

STATE OF NEW YORK

2025-2026 Regular Sessions

IN SENATE

January 27, 2025

Introduced by Sens. BRISPORT, BAILEY, BROUK, CLEARE, COMRIE, COONEY, FERNANDEZ, GONZALEZ, GOUNARDES, HINCHEY, HOYLMAN-SIGAL, JACKSON, KAVANAGH, LIU, MYRIE, RAMOS, RIVERA, SALAZAR, SEPULVEDA, SERRANO, SKOUFIS, STAVISKY -- read twice and ordered printed, and when printed to be committed to the Committee on Finance -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the social services law and the education law, in relation to establishing a universal child care taskforce; to amend the state finance law, in relation to establishing a permanent child care workforce pay equity fund; to amend the education law, in relation to establishing a universal child care public option pilot program; to repeal certain provisions of the social services law relating to the child care availability taskforce; and making an appropriation therefor

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "universal child care act".
3 § 2. Legislative findings. The legislature hereby finds and declares
4 that New York State's child care sector is facing an economic crisis. In
5 2018, the legislature created a Child Care Availability Task Force. In
6 2021, that Task Force issued its initial report, finding that the
7 current crisis "requires a dramatically different approach to child
8 care: one that recognizes that high-quality child care is a public good
9 and that provides the necessary public investment" to implement a system
10 of high-quality universal child care.
11 The Task Force was subsequently charged with the duty of advising the
12 state "in developing an implementation framework leading to a phased-in
13 rollout of universal child care", and issued another report in April
14 2024 that recommended items such as a "permanent line of funding for the

LBD06356-02-5

1 child care workforce" and the launch of "a state-run child care assist-
2 ance pilot program". In January 2025 the Task Force released its "Road-
3 map to Universal Child Care", which incorporates the recommendations in
4 the first two reports, and lays out key markers on the road to universal
5 child care, including the "short term" goal of immediately establishing
6 a "permanent workforce compensation fund aimed at increasing wages for
7 all members of the child care workforce and indexed to cost of living".

8 This legislation will implement the recommendations of the Task Force
9 and move New York towards such a dramatically new system, where child
10 care workers are treated with dignity and compensated generously as the
11 educators that they are, where child care is free and available to all
12 just like our public education system is free and available for all,
13 where burdensome and ineffective means-testing requirements are ulti-
14 mately eliminated, where public investments are directed towards those
15 most in need as we build out our important child care infrastructure,
16 where families have a meaningful ability to select the modalities that
17 work best for their children, where child care providers are not forced
18 to compete against each other, where high-quality is ensured for all so
19 that we do not have a two-tiered child care system where the wealthy
20 have high-quality care and the working poor have substandard care, where
21 both federal and state funding is allocated generously, where the burden
22 on localities is minimized, and where our child care system is truly
23 universal.

24 § 3. The social services law is amended by adding a new section 390-k
25 to read as follows:

26 § 390-k. Universal child care taskforce. 1. There shall be established
27 a universal child care taskforce for the purpose of guiding New York
28 towards a system of free and universal child care.

29 2. The taskforce shall be chaired by a representative of the executive
30 chamber and the commissioners of the office of children and family
31 services, the department of labor, and the department of education, or
32 their designees. Members of the taskforce shall serve without compen-
33 sation for three year terms, but may be reimbursed for actual costs
34 incurred for participation on such taskforce. Ensuring adequate
35 geographic, racial and ethnic representation, members of the taskforce
36 shall be appointed by the governor and comprised as follows:

37 (a) four individuals shall be appointed upon the recommendation of the
38 speaker of the assembly, at least one of whom shall be a parent who has
39 utilized subsidized child care and at least one of whom shall be a
40 parent who has utilized unsubsidized child care, from different regions
41 of the state;

42 (b) four individuals shall be appointed upon the recommendation of the
43 temporary president of the senate, at least one of whom shall be a
44 parent who has utilized subsidized child care and at least one of whom
45 shall be a parent who has utilized unsubsidized child care, from differ-
46 ent regions of the state;

47 (c) one individual shall be appointed upon the recommendation of the
48 minority leader of the assembly;

50 minority leader of the senate;

51 (e) two representatives of a child care resource and referral agency;

52 (f) a minimum of three and a maximum of four representatives of home-
53 based child care providers;

54 (g) a minimum of three and a maximum of four representatives of
55 center-based child care providers;

56 (h) two representatives from the public education community;

1 (i) two representatives from unions that represent child care provid-
2 ers; and

3 (j) at least one representative from each of the following entities:

4 (i) the office of temporary and disability assistance;

5 (ii) the council on children and families;

6 (iii) the department of taxation and finance;

7 (iv) a regional economic development council;

8 (v) the state university of New York or the city university of New
9 York;

10 (vi) the state education department;

11 (vii) the early childhood advisory council;

12 (viii) a social services district or county government or an entity
13 that advocates on behalf of social services or county governments;

14 (ix) a non-profit child care advocacy organization; and

15 (x) an academic research institution, with expertise regarding differ-
16 ent international child care systems.

