2025-2026 Regular Sessions

IN SENATE

January 24, 2025

Introduced by Sens. BROUK, ADDABBO, BAILEY, HELMING, HOYLMAN-SIGAL, JACKSON, MAY, ORTT, PALUMBO, ROLISON, SCARCELLA-SPANTON, SKOUFIS -- read twice and ordered printed, and when printed to be committed to the Committee on Higher Education

AN ACT to amend the education law and the social services law, in relation to the practice of a licensed school psychology practitioner

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent and findings. The legislature finds
2 that the ever-growing social and emotional needs of children and youth
3 have only been intensified by the COVID-19 pandemic. The legislature
4 acknowledges that the U.S. Surgeon General has declared a national emer-
5 gency in relation to children's mental health, and that parents and
6 professionals are calling for greater access to mental health services
7 for children. The legislature therefore intends to ensure services are
8 available for children, youth, and their parents to seek the help they
9 need by allowing school psychology professionals to assist these indi-
10 viduals outside of a traditional setting. The legislature finds that
11 increasing the number of trained professionals who are able to provide
12 mental health services outside of an educational setting will be posi-
13 tive for the children, parents, school, and society. School psychology
14 professionals are trained and educated in psychopathology, the psychol-
15 ogy of learning, motivation and human development in order to address
16 the many factors influencing their adjustment in school and life.
17 Accordingly, these factors may include trauma, social and emotional
18 adjustment, inequitable and historically marginalized community condi-
19 tions, school climate, and home/school/community collaboration. The
20 legislature therefore declares that by addressing the needs of children
21 through prevention services, assessments and/or counseling, school
22 psychology professionals can contribute to their future success. It is

2 standards and requirements that will ensure competent services.

3 § 2. The education law is amended by adding a new article 153-A to
4 read as follows:
