1 member is travelling from their primary residence directly to their
2 place of business, or to a different location where such member was
3 assigned to perform their duties.

4 § 5. The opening paragraph of subdivision a of section 607 of the
5 retirement and social security laws, as amended by chapter 253 of the
6 law of 2019, is amended to read as follows:

7 The eligible beneficiary of a member in service, or of a vested member
8 who dies as a result of a qualifying World Trade Center condition as
9 defined in section two of this chapter, shall be entitled to an acci-
10 dental death benefit in the form of a pension equal to fifty percent of
11 such member's wages earned during [~~his or her~~] their last year of actual
12 service or [~~his or her~~] their annual wage rate if [~~he or she was~~] they
13 were credited with less than one year of service since last becoming a
14 member, if, upon application filed within five years after the death of
15 the member, the head of the retirement system determines that such
16 member died before the effective date of retirement, as the natural and
17 proximate result of an accident not caused by [~~his or her~~] such member's
18 own willful negligence sustained in the performance of [~~his or her~~]
19 their duties in active service and while actually a member of the
20 retirement system. Notwithstanding any other provision of law to the
21 contrary, a member shall be considered to have died as the natural and
22 proximate result of an accident sustained in the performance of duty if
23 such member is travelling from their primary residence directly to their
24 place of business, or to a different location where such member was
25 assigned to perform their duties.

26 § 6. This act shall take effect immediately and shall be deemed to
27 have been in full force and effect on and after September 11, 2022.
