AN ACT to authorize Melissa Baker to receive certain service credit under a twenty year retirement plan

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,  
2 Melissa Baker, a member of the New York state and local police and fire  
3 retirement system covered under section 384-d of the retirement and  
4 social security law, who was employed as a police officer with the  
5 village of Blasdell between August 3, 2004 and August 14, 2005, and who,  
6 for reasons not ascribable to her own negligence, was not granted  
7 service credit under section 384-d of the retirement and social security  
8 law for such period of employment with the village of Blasdell, shall be  
9 granted such service credit under section 384-d of the retirement and  
10 social security law and shall be entitled to the full rights and bene-  
11 fits associated with coverage under such section as well as section  
12 384-e of such law, provided that a request to that effect is filed with  
13 the state comptroller within one year from the effective date of this  
14 act.

15 § 2. All past service costs incurred in implementing the provision of  
16 this act shall be borne by the village of Blasdell and may be amortized  
17 over a five-year period.

18 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would grant service credit under section 384-d, together with section 384-e, of the Retirement and Social Security Law (RSSL) to Melissa Baker, a Tier 2 member of the New York State and Local Police and Fire Retirement System employed by the Niagara Frontier Transportation Authority, for the period August 3, 2004 through August 14, 2005,

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

during which time they were employed as a police officer with the Village of Blasdell.

This bill will not increase the future annual contributions of the Niagara Frontier Transportation Authority.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$40,500 which will be borne by the Village of Blasdell as a one-time payment. This estimate assumes that payment will be made on February 1, 2026. If the Village of Blasdell elects to amortize this cost over a 5-year period, the cost for each year including interest would be \$9,060.
