5 ARTICLE 15

6 INTERACTIVE GAMING

7 Section 1500. Legislative intent and findings.

8 1501. Definitions.

9 1502. Eligibility to conduct interactive gaming.

10 1503. Entity licensing.

11 1504. Individual, enterprise and vendor licensing.

12 1505. Requirements for conduct and operation of interactive  
13 gaming.

14 1506. Taxation and fees.

15 1507. Responsible gaming requirements.

16 § 1500. Legislative intent and findings. Section nine of article one  
17 of the New York state constitution was recently amended and provides  
18 "casino gambling at no more than seven facilities as authorized and  
19 prescribed by the legislature shall hereafter be authorized or allowed  
20 within this state". It has been, and continues to be, the sense of the  
21 legislature that this provision is not contravened by a statute that  
22 authorizes the acceptance of a wager by an individual located in New  
23 York state who is betting by virtual or electronic means and the wager  
24 is accepted through equipment located within a licensed gaming facility;  
25 provided that any such wager meets other safeguards ensuring that the  
26 plain text of this provision is honored in such structure. Interactive  
27 gaming is now legal in seven states, including the bordering states of  
28 New Jersey, Pennsylvania, and Connecticut, while it is permitted only in  
29 person in New York at four upstate commercial gaming facilities and  
30 Native American class III gaming facilities. The legislature hereby  
31 finds and declares that an interactive gaming wager that is made through  
32 virtual or electronic means from a location within New York state and is  
33 transmitted to and accepted by electronic equipment located at a  
34 licensed gaming facility, including without limitation, a computer serv-  
35 er located at such licensed gaming facility, is a wager made at such  
36 licensed gaming facility, notwithstanding any provisions of the penal  
37 law to the contrary.

38 § 1501. Definitions. For the purposes of this article, the following  
39 terms shall have the following meanings:

40 1. "Authorized interactive game" means: (a) any internet-based version  
41 or substantial equivalent of a table game, slot machine constituting  
42 spinning reels, poker tournament, or any other game as set forth in  
43 subdivision four, nineteen, thirty-eight, thirty-nine or forty-one of  
44 section thirteen hundred one of this chapter and approved by the commis-  
45 sion, including, but not limited to live-dealer games in which individ-  
46 uals wager money or something of monetary value, and which is accessed  
47 by a computer or mobile device which is connected to the internet. An  
48 authorized interactive game may include gaming tournaments in which  
49 players compete against one another in one or more of the games author-  
50 ized herein or by the commission or in approved variations or composites  
51 thereof if such tournaments are authorized; or (b) any video lottery  
52 terminal games currently authorized by the commission pursuant to  
53 section sixteen hundred seventeen-a of the tax law.

54 2. "Authorized participant" means an individual who is physically  
55 present in the state of New York when placing an interactive gaming  
56 wager, who is at least twenty-one years of age, who is authorized to

1 participate in gaming pursuant to article thirteen of this chapter, and  
2 who participates in interactive gaming offered by a casino, video  
3 lottery terminal facility or operator. All interactive gaming wagers  
4 placed in accordance with this article shall be considered placed or  
5 otherwise made when received by the casino or operator at the licensed  
6 gaming facility, regardless of the authorized participant's physical  
7 location at the time such wager is initiated. The intermediate routing  
8 of electronic data in connection with mobile wagering shall not deter-

10 or otherwise made.

11 3. "Commission" means the New York state gaming commission.

12 4. "Competitive event" means any event in which two or more contes-

23 computer, and mobile device applications; provided, however, such term  
24 shall not include the internet lottery program as authorized pursuant to  
25 section sixteen hundred seventeen-b of the tax law.

27 been authorized by the New York state gaming commission to conduct  
28 interactive gaming.

33 however, that the total of all sums paid out as winnings to authorized  
34 participants shall not include the following: (a) the cash equivalent  
35 value of any merchandise or thing of value awarded as a prize; and (b)  
36 the value of all bonuses or promotions provided, in the first twelve  
37 months after an interactive gaming licensee begins operations, to  
38 authorized participants as an incentive to place or as a result of their  
39 having placed interactive gaming wagers, not to exceed 1.75 percent of  
40 the total amount of all interactive gaming wagers placed with the inter-  
41 active gaming licensee during each month.

