

STATE OF NEW YORK

256

2025-2026 Regular Sessions

IN SENATE

(Prefiled)

January 8, 2025

Introduced by Sens. MARTINEZ, WEBB -- read twice and ordered printed,
and when printed to be committed to the Committee on Local Government

AN ACT to amend the general municipal law and the public authorities
law, in relation to making housing a policy of the state of New York

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

1 Section 1. Section 852 of the general municipal law, as amended by
2 chapter 630 of the laws of 1977, the first undesignated paragraph as
3 amended by chapter 747 of the laws of 2005, the second undesignated
4 paragraph as amended by chapter 478 of the laws of 2011 and the third
5 undesignated paragraph as amended by section 4 of part X of chapter 59
6 of the laws of 2021, is amended to read as follows:

7 § 852. Policy and purposes of article. It is hereby declared to be the
8 policy of this state to promote the economic welfare, recreation oppor-
9 tunities and prosperity of its inhabitants and to actively promote,
10 attract, encourage and develop recreation, economically sound commerce
11 and industry and economically sound projects identified and called for
12 to implement a state heritage area management plan as provided in title
13 G of the parks, recreation and historic preservation law through govern-
14 mental action for the purpose of preventing unemployment and economic
15 deterioration by the creation of industrial development agencies which
16 are hereby declared to be governmental agencies and instrumentalities
17 and to grant to such industrial development agencies the rights and
18 powers provided in this article.

19 It is hereby further declared to be the policy of this state to
20 protect and promote the health of the inhabitants of this state by the
21 conservation, protection and improvement of the natural and cultural or
22 historic resources and environment and to control land, sewer, water,
23 air, noise or general environmental pollution derived from the operation
24 of industrial, manufacturing, warehousing, commercial, recreation, horse

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD01111-01-5

1 racing facilities, railroad facilities, automobile racing facilities and
2 research facilities and to grant such industrial development agencies
3 the rights and powers provided by this article with respect to indus-
4 trial pollution control facilities.

5 It is hereby further declared to be the policy of this state to
6 protect and promote the health of the inhabitants of this state and to
7 increase trade through promoting the development of facilities to
8 provide recreation for the citizens of the state and to attract tourists
9 from other states, to increasing housing stock in support of the state's
10 housing goals as may be established and amended from time to time and to
11 promote the development of renewable energy projects to support the
12 state's renewable energy goals as may be established or amended from
13 time to time.

14 The use of all such rights and powers is a public purpose essential to
15 the public interest, and for which public funds may be expended.

16 § 2. Subdivision 4 of section 854 of the general municipal law, as
17 amended by section 5 of part X of chapter 59 of the laws of 2021, is
18 amended to read as follows:

19 (4) "Project" - shall mean any land, any building or other improve-
20 ment, and all real and personal properties located within the state of
21 New York and within or outside or partially within and partially outside
22 the municipality for whose benefit the agency was created, including,
23 but not limited to, machinery, equipment and other facilities deemed
24 necessary or desirable in connection therewith, or incidental thereto,
25 whether or not now in existence or under construction, which shall be
26 suitable for manufacturing, warehousing, research, commercial, renewable
27 energy, housing or industrial purposes or other economically sound
28 purposes identified and called for to implement a state designated urban
29 cultural park management plan as provided in title G of the parks,
30 recreation and historic preservation law and which may include or mean
31 an industrial pollution control facility, a recreation facility, educa-
32 tional or cultural facility, a horse racing facility, a railroad facili-
33 ty, a renewable energy project, housing facility, or an automobile
34 racing facility, provided, however, no agency shall use its funds or
35 provide financial assistance in respect of any project wholly or
36 partially outside the municipality for whose benefit the agency was
37 created without the prior consent thereto by the governing body or
38 bodies of all the other municipalities in which a part or parts of the
39 project is, or is to be, located, and such portion of the project
40 located outside such municipality for whose benefit the agency was
41 created shall be contiguous with the portion of the project inside such
42 municipality.

