1 1. "Mistreated or not properly cared for" means every act or omission
2 that results in a companion animal suffering unnecessary psychological
3 or physical injury or pain, or failing to provide adequate food, water,
4 shelter or veterinary care necessary to preserve the physical and mental
5 well-being of a companion animal.

6 2. "Companion animal" shall have the same meaning as defined by
7 section three hundred fifty of this chapter.

8 3. "Authorized agent" means any police officer, or agent or officer of
9 any duly incorporated society for the prevention of cruelty to animals
10 pursuant to section three hundred seventy-three of this chapter.

11 4. "Impounding organization" shall mean any municipal pound or shel-
12 ter, duly incorporated society for the prevention of cruelty to animals
13 or duly incorporated humane society.

14 § 442. Jurisdiction; courts; venue. 1. A special proceeding to ensure
15 proper care or seizure of a companion animal shall be maintained in the
16 supreme court.

17 2. The place of the special proceeding shall be within the jurisdic-
18 tional area of the court where such companion animal thereof is situ-
19 ated.

20 § 443. Notice of mistreated companion animal. If an authorized agent
21 has reason to believe that a companion animal has been or is being
22 mistreated or not properly cared for, such authorized agent may notify
23 the owner or caretaker, in writing, of such owner or caretaker's duty to
24 provide certain care, including but not limited to, proper shelter,
25 food, water or veterinary care to such companion animal at the owner's
26 or caretaker's expense and within a time period determined by such
27 authorized agent's discretion.

28 § 444. Emergency powers. 1. If such owner or caretaker fails to
29 provide care to such companion animal and such companion animal remains
30 mistreated or not cared for after receiving notice and within the time
31 period determined by such authorized agent, an authorized agent may
32 immediately petition the court for an ex-parte emergency care and
33 inspection order.

34 2. An emergency care and inspection order shall be immediately issued
35 upon a showing of probable cause that such companion animal has been or
36 is being mistreated or not properly cared for.

37 3. Such order shall require the owner or caretaker to provide care to
38 such companion animal and allow an authorized agent to enter onto the
39 premises where such companion animal is being kept to ensure such
40 companion animal is receiving necessary food, water, shelter and care.

41 4. An ex-parte emergency care and inspection order issued pursuant to
42 this section shall be effective upon service, in accordance with section
43 three hundred eight of the civil practice law and rules, and shall:

44 (a) provide specific details of such mistreatment or failure to
45 provide proper care to such companion animal and direct such owner or
46 caretaker to take corrective action;

47 (b) allow an authorized agent and licensed veterinarian at the direc-
48 tion of such authorized agent to inspect such companion animal to ensure
49 compliance with the order to provide care;

50 (c) prohibit such owner or caretaker from interfering with such
51 inspection by the authorized agent or veterinarian;

52 (d) prohibit an owner or caretaker from transferring ownership of such
53 companion animal;

54 (e) prohibit an owner or caretaker from euthanizing such companion
55 animal without first seeking and obtaining permission of the court on a

1 showing that such procedure is to prevent undue suffering or physical
2 pain to such companion animal; and

3 (f) allow a veterinarian to examine such companion animal at least
4 twenty-four hours prior to such animal care hearing.

5 5. Upon issuance of an emergency care and inspection order, the court
6 shall set a time within ten calendar days of the date of issuance for an
7 animal care hearing pursuant to section four hundred forty-five of this
8 article, to determine whether such companion animal has been mistreated
9 or not properly cared for. The date and time for the scheduled hearing
10 shall be noted within such order, or as an attachment to such order.

11 6. Such emergency care and inspection order and notice of animal care
12 hearing shall be provided within at least five days prior to the sched-
13 uled animal care hearing and served in accordance with section three
14 hundred eight of the civil practice law and rules. If such owner or
15 caretaker is not known, the emergency care and inspection order and
16 notice of animal care hearing may be affixed to such premises where such
17 companion animal was located.

18 § 445. Animal care hearing. 1. In a proceeding to determine whether
19 such companion animal has been or is being mistreated or not properly
20 cared for, and that such owner is unable to or unwilling to provide
21 immediate and continued proper care for such companion animal, the court
22 may consider the following:

23 (a) testimony from the authorized agent and other witnesses as to the
24 condition of such companion animal;

25 (b) testimony from the authorized agent and other witnesses as to the
26 conditions under which such companion animal was kept;

27 (c) evidence as to any veterinary and behavioral care provided to such
28 companion animal;

29 (d) testimony from witnesses as to the prior treatment or condition of
30 such companion animal or other companion animals in the owner or care-
31 taker's custody;

32 (e) prior convictions of statutes prohibiting cruelty to animals; and

33 (f) any evidence the court deems material or relevant.