42 9. "Interactive gaming wager" means cash or cash equivalent that is  
43 paid by an authorized participant to a casino or operator to participate  
44 in interactive gaming offered by such casino, video lottery terminal  
45 facility or operator. Any wager through electronic communication shall  
46 be deemed to take place at the physical location of the server or other  
47 equipment used by an interactive gaming licensee to accept interactive  
48 gaming wagering, regardless of the authorized participant's physical  
49 location within the state at the time such wager is initiated.

50 10. "Live dealer games" means authorized casino games conducted by  
51 live studio dealers or other physical gaming equipment, such as auto-  
52 mated roulette wheels, ball blowers or gaming devices, or both, in a  
53 live game environment in which the authorized participants have the  
54 ability to participate in game play and communicate game decisions  
55 through an authorized interactive gaming wagering platform. Live dealer

1 games include, but are not limited to, live card games, live table games  
2 and other live authorized casino games.

11 participants according to the table and other authorized games, and that  
12 monitor game pace and play.

13 13. "Prohibited participant" means: (a) any officer or employee of the  
14 commission; (b) any principal or key employee of a casino, interactive  
15 gaming licensee, and its affiliates, except as may be permitted by the  
16 commission; (c) any casino gaming or non-gaming employee at the casino  
17 that employs such person and any gaming or non-gaming employee of the  
18 interactive gaming licensee that employs such person; (d) any contrac-  
19 tor, subcontractor, or consultant, or officer or employee of a contrac-  
20 tor, subcontractor, or consultant, of a casino or an interactive gaming  
21 licensee if such person is directly involved in the operation or obser-  
22 vation of interactive gaming, or the processing of interactive gaming  
23 claims or payments; (e) any person subject to a contract with the  
24 commission if such contract contains a provision prohibiting such person  
25 from participating in interactive gaming; (f) any spouse, child, sibling  
26 or parent residing in the principal place of abode of any of the forego-  
27 ing persons at the same casino or interactive gaming licensee where the  
28 foregoing person is prohibited from participating in interactive gaming;  
29 (g) any individual placing a wager as an agent or proxy for another

36 paragraph five of subdivision a of section sixteen hundred seventeen-a  
37 of the tax law; (c) a federally recognized Indian tribe that has entered  
38 into a tribal-state gaming compact in accordance with the Indian Gaming  
39 Regulatory Act that is in effect and has been ratified by the state of  
40 New York; or (d) a mobile sports wagering platform provider, inclusive  
41 of the sports wagering operators the platform utilizes, selected by the  
42 commission to conduct mobile sports wagering pursuant to subdivision  
43 seven of section thirteen hundred sixty-seven-a of this chapter and  
44 section fifteen hundred three of this article. An unlicensed entity  
45 offering games or contests that require a license or temporary permit  
46 issued by the commission under article thirteen or fourteen of this  
47 chapter within the previous three years of the effective date of this  
48 article shall be ineligible to receive an interactive gaming license.

49 § 1502. Eligibility to conduct interactive gaming. 1. Only a qualify-  
50 ing entity in good standing with the commission or, if the qualifying  
51 entity is an Indian tribe, those executive agencies with which it other-  
52 wise interacts, shall be eligible to conduct interactive gaming in the  
53 state.

54 2. No qualifying entity shall administer, manage, or otherwise make  
55 available an interactive gaming platform to persons located in New York  
56 state unless it has provided notice of intent to offer interactive

1 gaming to the commission pursuant to this section. Additionally, no  
2 entity shall advertise or promote an unlicensed interactive gaming plat-  
3 form to persons located in the state of New York.

4 3. (a) Prior to the commission approving an interactive gaming licen-  
5 see under section fifteen hundred three of this article to commence  
6 operations, the commission shall conduct a comprehensive investigation  
7 of the applicant to determine whether the applicant or any of its affil-  
8 iates, including entities under common control, is knowingly (i) accept-  
9 ing revenue, directly or indirectly, derived from any jurisdiction on  
10 the "Black List of Money Laundering Countries" as established by the  
11 Financial Action Task Force (FATF), or (ii) any jurisdiction designated  
12 as a state sponsor of terrorism by the United States; provided, however,  
13 that this shall not affect the commission's existing statutory authority  
14 to evaluate an applicant's suitability.