17 3. The taskforce shall:

18 (a) examine the negative impacts of the expiration of federal assist-
19 ance for child care in New York state, as well as the negative impacts
20 presented by the multiplicity of different agencies administering the
21 child care system, and the difficulties posed by means-testing require-
22 ments, work requirements, activities tests, and immigration status
23 requirements;

24 (b) advise the state in developing an implementation framework leading
25 to a four-year phased-in rollout of universal child care, which is free
26 at the point of service for all families, which delivers high-quality
27 child care to all New Yorkers, and which offers salaries to educators
28 comparable to those of public school teachers;

29 (c) recommend solutions to address chronic child care workforce
30 issues, the availability of child care for non-traditional work hours,
31 and other concerns identified in the course of the examination required
32 by this subdivision;

33 (d) recommend federal legislative changes necessary to access feder-
34 ally funded programs, as well as state funding appropriations needed to
35 completely eliminate means-testing requirements, work requirements,
36 activities tests, and immigration status requirements;

37 (e) how best to phase in the establishment of a dedicated department
38 of early education, which shall possess the duties required to maintain
39 and administer the free and high-quality universal child care system
40 pursuant to the recommendations of the taskforce; and

41 (f) anything else the taskforce deems necessary.

42 4. (a) The taskforce shall report a four-year plan for a phased roll-
43 out of universal child care in the state, and make annual recommenda-
44 tions, starting in November first, two thousand twenty-five through
45 November thirtieth, two thousand twenty-six, for specific appropriations
46 for budget allocations that would allow for a truly free and universal
47 child care system, including, but not limited to: (i) wage increases for
48 child care educators that allow them to achieve pay parity with public
49 school teachers; (ii) capital expenditures to allow for the expansion of
50 child care infrastructure into communities most in need; and (iii)
51 startup funds to allow for the creation of new child care programs in
52 child care deserts. Such recommendations shall include recommendations
53 to identify all reasonable means of maximizing the allocation of federal
54 funds, as well as supplemental funding from the state that would allow
55 for a truly free and universal child care system. The taskforce report
56 shall further make recommendations for the integration of child care

1 programs into existing public programs, such as public schools, public
2 universities, and public housing, to deliver high-quality child care to
3 all New Yorkers. Such recommendations shall be based on what is needed
4 to actually achieve a high-quality universal child care system in the
5 state, and what additional funding would be needed from the state to
6 achieve that goal. Each year, following the annual state budget, the
7 taskforce shall also provide a score card stating how close New York has
8 come to achieving a high-quality universal child care system, provided,
9 however, that taskforce members who are employees of the governor's
10 office and the state legislature shall recuse themselves from such
11 rating process. The taskforce shall report its findings annually.

12 (b) The taskforce shall also report on and make recommendations
13 regarding an employee compensation scale for early childhood educators
14 and child care workers in accordance with section ninety-seven-bbbbb of
15 the state finance law. The taskforce shall:

16 (i) review the findings and recommendations of the Washington, D.C.
17 early childhood educator equitable compensation taskforce from March two
18 thousand twenty-three;

19 (ii) submit a separate report to the governor, the speaker of the
20 assembly, and the temporary president of the senate no later than Decem-
21 ber thirty-first, two thousand twenty-five. Such report shall:

22 (1) assess the expected impact of implementing an employee compen-
23 sation scale for raising the wages and benefits of workers in early
24 childhood education and child care programs to parity with public school
25 teachers;

26 (2) propose an employee compensation scale for child day care programs
27 that accounts for employee role, credentials, and experience; and

28 (3) provide recommendations for implementing the employee compensation
29 scale. Such recommendations shall, at a minimum, consider: (A) equitable
30 implementation that accounts for different staffing models, types, and
31 sizes of child day care programs; (B) how to allocate funds to new child
32 day care programs that open after the effective date of this paragraph;
33 (C) how to ensure that funds support the child care workforce rather
34 than private for-profit investors; and (D) how to ensure that funds
35 support programs that provide care to subsidy-eligible families;

36 (iii) provide guidance as to how to allocate the permanent child care
37 workforce pay equity fund for fiscal years two thousand twenty-six, two
38 thousand twenty-seven, two thousand twenty-eight and two thousand twen-
39 ty-nine, assuming that the amount available to the fund includes an
40 annual appropriation of one billion two hundred million dollars, plus
41 any amounts adjusted for inflation in years beyond fiscal year two thou-
42 sand twenty-five. The taskforce may also recommend that such appropri-
43 ations exceed one billion two hundred million dollars; and

44 (iv) make recommendations regarding oversight, reporting, and account-
45 ability mechanisms for the use of funds allocated to child day care
46 programs from the permanent child care workforce pay equity fund.

47 § 4. Subdivision 8 of section 390 of the social services law, as added
48 by chapter 750 of the laws of 1990, is amended to read as follows:

49 8. The [~~department~~] office of children and family services shall
50 establish and maintain a list of all current registered and licensed
51 child day care programs and a list of all programs whose license or
52 registration has been revoked, rejected, terminated, or suspended. [~~Such~~
53 ~~information shall be available to the public, pursuant to procedures~~
54 ~~developed by the department~~] The office of children and family services
55 shall work with service providers and child care resource and referral
56 agencies throughout the state to gather information to maintain a publ-

1 ically-searchable, user-friendly, and language-accessible database of
 2 available child care facilities on the office's website and on a compan-
 3 ion phone application. Such database shall be updated in real time and
 4 shall provide and be searchable by the following information:

5 (a) the name and address of the facility;

6 (b) the capacity of the facility;

7 (c) whether the facility is fully enrolled or has current availabili-
 8 ty, with the available capacity specified by age group;

9 (d) whether the facility has a waiting list for which a family can
 10 apply;

11 (e) the age range allowable for the facility;

12 (f) the modality for the facility;

13 (g) the operating hours for the facility;

14 (h) the language or languages spoken at the facility; and

15 (i) whether the facility has been cited for any violations, with any
 16 such violations separated into "dangerous" and "non-dangerous" catego-
 17 ries, and prominent notices indicating whether any such violations have
 18 been cured or addressed.

