorities law, as added by section 1 of part QQ of chapter 56 of the
7 laws of 2023, is amended to read as follows:

8 (d) No later than one hundred eighty days after the effective date of
9 this subdivision, and annually thereafter, the authority shall confer
10 with the New York state energy research and development authority, the
11 office of renewable energy siting, the department of public service,
12 climate and resiliency experts, labor organizations, and environmental
13 justice and community organizations concerning the state's progress on
14 meeting the renewable energy goals established by the climate leadership
15 and community protection act. At each board of trustees' meeting, there
16 shall be a public report delivered and published on the development and
17 implementation of the authority's renewable energy generation strategic
18 plan. When exercising the authority provided for in paragraph (a) of
19 this subdivision, the information developed through such conferral shall
20 be used to identify projects to help ensure that the state meets its
21 goals under the climate leadership and community protection act. Any
22 conferral provided for in this paragraph shall include consideration of
23 the timing of projects in the interconnection queue of the federally
24 designated electric bulk system operator for New York state, taking into
25 account both capacity factors or planned projects and the intercon-
26 nection queue's historical completion rate. A report on the information
27 developed through such conferral shall be published and made accessible
28 on the website of the authority, including, but not limited to, the
29 basis of the conferral report. The published basis shall include notes
30 from the conferral meetings.

31 § 4. Subparagraph (vii) of paragraph (e) of subdivision 27-a of
32 section 1005 of the public authorities law, as added by section 1 of
33 part QQ of chapter 56 of the laws of 2023, is amended to read as
34 follows:

35 (vii) The authority shall post a draft of the strategic plan on its
36 website for public comment for a period of at least sixty days starting
37 no later than October eleventh, and shall hold at least [~~three~~] six
38 public hearings on the draft strategic plan in regionally diverse parts
39 of the state. The authority shall provide an option for stakeholders to
40 submit comments remotely as well, and incorporate feedback from such
41 sessions and written comments into the final draft of the strategic
42 plan.

43 § 5. This act shall take effect immediately, provided that the amend-
44 ments to paragraph (d) of subdivision 27-a of section 1005 of the public
45 authorities law made by section two of this act shall be subject to the
46 expiration and reversion of such paragraph pursuant to section 34 of
47 part O of chapter 58 of the laws of 2024, as amended, when upon such
48 date the provisions of section three of this act shall take effect.