15 (b) The commission shall not approve an interactive gaming licensee to  
16 commence operations if the commission determines that the applicant or  
17 any of its affiliates, including entities under common control, is know-  
18 ingly (i) accepting revenue, directly or indirectly, derived from any  
19 jurisdiction on the "Black List of Money Laundering Countries" as estab-  
20 lished by the Financial Action Task Force (FATF), or (ii) any jurisdic-  
21 tion designated as a state sponsor of terrorism by the United States.

22 (c) If at any time during licensure the commission determines that the  
23 licensee or any of its affiliates, including entities under common  
24 control, is knowingly accepting revenue, directly or indirectly, derived  
25 from any jurisdiction on the "Black List of Money Laundering Countries"  
26 as established by the Financial Action Task Force (FATF), or any juris-  
27 isdiction designated as a state sponsor of terrorism by the United States,  
28 the commission shall impose a penalty of license revocation if the  
29 commission determines, after notice and an opportunity for hearing, that  
30 it would further the public interest to discontinue such operations of  
31 the interactive gaming licensee.

32 (d) Prior to the commission approving an interactive gaming licensee  
33 under section fifteen hundred three of this article to commence oper-  
34 ations, and upon each license renewal, the commission shall require each  
35 applicant to supply a disclosure of all jurisdictions within which it or  
36 its affiliates knowingly conduct operations. Such disclosure shall  
37 pertain to any jurisdiction within which an applicant or its affiliates  
38 knowingly accepted revenue for the supply of interactive gaming, includ-  
39 ing but not limited to online wagers or other consideration related to  
40 online wagering, directly or indirectly, within the twelve-month period  
41 preceding the license application or renewal. A material misrepresen-  
42 tation or omission on the disclosure shall, in the discretion of the  
43 commission, result in denial of an application for an interactive gaming  
44 license and/or disciplinary action, including, but not limited to  
45 suspension or revocation of the license and penalties for officers  
46 and/or board members of the licensee; provided however, that for exist-  
47 ing licensees, if the commission determines that it would further the  
48 public interest to discontinue such operations of the interactive gaming  
49 licensee and issue a penalty of license revocation, such licensee shall  
50 be entitled to a notice and opportunity for hearing.

51 4. Licenses authorized under this article shall remain in effect for  
52 up to ten years from the date issued. The commission shall establish a  
53 process for renewal.

54 5. The commission shall publish a list of all licensees authorized to  
55 offer interactive gaming in New York state pursuant to this section on  
56 the commission's website for public use.

1 6. Each interactive gaming licensee shall offer no more than one indi-  
2 vidually branded skin.

3 7. Notices of intent to offer interactive gaming sent to the commis-  
4 sion by a qualified entity shall be acted upon by the commission prompt-  
5 ly, with authorization to commence operations being issued or denied no  
6 more than ninety days after receipt of the petition.

7 8. To meet the definition of a qualifying entity, an Indian Tribe  
8 shall enter into an agreement with the commission with respect to inter-  
9 active gaming:

10 (a) to follow the requirements imposed on interactive gaming licensees  
11 under this section and section thirteen hundred sixty-seven-a of this  
12 chapter with respect to the Indian Tribe's interactive gaming; to adhere  
13 to the regulations promulgated by the commission pursuant to this  
14 section with respect to interactive gaming, and to submit to the commis-  
15 sion's enforcement of this section and section thirteen hundred sixty-  
16 seven-a of this chapter and regulations promulgated thereunder with  
17 respect to interactive gaming, including by waiving tribal sovereign  
18 immunity for the sole and limited purpose of such enforcement. Nothing  
19 herein shall be construed as requiring an Indian Tribe's agreement to  
20 adhere to the requirements of section thirteen hundred sixty-seven of  
21 this chapter for gaming conducted on tribal lands as a condition of  
22 offering interactive gaming under this section;

23 (b) to waive the Indian Tribe's exclusive geographic right to offer  
24 and conduct interactive gaming, but not otherwise;

25 (c) to remit payment to the state equal to tax on interactive gaming  
26 revenue imposed under section fifteen hundred six of this article with  
27 respect to interactive gaming;

28 (d) not to offer or to conduct mobile gaming other than interactive  
29 gaming pursuant to this section unless such mobile gaming is otherwise  
30 authorized by state or federal law; and

31 (e) to locate the server or other equipment used by the Indian Tribe  
32 or its agent to accept interactive gaming at a casino that has applied  
33 for and is eligible to register as an interactive gaming licensee and to  
34 pay the actual cost of hosting the server or other equipment as deter-  
35 mined by the commission.