19 The office of children and family services shall provide information
 20 on its website in English, French, Polish, and the ten most common non-
 21 English languages spoken by individuals with limited English proficiency
 22 in the state, based on United States census data.

23 § 5. Subdivision 1 of section 410 of the social services law, as
 24 amended by chapter 694 of the laws of 2022, is amended to read as
 25 follows:

26 1. A public welfare official of a county, city or town is [~~authorized~~
 27 obligated], provided funds have been made available therefor, to provide
 28 day care at public expense for children residing in [~~his~~] their territo-
 29 ry [~~who are eligible therefor pursuant to provisions of this title. Such~~
 30 ~~care may be provided only in cases where it is determined, under crite-~~
 31 ~~ria established by the office of children and family services, that~~
 32 ~~there is a need and that such care is in the best interest of the child~~
 33 ~~and parent, provided however that the public welfare official shall not~~
 34 ~~be required to limit authorized child care services strictly based on~~
 35 ~~the work, training, or educational schedule of the parents or the number~~
 36 ~~of hours the parents spend in work, training, or educational activities.~~
 37 ~~Where the family is able to pay part or all of the costs of such care,~~
 38 ~~payment of such fees as may be reasonable in the light of such ability~~
 39 ~~shall be required] with the aim of providing free and universal child
 40 care for all families within such territory.~~

41 § 6. Subdivision 2 of section 410-b of the social services law, as
 42 added by chapter 395 of the laws of 1965 and such section as renumbered
 43 by chapter 640 of the laws of 1971, is amended and a new subdivision 5
 44 is added to read as follows:

45 2. The [~~department of social welfare is~~] office of children and family
 46 services and the department of education are hereby designated and
 47 empowered to act as the [~~agent~~] agents of the state in carrying out the
 48 provisions of any such federal law with respect to such day care facili-
 49 ties in this state. In exercising this duty as agent of the state, the
 50 office of children and family services shall seek to obtain any waivers
 51 or permissions from federal agencies necessary and proper to allow the
 52 state and its various subdivisions to implement a child care system that
 53 is universal and free at the point of service, notwithstanding that the
 54 state's child care system may be more expansive than what is being reim-
 55 bursed with federal funds.

1 5. To the extent that federal funds are offered for child care and are
2 contingent on matching funds from the state, the state shall make all
3 reasonable efforts to maximize the allocation of federal funds by making
4 sufficient state-level appropriations.

5 § 7. Subdivisions 5, 6, 7, 8, 9 and 10 of section 410-x of the social
6 services law are renumbered subdivisions 6, 7, 8, 9, 10 and 11 and a new
7 subdivision 5 is added to read as follows:

8 5. (a) For each group for which the office of children and family
9 services determines a separate payment rate pursuant to subdivision four
10 of this section, and at the same frequency, such office shall utilize a
11 cost estimation model to determine the actual cost providers incur when
12 providing high-quality child care. The cost estimation model shall iden-
13 tify and take into account cost drivers including but not limited to
14 employee salary and benefits, enrollment levels, facility costs and
15 compliance with statutory and regulatory requirements. Where a quality
16 rating system or any quality indicators are being utilized, the cost
17 estimation model shall also take into account the cost of providing
18 services at each level of quality.

19 (b) In developing such model the office of children and family
20 services shall consult with stakeholders including, but not limited to,
21 representatives of child care resource and referral agencies, child care
22 providers, labor leaders for any labor unions representing child care
23 workers in the state, and any state advisory council established pursu-
24 ant to 42 U.S.C.S. § 9831 et seq., as amended. The cost estimation model
25 shall be statistically valid, using complete and current data and rigor-
26 ous collection methods. The cost estimation model shall further account
27 for biases in reported data that tend to underestimate the cost of care,
28 and shall make appropriate adjustments.

29 § 8. Section 410-z of the social services law, as added by section 52
30 of part B of chapter 436 of the laws of 1997, is amended to read as
31 follows:

32 § 410-z. Reporting requirements. 1. Each social services district
33 shall collect and submit to the [department] office of children and
34 family services and the department of education, in such form and at
35 such times as specified by the [department] office of children and
36 family services, such data and information regarding child care assist-
37 ance provided under the block grant as the [department] office of chil-
38 dren and family services may need to comply with federal reporting
39 requirements.

40 2. The office of children and family services shall prepare a report
41 detailing the actual cost providers incur when providing child care in
42 each setting, as determined by the cost estimation model established in
43 paragraph (a) of subdivision five of section four hundred ten-x of this
44 title. The report shall detail cost data for each setting, age group,
45 care provided to children with special needs, and any other grouping for
46 which a separate cost estimation is conducted. Such data shall include:

47 (a) the level of quality care as determined by a quality rating system
48 or any quality indicators utilized by the state;

49 (b) a description of the major cost drivers for providing care; and

50 (c) a comparison of the costs of child care for each grouping to the
51 market rate determined by the office of children and family services
52 pursuant to subdivision four of section four hundred ten-x of this
53 title.

54 The report shall be submitted to the governor, the speaker of the
55 assembly and the temporary president of the senate by June first, two
56 thousand twenty-six and June first of every other year thereafter. The

1 office of children and family services shall post the information
2 contained in the report on its website.