34 2. The authorized agent shall have the burden to prove, by a prepon-
35 derance of the evidence, that such companion animal was mistreated or
36 not properly cared for, and that such owner or caretaker is unable or
37 unwilling to provide immediate and continued proper care for such
38 companion animal. The owner or caretaker shall have the right to a full
39 defense including, but not limited to, the right to cross-examine
40 witnesses and to present witnesses and evidence.

41 3. If the court determines that such owner or caretaker of the compan-
42 ion animal is unable or unwilling to provide adequate care for the
43 companion animal and that the companion animal was mistreated or not
44 properly cared for, the court shall order the immediate forfeiture such
45 companion animal that has been the subject of the hearing to the author-
46 ized agent. The court shall also enjoin the owner or caretaker's further
47 possession, custody, or ownership of such other companion animals for a
48 time determined by the court to be reasonable.

49 (a) Upon an order of forfeiture pursuant to this subdivision, the
50 authorized agent may deliver such companion animal to an impounding
51 organization for adoption or other disposition pursuant to section three
52 hundred seventy-four of this chapter.

53 (b) Any order of forfeiture pursuant to this section shall identify a
54 supersedeas bond amount based on the reasonable cost to care for the
55 companion animal subject to the order of forfeiture, to be paid by the
56 owner or caretaker. Reasonable costs of care shall be determined based

1 on testimony provided at the animal care hearing and shall be calculated
2 based on the total number of animal or animals and the reasonable daily
3 cost of care for such animal or animals for, at minimum, a period of one
4 hundred eighty days.

5 4. If the court determines that such owner or caretaker of the compan-
6 ion animal has provided and will continue to provide adequate care for
7 the companion animal that has been the subject of the order to provide
8 care, or that the companion animal was not mistreated or not properly
9 cared for as set forth in the emergency order, the court shall vacate
10 the order to provide care. Vacatur pursuant to this subdivision shall
11 not preclude the court from entering an order to provide care in the
12 future.

13 5. A finding in a court of competent jurisdiction that the owner or
14 caretaker of the animal is guilty of an offense brought pursuant to this
15 article relating to the companion animal that is the subject of the
16 animal care hearing is prima facie evidence that such companion animal
17 has been mistreated or not properly cared for.

18 § 446. Appeal. 1. An appeal may be taken to the appellate division as
19 of right, originating in the supreme court from where the order of
20 forfeiture was issued. As a condition of perfecting such appeal, the
21 owner or caretaker shall file a notice of appeal and pay such superse-
22 deas bond set by the court, not later than ten calendar days after the
23 date the order of forfeiture was issued.

24 2. Any appeal filed with the appellate division of the supreme court
25 shall be perfected within thirty days following the date of the order of
26 forfeiture.

27 3. A hearing on such appeal shall be heard within thirty calendar days
28 after such appeal is perfected unless a continuance is mutually agreed
29 upon the parties. If a continuance is granted, the owner or caretaker of
30 such forfeited companion animal shall pay a second supersedeas bond in
31 the amount ordered by the appellate division.

32 4. The filing of such appeal shall not prevent the removal of a
33 forfeited companion animal from such owner or caretaker's possession by
34 the authorized agent. However, if such supersedeas bond has been paid
35 under subdivision one of this section, such companion animal or animals
36 may not be adopted or otherwise disposed of, except under circumstances
37 which would require the humane euthanasia of such companion animal to
38 prevent undue suffering or physical pain, or where such companion animal
39 poses a severe and immediate danger to itself, people or other animals.

40 § 447. Construction with other laws. Nothing in this article shall be
41 construed to (a) limit or restrict agents or officers of societies for
42 the prevention of cruelty to animals or any police officer from enforc-
43 ing other provisions of article twenty-six of this chapter or any other
44 law relating to the humane treatment of, or cruelty to, animals, or (b)
45 prevent a dog control officer or peace officer, acting pursuant to the
46 officer's special duties, or police officer in the employ of or under
47 contract to a municipality from seizing any dog pursuant to article
48 seven of this chapter. Relief pursuant to this section shall not be
49 stayed or continued due to the filing of criminal charges involving or
50 otherwise relating to such companion animals that are subject of the
51 emergency care and inspection order and animal care hearing.

52 § 2. This act shall take effect on the one hundred twentieth day after
53 it shall have become a law.