36 9. No interactive gaming may be conducted within an Indian Tribe's  
37 exclusive geographic area unless such Indian Tribe with exclusive  
38 geographic right to that area is registered as an interactive gaming  
39 licensee. Interactive gaming licensees shall use geo-location and geo-  
40 fencing technology to ensure that interactive gaming is not available to  
41 persons who are physically located in an Indian Tribe's exclusive  
42 geographic area, unless such Indian Tribe with exclusive geographic  
43 right to that area is registered as an interactive gaming licensee under  
44 this section.

45 § 1503. Entity licensing. 1. A qualifying entity shall receive an  
46 interactive gaming license upon commission approval. An interactive  
47 gaming licensee shall not commence interactive gaming until such time  
48 that the commission has promulgated rules and regulations and provided  
49 approval to an interactive gaming licensee to commence operations. Such  
50 rules and regulations shall be promulgated, and approval issued in a  
51 timely manner, but no later than one hundred twenty days following the  
52 effective date of this article.

53 2. A qualifying entity shall not incur any additional licensing or  
54 administrative fees, or additional expenses related to interactive  
55 gaming outside of those set forth in this section.

1 3. As a condition of licensing, the commission shall require that each  
2 casino, video lottery terminal facility or operator authorized to  
3 conduct mobile interactive gaming wagering pay a one-time fee of two  
4 million dollars. As a condition of approval of any independent contrac-  
5 tor to provide an operator's mobile interactive gaming wagering platform  
6 and display its brand, the commission shall require that such independ-  
7 ent contractor pay a one-time fee of ten million dollars.

8 4. A qualifying entity may immediately and indefinitely conduct inter-  
9 active gaming upon the effective date of this article. Interactive  
10 gaming may be conducted by the means prescribed in this article pursuant  
11 to regulations governing game rules and operation for sports wagering,  
12 slot machines, poker, table games, or any other game as defined in  
13 subdivision four, nineteen, thirty-eight, thirty-nine, or forty-one of  
14 section thirteen hundred one of this chapter until such time that the  
15 commission has adopted rules related to the conduct and operation of  
16 interactive games.

17 § 1504. Individual, enterprise and vendor licensing. Each interactive  
18 gaming licensee may contract with an entity to conduct interactive  
19 gaming, in accordance with the regulations of the commission. Such enti-  
20 ty shall obtain a license as a casino vendor enterprise prior to  
21 execution of any such contract, and such license shall be issued pursu-  
22 ant to the provisions of sections thirteen hundred twenty-six and thir-  
23 teen hundred twenty-seven of this chapter and in accordance with the  
24 regulations promulgated by the commission.

25 § 1505. Requirements for conduct and operation of interactive gaming.  
26 1. The live gaming studio used to conduct live dealer games shall not  
27 be required to be located within the premises of a gaming facility, as  
28 defined in subdivision twenty-three of section thirteen hundred one of  
29 this chapter, but must be located within the state of New York.

30 2. An applicant for an interactive gaming license shall produce an  
31 affidavit stating it shall enter into a labor peace agreement with labor  
32 organizations that are actively engaged in representing or attempting to  
33 represent gaming or hospitality industry workers in the state as a  
34 mandatory component of its application for an interactive gaming  
35 license; provided however, that if such applicant already has a labor  
36 peace agreement pertaining to its existing operations, such labor peace  
37 agreement may satisfy the requirements of this subdivision so long as  
38 such labor peace agreement is updated to pertain to interactive gaming  
39 operations authorized under this article. In order for the commission  
40 to issue an interactive gaming license and for any operations involving  
41 live studio dealers to commence, the applicant for an interactive gaming  
42 license must produce documentation that it has entered into a labor  
43 peace agreement with each labor organization that is actively engaged in  
44 representing and attempting to represent gaming and hospitality industry  
45 workers in the state. The commission shall make the maintenance of such  
46 a labor peace agreement an ongoing material condition of licensure as  
47 long as the interactive gaming licensee makes use of live studio deal-  
48 ers. A license holder shall, as a condition of its license, ensure that  
49 operations at a live gaming studio that involve gaming or hospitality  
50 industry employees or are conducted by contractors, subcontractors,  
51 licensees, assignees, tenants or subtenants shall be done under a labor  
52 peace agreement containing the same provisions as specified in this  
53 subdivision.