3 § 9. Subdivision 1 and paragraph (b) of subdivision 5 of section 410-c
4 of the social services law, subdivision 1 as added by chapter 1014 of
5 the laws of 1969, paragraph (a) of subdivision 1 as amended by chapter
6 110 of the laws of 1971, and paragraph (b) of subdivision 5 as amended
7 by chapter 277 of the laws of 1990, and such section as renumbered by
8 chapter 640 of the laws of 1971, are amended to read as follows:

9 1. (a) Expenditures made by counties, cities, and towns for day care
10 and its administration, and day care center projects, pursuant to the
11 provisions of this title, shall, if approved by the department, be
12 subject to reimbursement by the state, in accordance with the regu-
13 lations of the department, as follows: There shall be paid to each coun-
14 ty, city or town (1) the amount of federal funds, if any, properly
15 received or to be received on account of such expenditures; (2) [~~fifty~~]
16 ninety per centum of its expenditures for day care and its adminis-
17 tration and day care center projects, after first deducting therefrom
18 any federal funds received or to be received on account thereof, and any
19 expenditures defrayed by fees paid by parents or by other private
20 contributions.

21 (b) For the purpose of this title, expenditures for administration of
22 day care shall include expenditures for compensation of employees in
23 connection with the furnishing of day care, including but not limited to
24 costs incurred for pensions, federal old age and survivors insurance and
25 health insurance for such employees; training programs for personnel,
26 operation, maintenance and service costs; and such other expenditures
27 such as equipment costs, depreciation and charges and rental values as
28 may be approved by the department. It [~~shall not~~] may include expendi-
29 tures for capital costs in appropriate cases at the discretion of the
30 department, provided that capital costs are prioritized in areas that
31 are categorized as child care deserts. In the case of day care purchased
32 from a non-profit corporation constituting an eligible borrower pursuant
33 to title five-a of this article, expenditures shall include an allocable
34 proportion of all operating costs of such facility as may be approved by
35 the department including but not limited to the expenditures enumerated
36 in this paragraph [~~(b)~~] and expenditures for amortization, interest and
37 other financing costs of any mortgage loan made to such non-profit
38 corporation.

39 (b) The commissioner shall, within appropriations made available
40 therefor, select proposed school age child day care programs which shall
41 be eligible to receive an award [~~of no more than twenty five thousand~~
42 ~~dollars~~] for start up or expansion costs, including planning, rental,
43 operational and equipment costs, or minor renovations identified as
44 being necessary in order for the program to comply with applicable state
45 or local building, fire safety or licensing standards, based on plans
46 submitted to [~~him~~] the commissioner. The commissioner shall give pref-
47 erence to those areas of the state which are significantly underserved
48 by existing school age child day care programs and to those programs
49 which involve parents in the development and implementation of programs.
50 The commissioner shall publicize this availability of funds to be used
51 for purposes of this subdivision in awarding grants. Plans may be
52 submitted by private not-for-profit corporations, organizations or
53 governmental subdivisions.

54 § 10. Subdivision 8 of section 410-w of the social services law, as
55 amended by section 6 of part U of chapter 56 of the laws of 2023, is
56 amended to read as follows:

1 8. Notwithstanding any other provision of law, rule or regulations to
2 the contrary, a social services district that implements a plan amend-
3 ment to the child care portion of its child and family services plan,
4 either as part of an annual plan update, or through a separate plan
5 amendment process, where such amendment reduces eligibility for, or
6 increases the family share percentage of, families receiving child care
7 services, or that implements the process for closing child care cases as
8 set forth in the district's approved child and family services plan, due
9 to the district determining that it cannot maintain its current caseload
10 because all of the available funds are projected to be needed for open
11 cases, shall provide all families whose eligibility for child care
12 assistance or family share percentage will be impacted by such action
13 with at least thirty days prior written notice of the action. Provided,
14 however, that a family receiving assistance pursuant to this title shall
15 not be required to contribute more than what is required by federal law
16 or one percent of their income exceeding the federal poverty level,
17 whichever is lower, and that such cost shall be covered entirely by the
18 state.

19 § 11. Subdivision 7 of section 410-x of the social services law, as
20 amended by section 7 of part U of chapter 56 of the laws of 2023, and as
21 renumbered by section seven of this act, is amended to read as follows:

22 7. Pursuant to department regulations, child care assistance shall be
23 provided on a sliding fee basis based upon the family's ability to pay;
24 provided, however, that a family receiving assistance pursuant to this
25 title shall not be required to contribute more than what is required by
26 federal law or one percent of their income exceeding the federal poverty
27 level, whichever is lower, and that such cost shall be covered entirely
28 by the state.

29 § 12. Paragraph (a) of subdivision 11 of section 410-x of the social
30 services law, as added by section 1 of part Y of chapter 56 of the laws
31 of 2024, and as renumbered by section seven of this act, is amended to
32 read as follows:

33 (a) Local social services districts shall establish a differential
34 payment rate for child care services provided by licensed or registered
35 child care providers who provide care to a child or children experienc-
36 ing homelessness. Such differential payment rate shall be [~~no less than~~
37 ~~ten percent higher but no greater than fifteen~~] twenty percent higher
38 than the actual cost of care or the applicable market-related payment
39 rate established by the office in regulations, whichever is less.

40 § 13. Subdivision 1 of section 410 of the social services law, as
41 amended by chapter 694 of the laws of 2022, is amended to read as
42 follows:

43 1. A public welfare official of a county, city or town [~~is authorized~~]
44 shall, provided funds have been made available therefor, [~~to~~] and with
45 the state making all reasonable efforts to obtain federal funding and
46 supplementing those amounts with additional state funding, provide day
47 care at public expense for children residing in [~~his~~] their territory
48 who are eligible therefor pursuant to provisions of this title. Such
49 care [~~may~~] shall be provided [~~only in cases where it is determined,~~]
50 under criteria established by the office of children and family
51 services, that there is a need and that such care is in the best inter-
52 est of the child and parent; provided however that the public welfare
53 official shall not [~~be required to~~] limit authorized child care services
54 strictly based on the work, training, or educational schedule of the
55 parents or the number of hours the parents spend in work, training, or
56 educational activities, nor shall the public welfare official limit

1 authorized child care services based on proof of immigration status.
2 Where the family [~~is able to pay part or all of the costs of such care~~]
3 income is more than one thousand percent of the poverty line, payment of
4 such fees as may be reasonable in the light of such ability [~~shall~~] may
5 be required to the extent necessary as the state transitions to a system
6 that is free and universal. To the extent there are insufficient funds
7 to immediately serve all families, the state shall make all reasonable
8 efforts to incrementally expand to universal access over a period of
9 four years, pursuant to the phase-in priorities and principles recom-
10 ended by the taskforce established pursuant to section three hundred
11 ninety-k of this article.

12 § 14. Paragraph (b) of subdivision 3 of section 410 of the social
13 services law is REPEALED and paragraphs (c) and (d) are relettered para-
14 graphs (b) and (c).

15 § 15. Subdivisions 1 and 2 of section 410-bb of the social services
16 law, subdivision 1 as added by chapter 503 of the laws of 1988 and
17 subdivision 2 as amended by chapter 659 of the laws of 1988, are amended
18 to read as follows:

19 1. The legislature finds and declares that a crisis exists in the
20 availability and quality of child day care in New York state and that
21 this crisis poses a danger both to the welfare and safety of the chil-
22 dren and to the productivity of this state's workforce; that inadequate
23 salaries and in many cases nonexistent benefit packages have substan-
24 tially contributed to the existing crisis by precluding day care centers
25 from recruiting and retaining necessary teaching and supervisory staff;
26 that an extremely high turnover rate has interfered in many instances
27 with the ability of day care centers to comply with regulatory require-
28 ments and to properly serve the children in their care; and that because
29 of these extraordinary circumstances New York state must intervene and
30 provide assistance for recruitment and retention of child care [~~workers~~]
31 educators, with the goal of creating a free and universal child care
32 system that is available to all, in the same manner as the public school
33 system, without the burdens of means-testing. The legislature recognizes
34 that a long-term solution to this crisis will require cooperative
35 efforts among [~~the business community, local and state governments and~~
36 ~~families~~] all New Yorkers.

37 2. Within amounts appropriated specifically therefor, and after
38 deducting funds as specified in subdivision three of this section, the

55 ~~the total capacity of all such other eligible districts] with the aim of~~

1 providing staff with salary and benefits that is at parity with that of
 2 local public school teachers in the relevant area.

 24 for other eligible families[~~, provided, however, that such reimbursement~~

 26 ~~grant allocation]. To the extent that families are not eligible for
 27 funding pursuant to this provision, the state shall make all reasonable
 28 efforts to ensure that families not eligible for federally-funded child
 29 care have access, phased-in over a period of four years, pursuant to the
 30 phase-in priorities and principles recommended by the taskforce estab-
 31 lished pursuant to section three hundred ninety-k of this article.~~

32 § 17. Subdivisions 1 and 2 of section 410-w of the social services

~~(d) families with incomes up to eighty-five percent of the state median income, who are attending a post-secondary educational program; and~~

~~(e) other families with incomes up to eighty-five percent of the state median income in accordance with criteria established by the department]~~

families who need child care or who are having trouble affording child care, to the maximum extent permissible under federal laws and regulations. To the extent that families are not eligible for funding pursuant to this provision, the state shall make all reasonable efforts to ensure that families not eligible for federally-funded child care have access, phased-in over a period of four years, pursuant to the phase-in priorities and principles recommended by the taskforce established pursuant to section three hundred ninety-k of this article.

2. [~~For the purposes of this title, the term "state income standard" means the most recent federal income official poverty line (as defined and annually revised by the federal office of management and budget) updated by the department for a family size of four and adjusted by the department for family size~~] Each social services district and school district shall conduct extensive and language-accessible outreach to families who need child care or who are having trouble affording child care. To the extent that social services districts or the office of children and family services are required to examine families' incomes pursuant to federal laws or regulations, they shall use the least restrictive and most efficient means available to avoid placing undue burdens on families applying for assistance. To the extent that families applying for assistance are required to provide proof of eligibility, each local social services district and the office of children and family services shall make all reasonable efforts to provide assistance in completing all necessary documents expeditiously.

§ 18. Subdivision 2 of section 410-u of the social services law, as amended by section 1 of part U of chapter 56 of the laws of 2023, is amended to read as follows:

2. The state block grant for child care shall be divided into two parts pursuant to a plan developed by the department and approved by the director of the budget. One part shall be retained by the state to provide child care on a statewide basis to special groups and for activities to increase the availability and/or quality of child care programs, including, but not limited to, the start-up of child care programs, the increase of child care worker salaries, the operation of child care resource and referral programs, training activities, the regulation and monitoring of child care programs, the development of computerized data systems, and consumer education, provided however, that child care resource and referral programs funded under title five-B of article six of this chapter shall meet additional performance standards developed by the department of social services including but not limited to: increasing the number of child care placements for all persons, with priority given to persons who are at or below [~~eighty-five percent of the state median income,~~] one thousand percent of the federal poverty line; with emphasis on placements supporting local efforts in meeting federal and state work participation requirements, increasing technical assistance to all modalities of legal child care to persons.