43 § 3. The opening paragraph of section 858 of the general municipal
44 law, as amended by section 6 of part X of chapter 59 of the laws of
45 2021, is amended to read as follows:

46 The purposes of the agency shall be to promote, develop, encourage and
47 assist in the acquiring, constructing, reconstructing, improving, main-
48 taining, equipping and furnishing industrial, manufacturing, warehous-
49 ing, commercial, research, renewable energy, housing, and recreation
50 facilities including industrial pollution control facilities, educa-
51 tional or cultural facilities, railroad facilities, horse racing facili-
52 ties, automobile racing facilities, renewable energy projects, housing
53 facilities and continuing care retirement communities, provided, howev-
54 er, that, of agencies governed by this article, only agencies created
55 for the benefit of a county and the agency created for the benefit of
56 the city of New York shall be authorized to provide financial assistance

1 in any respect to a continuing care retirement community, and thereby
2 advance the job opportunities, health, general prosperity and economic
3 welfare of the people of the state of New York and to improve their
4 recreation opportunities, prosperity and standard of living; and to
5 carry out the aforesaid purposes, each agency shall have the following
6 powers:

7 § 4. Paragraph (b) of subdivision 5 of section 859-a of the general
8 municipal law, as amended by section 7 of part X of chapter 59 of the
9 laws of 2021, is amended to read as follows:

10 (b) a written cost-benefit analysis by the agency that identifies the
11 extent to which a project will create or retain permanent, private
12 sector jobs; the estimated value of any tax exemptions to be provided;
13 the amount of private sector investment generated or likely to be gener-
14 ated by the proposed project; the contribution of the project to the
15 state's renewable energy goals and emission reduction targets as set
16 forth in the state energy plan adopted pursuant to section 6-104 of the
17 energy law; the contribution of the project to the state's housing goals
18 of increasing housing options including but not limited to affordable,
19 workforce, and senior housing; the likelihood of accomplishing the
20 proposed project in a timely fashion; and the extent to which the
21 proposed project will provide additional sources of revenue for munici-
22 palities and school districts; and any other public benefits that might
23 occur as a result of the project;

24 § 5. Paragraph (a) of subdivision 4 of section 874 of the general
25 municipal law, as amended by chapter 386 of the laws of 2019, is amended
26 to read as follows:

27 (a) The agency shall establish a uniform tax exemption policy, with
28 input from affected tax jurisdictions, which shall be applicable to the
29 provision of financial assistance pursuant to section eight hundred
30 fifty-nine-a of this [~~chapter~~ title] and shall provide guidelines for
31 the claiming of real property, mortgage recording, and sales tax
32 exemptions. Such guidelines shall include, but not be limited to: peri-
33 od of exemption; percentage of exemption; types of projects for which
34 exemptions can be claimed; procedures for payments in lieu of taxes and
35 instances in which real property appraisals are to be performed as a
36 part of an application for tax exemption; in addition, agencies shall in
37 adopting such policy consider such issues as: the extent to which a
38 project will create or retain permanent, private sector jobs; the esti-
39 mated value of any tax exemptions to be provided; whether affected tax
40 jurisdictions shall be reimbursed by the project occupant if a project
41 does not fulfill the purposes for which an exemption was provided; the
42 impact of a proposed project on existing and proposed businesses and
43 economic development projects in the vicinity; the amount of private
44 sector investment generated or likely to be generated by the proposed
45 project; the demonstrated public support for the proposed project; the
46 likelihood of accomplishing the proposed project in a timely fashion;
47 the effect of the proposed project upon the environment; the extent to
48 which the project will utilize, to the fullest extent practicable and
49 economically feasible, resource conservation, energy efficiency, green
50 technologies, and alternative and renewable energy measures; the extent
51 to which the project will bring additional housing units to the market;
52 the extent to which the proposed project will require the provision of
53 additional services, including, but not limited to additional educa-
54 tional, transportation, police, emergency medical or fire services; and
55 the extent to which the proposed project will provide additional sources
56 of revenue for municipalities and school districts.

§ 6. Subdivision 5 of section 1951 of the public authorities law, as amended by chapter 907 of the laws of 1972, is amended to read as follows:

5. The term "project" shall mean any land in one or more areas of the city and any building, structure, facility or other improvement thereon, including, but not limited to machinery and equipment and all real and personal property deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be necessary or suitable for manufacturing, warehousing, research, commercial, housing or industrial purposes and which may include or mean an industrial pollution control facility.