54 3. Advertisements for contests and prizes offered by an interactive  
55 gaming licensee shall not target prohibited participants, persons under  
56 twenty-one years of age, or self-excluded persons.

1 4. Interactive gaming licensees shall develop and prominently display  
2 procedures on the main page of such interactive gaming licensee's plat-  
3 form for the filing of a complaint by an authorized participant against  
4 such interactive gaming licensee. An initial response shall be given by  
5 such interactive gaming licensee to such authorized participant filing  
6 the complaint within forty-eight hours of receipt. A complete response  
7 shall be given by such interactive gaming licensee to such authorized  
8 participant filing the complaint within ten business days of receipt. An  
9 authorized participant may file a complaint alleging a violation of the  
10 provisions of this article with the commission.

11 5. Interactive gaming licensees shall maintain records of all accounts  
12 belonging to authorized participants and retain such records of all  
13 transactions in such accounts for the preceding five years, provided,  
14 however, that such records belonging to an authorized participant shall  
15 be readily accessible and downloadable, without cost, by such authorized  
16 participant.

17 6. The server or other equipment which is used by an interactive  
18 gaming licensee to accept interactive gaming shall be physically located  
19 in the licensed gaming facility and be limited to interactive gaming  
20 related activities in accordance with regulations promulgated by the  
21 commission.

22 7. All interactive gaming initiated in this state shall be deemed to  
23 take place at the licensed gaming facility where the server or other  
24 equipment used by an interactive gaming licensee to accept interactive  
25 gaming is located, regardless of the authorized participant's physical  
26 location within this state.

27 8. Subject to regulations promulgated by the commission, an interac-  
28 tive gaming licensee may allow for authorized participants to sign up to  
29 create and fund accounts on its interactive gaming platform. An interac-  
30 tive gaming licensee shall adopt reasonable procedures to ensure that  
31 authorized participants have no more than one interactive gaming account  
32 with the interactive gaming licensee. However, nothing in this article  
33 shall prohibit the use of a single account for a mobile sports wagering  
34 account under section thirteen hundred sixty-seven of this chapter and  
35 an interactive gaming account set forth pursuant to this article;  
36 provided however, that interactive gaming licensees shall keep separate  
37 and distinct records of mobile sports wagering activity and interactive  
38 gaming activity on such accounts pursuant to rules and regulations  
39 promulgated by the commission.

40 9. Authorized participants may deposit and withdraw funds to and from  
41 their account on an interactive gaming platform through electronically  
42 recognized payment methods, including but not limited to credit cards  
43 and debit cards, or via any other means approved by the commission;  
44 provided, however, that in the case of credit card payments, each  
45 authorized participant's account per licensee shall be limited to a  
46 credit card spending amount of two thousand five hundred dollars per  
47 year; and provided further, however, that such limitation shall not  
48 apply to other payment methods or to debit cards. No interactive gaming  
49 licensee shall be authorized to provide a line of credit to any author-  
50 ized participant.

51 10. The commission, by regulation, may authorize and promulgate any  
52 rules necessary to implement agreements with other states, or authorized  
53 agencies thereof to (a) enable patrons in those states to participate in  
54 interactive gaming offered by licensees under this article, or (b)  
55 enable patrons in this state to participate in interactive gaming  
56 offered by licensees under the laws of those other states, provided that

1 such other state or authorized agency applies suitability standards and  
2 review materially consistent with the provisions of this article.

3 11. Any regulations adopted pursuant to subdivision ten of this  
4 section must set forth provisions that address (a) any arrangements to  
5 share revenue between New York and any other state or agency within  
6 another state, and (b) arrangements to ensure the integrity of interac-  
7 tive gaming offered pursuant to any such agreement and the protection of  
8 patrons located in this state.

9 § 1506. Taxation and fees. 1. For the privilege of conducting interac-  
10 tive gaming in the state, interactive gaming licensees shall pay a tax  
11 equivalent to thirty and one-half percent of base taxable gross gaming  
12 revenue derived from interactive gaming. Interactive gaming tax revenue  
13 shall be separately maintained and returned to the state for deposit  
14 into the state lottery fund for education aid.

15 2. From the state tax collected, the commission shall distribute, in  
16 conjunction with the office of addiction services and supports, eleven  
17 million dollars annually for problem gambling education and treatment  
18 purposes.

19 3. (a) In each fiscal year in which interactive gaming licensees  
20 accept interactive gaming wagers, the commission shall pay, on a quar-