1 with priority given to persons who are at or below [~~eighty-five percent~~
2 ~~of the state median income,~~] one thousand percent of the federal poverty
3 line; including the provision of training to assist providers in meeting
4 child care standards or regulatory requirements[~~r~~]; and creating new
5 child care opportunities, and assisting social services districts in
6 assessing and responding to child care needs for all persons, with
7 priority given to persons at or below [~~eighty-five percent of the state~~
8 ~~median income~~] one thousand percent of the federal poverty line. The
9 department shall have the authority to withhold funds from those agen-
10 cies which do not meet performance standards. Agencies whose funds are
11 withheld may have funds restored upon achieving performance standards.
12 The other part shall be allocated to social services districts to
13 provide child care assistance to families receiving family assistance
14 and to other low income families. To the extent that families are not
15 eligible for funding pursuant to this subdivision, the state shall make
16 all reasonable efforts to ensure that families not eligible for federal-
17 ly-funded child care have access, phased-in over a period of four years,
18 pursuant to the phase-in priorities and principles recommended by the
19 taskforce established pursuant to section three hundred ninety-k of this
20 article.

28 guidelines including, but not limited to, allowable costs, and criteria
29 for eligibility for grants giving preference to those child day care
30 providers who [~~will, to the maximum extent feasible, target services to~~
31 ~~households having incomes up to two hundred percent of the federal~~
32 ~~poverty standard~~] serve areas that currently constitute child care
33 deserts, and with the aim of developing New York's statewide universal
34 child care infrastructure. The commissioner shall widely publicize the
35 availability of funds and conduct extensive outreach in a language-ac-
36 cessible manner to develop the state's universal child care infrastruc-
37 ture. [~~No awards shall be granted which exceed twenty five hundred~~
38 ~~dollars for a new family day care provider or new group family day care~~
39 ~~provider, and one hundred thousand dollars for a new child day care~~
40 ~~center.~~] Child care resource and referral agencies [~~may~~] shall receive
41 family day care start up grants [~~not to exceed two thousand five hundred~~
42 ~~dollars per new provider~~] if the agency trains such new family provider
43 and thereby expands the supply of family day care programs in the commu-
44 nity. The commissioner shall give preference to those communities which
45 are significantly underserved by existing programs and to those programs
46 which and those providers who will serve infants under two years of age.

47 § 20. Section 101 of the education law is amended to read as follows:

48 § 101. Education department; regents of the university. There shall
49 continue to be in the state government an education department. The
50 department is charged with the general management and supervision of all
51 public schools and all of the educational work of the state, including
52 the operations of The University of the State of New York and the exer-
53 cise of all the functions of the education department, of The University
54 of the State of New York, of the regents of the university and of the
55 commissioner of education and the performance of all their powers and
56 duties, which were transferred to the education department [~~by section~~

1 ~~three hundred twelve of the state departments law~~] or shall have been
2 prescribed by law before March sixteenth, nineteen hundred twenty-seven,
3 whether in terms vested in such department or university or in any sub-
4 department, division or bureau thereof or in such commissioner, board or
5 officer, and such functions, powers and duties shall continue to be
6 vested in the education department continued by this chapter and shall
7 continue to be exercised and performed therein by or through the appro-
8 priate officer, sub-department, division or bureau thereof, together
9 with such functions, powers and duties as hereafter may be conferred or
10 imposed upon such department by law. The education department shall also
11 establish an office of early education, which shall be tasked with coor-
12 minating with the office of children and family services to ensure that
13 the implementation of funding for universal pre-K and 3-K for all
14 programs are phased in in a manner that complements and supports child
15 care providers within the state and provides equitable wages, benefits,
16 and working conditions for child care educators, pursuant to the guid-
17 ance established by the taskforce established pursuant to section three
18 hundred ninety-k of the social services law. All the provisions of this
19 chapter, in so far as they are not inconsistent with the provisions of
20 this chapter as hereby amended or may be made applicable, shall apply to
21 the education department continued by this chapter as hereby amended and
22 to The University of the State of New York, the board of regents of the
23 university, the commissioner [~~of education~~] and to the divisions,
24 bureaus and officers in such department. The head of the department
25 shall continue to be the regents of The University of the State of New
26 York, who shall appoint, and at pleasure may remove, the commissioner
27 [~~of education~~]. The commissioner shall continue to be the chief admin-
28 istrative officer of the department. The regents also may appoint and,
29 at pleasure, remove a deputy commissioner [~~of education~~], who shall
30 perform such duties as the regents may assign to [~~him~~] such deputy

34 imposed on the commissioner by this chapter. The regents of The Univer-

36 The University of the State of New York, which was continued under such
37 name by section two of article eleven of the constitution, shall contin-

39 board.

40 § 21. The state finance law is amended by adding a new section
41 97-bbbbb to read as follows:

42 § 97-bbbbb. Statewide permanent child care workforce pay equity fund.

43 1. There is hereby established in the joint custody of the state comp-
44 troller and the commissioner of taxation and finance a fund to be known
45 as the "permanent child care workforce pay equity fund".

46 2. The permanent child care workforce pay equity fund shall consist of
47 moneys appropriated, credited or transferred thereto from any other fund
48 or source. Any unexpended and unencumbered moneys remaining in the
49 permanent child care workforce pay equity fund at the end of a fiscal
50 year shall remain in the permanent child care workforce pay equity fund
51 and shall not be credited to any other fund. Any interest received by
52 the comptroller on moneys on deposit in the fund shall be retained in
53 and become a part of such fund.