§ 7. The opening paragraph of section 1953 of the public authorities law, as amended by chapter 579 of the laws of 2021, is amended to read as follows:

The purposes of the authority shall be to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing industrial, manufacturing, warehouse, commercial, housing and research facilities including industrial pollution control facilities, transportation facilities including but not limited to those relating to water, highway, rail and air, in one or more areas of the city, particularly but not exclusively at the site of what was formerly the Troy airport including an airstrip or airport located in the southern section of the city and thereby advance the job opportunities, health, general prosperity and economic welfare of the people of said city and to improve their standard of living; provided, however, that the authority shall not undertake any project if the completion thereof would result in the removal of an industrial or manufacturing plant of the project occupant from one area of the state to another area of the state or in the abandonment of one or more plants or facilities of the project applicant located within the state, provided, however, that neither restriction shall apply if the authority shall determine on the basis of the application before it that the project is reasonably necessary to discourage the project occupant from removing such other plant or facility to a location outside the state or is reasonably necessary to preserve the competitive position of the project occupant in its respective industry. Except as otherwise provided for in this section, no financial assistance of the authority shall be provided in respect of any project where facilities or property that are primarily used in making retail sales to customers who personally visit such facilities constitute more than one-third of the total project cost. For the purposes of this article, "retail sales" shall mean: (i) sales by a registered vendor under article twenty-eight of the tax law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of section eleven hundred one of the tax law; or (ii) sales of a service to such customers. Except, however, that tourism destination projects shall not be prohibited by this paragraph. For the purpose of this paragraph, "tourism destination" shall mean a location or facility which is likely to attract a significant number of visitors from outside the economic development region as established by section two hundred thirty of the economic development law in which the project is located.

§ 8. Subdivision 1 of section 1963-a of the public authorities law, as amended by chapter 386 of the laws of 2019, is amended to read as follows:

1. The authority shall establish a uniform tax exemption policy, with input from affected local taxing jurisdictions, which shall be applica-

ble to provisions of financial assistance pursuant to section nineteen hundred fifty-three-a of this title and shall provide guidelines for the claiming of real property, mortgage recording, and sales tax exemptions. Such guidelines shall include, but not be limited to: period of exemption; percentage of exemption; types of projects for which exemptions can be claimed; procedures for payments in lieu of taxes and instances in which real property appraisals are to be performed as a part of an application for tax exemption; in addition, the authority in adopting such policy shall consider such issues as: the extent to which a project will create or retain permanent, private sector jobs; the estimated value of any tax exemption to be provided; whether affected tax jurisdictions should be reimbursed by the project occupant if a project does not fulfill the purposes for which an exemption was provided; the impact of a proposed project on existing and proposed businesses and economic development projects in the vicinity; the amount of private sector investment generated or likely to be generated by the proposed project; the demonstrated public support for the proposed project; the likelihood of accomplishing the proposed project in a timely fashion; the effect of the proposed project upon the environment; the extent to which the project will utilize, to the fullest extent practicable and economically feasible, resource conservation, energy efficiency, green technologies, and alternative and renewable energy measures; the extent to which the project will bring additional housing units to the market; the extent to which the proposed project will require the provision of additional services, including, but not limited to additional educational, transportation, police, emergency medical or fire services; and the extent to which the proposed project will provide additional sources ~~[ex]~~ of revenue for municipalities and school districts.

§ 9. Subdivision 5 of section 2302 of the public authorities law, as amended by chapter 356 of the laws of 1993, is amended to read as follows:

5. The term "project" shall mean any land in one or more areas of the city and within or outside or partially within and partially outside the city and any building, structure, facility or other improvement thereon, including, but not limited to machinery and equipment and all real and personal properties deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be necessary or suitable for industrial, warehousing, research, housing or commercial purposes, or for use by a federal agency or a medical facility and which may include or mean an industrial pollution control facility or a civic facility, provided, however, the authority shall not provide financial assistance in respect of any project wholly or partially outside the city provided, however, that the authority may provide financial assistance for such a project where a portion of the project outside the city is contiguous to a portion of the project located within the city if the authority obtains the prior consent thereto by the governing body or bodies of all the other cities, towns or villages in which a part or parts of the project is, or is to be, located.