54 3. Moneys of the permanent child care workforce pay equity fund shall
55 be made available to the commissioner of the office of children and
56 family services for activities to improve workforce conditions for

1 employees of eligible child care services and programs, and to help
2 ensure eligible programs can operate at high quality and at maximum
3 capacity. Allowable uses of these funds may include, but not be limited
4 to, salary increases, workforce retention bonuses and recruitment bonus-
5 es, indirect costs associated with implementing salary increases and
6 bonuses, costs associated with employee health, and fringe benefits.
7 Moneys awarded to a program in accordance with this section shall meet
8 the following requirements:

9 (a) No less than seventy-five percent of moneys awarded to a program
10 from the permanent child care workforce pay equity fund shall be used to
11 increase compensation and/or benefits for employees in a direct caregiv-
12 ing role with children;

13 (b) No less than ten percent of moneys awarded to a program from the
14 permanent child care workforce pay equity fund shall be used to increase
15 compensation and/or benefits for employees, administrators, owner-ope-
16 rators, who are not in a direct caregiving role with children; and

17 (c) All remaining moneys awarded to a program from the permanent child
18 care workforce pay equity fund shall be used at program discretion to
19 support the workforce, expand program capacity, and improve program
20 quality.

21 4. The office of children and family services shall submit a report to
22 the governor and the legislature by January thirty-first, two thousand
23 twenty-six and annually thereafter detailing all expenditures awarded to
24 a program from the permanent child care workforce pay equity fund, and
25 the office's priorities for allocating funds from the permanent child
26 care workforce pay equity fund.

27 5. Within one year of the effective date of this section and annually
28 thereafter, the office of children and family services shall establish,
29 by regulation, a minimum compensation scale for the child care workforce
30 that is inclusive of all members of the workforce, not just those in
31 direct caregiving roles with children, and is structured to not inter-
32 fere with existing or future collective bargaining. Such compensation
33 scale shall seek to elevate wages of child care educators to parity with
34 those of similarly situated public school educators and shall be devel-
35 oped in consultation with the department of labor, the state education
36 department, unions representing child care workers and providers,
37 members of the child care advocacy community, and representatives of
38 child care programs of all modalities, from around the state. All
39 participants shall be permitted to review and comment on the draft mini-
40 imum compensation scale, which shall be published annually, no later than
41 December thirty-first in any given calendar year following the initial
42 report.

43 6. To be eligible to be awarded moneys from the permanent child care
44 workforce pay equity fund, a program must accept families paying for
45 child care by means of the New York child care assistance program. In
46 addition, upon implementation of the minimum compensation scale,
47 programs must agree to meet the minimum compensation requirements and
48 agree to reasonable reporting requirements regarding the use of such
49 funds.

50 7. The office of children and family services shall maintain a formula
51 for distributing funds to child care providers which shall give prefer-
52 ence to providers that serve: (i) high numbers of children receiving New
53 York child care assistance program subsidies; (ii) high numbers of high
54 needs children; and (iii) unique populations or that otherwise advance
55 the interest of the program as determined by the department.

1 Such formula for distributing funds shall consider: (i) licensed
2 capacity and enrollment including the ages of the children enrolled and
3 the ages of the children for whom the provider has capacity; provided,
4 however, that enrollment shall be measured by the department using quar-
5 terly enrollment averages or, if deemed appropriate by the department,
6 using enrollment averages that are measured less frequently than quar-
7 terly; (ii) costs associated with employee compensation, including sala-
8 ries and benefits; (iii) the number of enrolled children receiving New
9 York child care assistance program subsidies; (iv) the demographics and
10 income of families served, including the number of children enrolled and
11 identified as high needs; (v) the business structure of providers;
12 provided, however, that larger investor-owned providers shall be depri-
13 oritized and only eligible for funding if the commissioner of the office
14 of children and family services personally certifies eligibility for
15 such funds and is provided an assurance as to how such funds will be
16 used to support the child care workforce and that such funds will not
17 serve to enrich private for-profit investors; and (vi) any other factors
18 impacting the cost of providing quality early education and care includ-
19 ing, but not limited to, serving infants and toddlers, providing
20 nonstandard hours of care, and providing care in socially and econom-
21 ically disadvantaged and historically underrepresented communities with
22 shortages of early education and care slots. The office of children and
23 family services shall incorporate geographic equity into the development
24 of the formula and, to the best of their ability, calculate payments
25 such that all funds are distributed to eligible providers each year.

26 § 22. Section 153-k of the social services law is amended by adding a
27 new subdivision 13 to read as follows:

28 13. (a) The office of children and family services shall immediately
29 establish rules and regulations for the distribution of funds from the
30 permanent child care workforce pay equity fund.

31 (b) The office of children and family services shall establish and
32 make widely available a consolidated application for the permanent child
33 care workforce pay equity fund no later than one hundred eighty days
34 after the effective date of this subdivision. Eligibility for the first
35 round of payments from the permanent child care workforce pay equity
36 fund shall be determined within sixty days after the applications are
37 made available, with the first round of payments disbursed within thirty
38 days of eligibility determination. All providers and programs approved
39 for funds pursuant to this subdivision shall be provided payments at
40 least quarterly for so long as the program remains eligible or until
41 funds are exhausted. The office of children and family services shall
42 determine a simple process for programs to recertify eligibility for
43 such funds at an interval of no less than every twenty-four months.

44 § 23. The education law is amended by adding a new article 25 to read
45 as follows:

46 ARTICLE 25

47 UNIVERSAL CHILD CARE PUBLIC OPTION PILOT PROGRAM

48 Section 1220. Legislative findings.

49 1221. Universal child care public option pilot program.

50 1222. Administration.

51 1223. Selection of locations.

52 1224. Universal admissions.

53 1225. Pay parity for child care educators.

54 1226. Employee protections.

55 1227. Facilitated enrollment and assistance for applicants.

1 1228. Annual reporting.

2 § 1220. Legislative findings. New York state is currently facing a
3 child care crisis. Child care is unaffordable and unavailable for too
4 many New Yorkers, and the child care workforce has been historically
5 underpaid and undervalued. Moreover, there is a troubling lack of capac-
6 ity, with 3.4 children under the age of six years old for every one
7 child care slot available within the state. In order to address this
8 child care crisis, the Child Care Availability Task Force issued a
9 report in April two thousand twenty-four, subject to its mandate to
10 assist in "developing a framework leading to phased-in rollout of
11 universal child care". The final report advised that the state of New
12 York should "launch and evaluate a state-run child care assistance pilot
13 program" in order to address these significant gaps and move New York
14 state towards a system of truly universal and high-quality child care.
15 New York has one of the wealthiest economies in the world, and it is
16 more than capable of developing a system of universal child care that
17 provides high-quality programming, pays its educators wages at parity
18 with those of public school educators, and is free at the point of
19 service just like our public school system.

20 § 1221. Universal child care public option pilot program. The commis-
21 sioner and the commissioner of the office of children and family
22 services are hereby directed to jointly establish a universal child care
23 public option pilot program, within amounts appropriated therefor, in no
24 fewer than twenty locations throughout the state in accordance with the
25 provisions of this article.

26 § 1222. Administration. The universal child care public option pilot
27 program shall be jointly administered by the commissioner and the
28 commissioner of the office of children and family services. The commis-
29 sioner and the commissioner of the office of children and family
30 services shall hold a series of public hearings, consult with all
31 members of the universal child care taskforce established pursuant to
32 section three hundred ninety-k of the social services law, consult with
33 all unions that represent child care workers in New York state, and
34 jointly publish an implementation plan no later than December thirty-
35 first, two thousand twenty-five outlining a path to begin implementing
36 the pilot program established pursuant to this article in conjunction
37 with the two thousand twenty-five--two thousand twenty-six fiscal year
38 budget.

39 § 1223. Selection of locations. The commissioner and the commissioner
40 of the office of children and family services shall jointly select no
41 fewer than twenty locations throughout the state to establish new child
42 care programs. These locations shall be selected based on factors that
43 include, but are not limited to, the need for high-quality child care
44 and the lack of availability of high-quality child care in the region.
45 Existing child care providers who are financially struggling due to a
46 lack of state support, or who are capable of expanding their operations
47 to provide further high-quality care, shall be given the option of
48 opting in to participate in the universal child care public option pilot
49 program, provided that they can offer expanded high-quality care with
50 state supports under the program.

51 § 1224. Universal admissions. The universal child care public option
52 pilot program shall not discriminate in its admissions, and shall
53 provide child care regardless of age, race, creed, color, national
54 origin, citizenship or immigration status, sexual orientation, or gender
55 identity or expression, military status, sex, disability, predisposing

1 genetic characteristics, familial status, or marital status. There shall
2 be no means testing for admission, and care shall be provided free at
3 the point of service.

4 § 1225. Pay parity for child care educators. The universal child care
5 public option pilot program shall establish high quality pay for high
6 quality programming. The universal child care public option pilot
7 program shall pay staff adequate wages and benefits at parity with
8 public school teachers with similar experience and qualifications.

9 § 1226. Employee protections. Prior to submitting its implementation
10 plan, the commissioner and the commissioner of the office of children
11 and family services shall consult with all unions that represent child
12 care workers in New York state regarding matters of compensation and
13 representation, in order to ensure that the child care workforce
14 employed pursuant to the universal child care public option pilot
15 program is properly represented and can collectively bargain.

16 § 1227. Facilitated enrollment and assistance for applicants. In addi-
17 tion to establishing no fewer than twenty new universal child care
18 program locations, the universal child care public option pilot program
19 shall also assist in serving the needs of applicants that it is unable
20 to accommodate within the new locations that are to be established under
21 the pilot program. Once the new locations reach their maximum capacity,
22 the universal child care public option pilot program shall assist in
23 placing additional applicants, working in connection with existing child
24 care resource and referral agencies as well as existing facilitated
25 enrollment programs, at existing child care facilities, and shall
26 provide further financial assistance, subject to appropriations in the
27 annual budget.

28 § 1228. Annual reporting. In order to evaluate the implementation of
29 the universal child care public option pilot program, the commissioner
30 and the commissioner of the office of children and family services shall
31 jointly publish an annual report that includes, but is not limited to,
32 the number of children and families served by the program, the wages of
33 the workforce, the number of applicants for the pilot program, and areas
34 where further expansion of the pilot program or financial assistance
35 would be beneficial.

36 § 24. The sum of one billion two hundred million dollars
37 (\$1,200,000,000), or so much thereof as may be necessary, is hereby
38 appropriated to the office of children and family services out of any
39 moneys in the state treasury in the general fund to the credit of the
40 permanent child care workforce pay equity fund account not otherwise
41 appropriated for the purposes of carrying out the provisions of this
42 act. Such moneys shall be payable on the audit and warrant of the state
43 comptroller on vouchers certified or approved by the commissioner of
44 children and family services, or such commissioner's duly designated
45 representative in the manner provided by law.

46 § 25. This act shall take effect immediately; provided, however, that
47 if section one of part Y of chapter 56 of the laws of 2024 shall not
48 have taken effect on or before such date, then the amendments to subdi-
49 vision 11 of section 410-x of the social services law made by section
50 twelve of this act shall take effect on the same date and in the same
51 manner as such chapter of the laws of 2024 takes effect; provided,
52 further, that the amendments to section 153-k of the social services law
53 made by section twenty-two of this act shall not affect the repeal of
54 such section and shall be deemed repealed therewith.