§ 10. The opening paragraph of section 2306 of the public authorities law, as amended by chapter 304 of the laws of 2013, is amended to read as follows:

The purposes of the authority shall be to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing industrial, manufacturing, warehouse, commercial, housing, and research facilities and facilities for

1 use by a federal agency or a medical facility including industrial
2 pollution control facilities, which may include transportation facili-
3 ties including but not limited to those relating to water, highway, rail
4 and air, in one or more areas of the city, and thereby advance the job
5 opportunities, health, general prosperity and economic welfare of the
6 people of said city and to improve their medical care and standard of
7 living; provided, however, that the authority shall not undertake any
8 project if the completion thereof would result in the removal of an
9 industrial or manufacturing plant of the project occupant from one area
10 of the state to another area of the state or in abandonment of one or
11 more plants or facilities of the project applicant located within the
12 state, provided, however, that neither restriction shall apply if the
13 authority shall determine on the basis of the application before it that
14 the project is reasonably necessary to discourage the project occupant
15 from removing such other plant or facility to a location outside the
16 state or is reasonably necessary to preserve the competitive position of
17 the project occupant in its respective industry. Except as otherwise
18 provided for in this section, no financial assistance of the authority
19 shall be provided in respect of any project where facilities or property
20 that are primarily used in making retail sales to customers who
21 personally visit such facilities constitute more than one-third of the
22 total project cost. For the purposes of this article, "retail sales"
23 shall mean: (i) sales by a registered vendor under article twenty-eight
24 of the tax law primarily engaged in the retail sale of tangible personal
25 property, as defined in subparagraph (i) of paragraph four of subdivi-
26 sion (b) of section eleven hundred one of the tax law; or (ii) sales of
27 a service to such customers. Except, however, that tourism destination
28 projects shall not be prohibited by this paragraph. For the purpose of
29 this paragraph, "tourism destination" shall mean a location or facility
30 which is likely to attract a significant number of visitors from outside
31 the economic development region as established by section two hundred
32 thirty of the economic development law, in which the project is located.

33 § 11. Subdivision 1 of section 2315 of the public authorities law, as
34 amended by chapter 386 of the laws of 2019, is amended to read as
35 follows:

36 1. The authority shall establish a uniform tax exemption policy, with
37 input from affected local taxing jurisdictions, which shall be applica-
38 ble to provisions of financial assistance pursuant to section twenty-
39 three hundred seven of this title and shall provide guidelines for the
40 claiming of real property, mortgage recording, and sales tax exemptions.
41 Such guidelines shall include, but not be limited to: period of
42 exemption; percentage of exemption; types of projects for which
43 exemptions may be claimed; procedures for payments in lieu of taxes and
44 instances in which real property appraisals are to be performed as a
45 part of an application for tax exemption; in addition, the authority in
46 adopting such policy shall consider such issues as: the extent to which
47 a project will create or retain permanent, private sector jobs; the
48 estimated value of any tax exemption to be provided; whether affected
49 tax jurisdictions should be reimbursed by the project occupant if a
50 project does not fulfill the purposes for which an exemption was
51 provided; the impact of a proposed project on existing and proposed
52 businesses and economic development projects in the vicinity; the amount
53 of private sector investment generated or likely to be generated by the
54 proposed project; the demonstrated public support for the proposed
55 project; the likelihood of accomplishing the proposed project in a time-
56 ly fashion; the effect of the proposed project upon the environment; the

1 extent to which the project will utilize, to the fullest extent practi-
2 cable and economically feasible, resource conservation, energy efficien-
3 cy, green technologies, and alternative and renewable energy measures;
4 the extent to which the project will bring additional housing units to
5 the market; the extent to which the proposed project will require the
6 provision of additional services, including, but not limited to addi-
7 tional educational, transportation, police, emergency medical or fire
8 services; and the extent to which the proposed project will provide
9 additional sources of revenue for municipalities and school districts.
10 § 12. This act shall take effect immediately.
