bly, do enact as follows:

1 Section 1. Section 10 of the education law, as added by chapter 482  
2 of the laws of 2010, is amended to read as follows:

3 § 10. Legislative intent. The legislature finds that students' ability  
4 to learn and to meet high academic standards, and a school's ability to  
5 educate its students, are compromised by incidents of discrimination or  
6 harassment including bullying, taunting or intimidation. It is hereby  
7 declared to be the policy of the state to afford all students in public  
8 schools an environment free of discrimination and harassment, whether in  
9 the school building or on the internet. The purpose of this article is  
10 to foster civility in public schools and to prevent and prohibit conduct  
11 which is inconsistent with a school's educational mission.

12 § 2. Paragraphs e and l of subdivision 1 of section 13 of the educa-

10 5. [~~The commissioner shall prescribe~~] Prescribe regulations that

14 school counselor, school psychologist, school social worker, school  
15 administrator or supervisor or superintendent of schools shall, in addi-  
16 tion to all other certification or licensing requirements, have  
17 completed training on the social patterns of harassment, bullying and  
18 discrimination, as defined in section eleven of this article, including  
19 but not limited to those acts based on a person's actual or perceived  
20 race, color, weight, national origin, ethnic group, religion, religious  
21 practice, disability, sexual orientation, gender or sex, the identifica-  
22 tion and mitigation of harassment, bullying and discrimination, and  
23 strategies for effectively addressing problems of exclusion, bias and  
24 aggression in educational settings.

25 § 4. Section 15 of the education law, as amended by chapter 102 of the  
26 laws of 2012, is amended to read as follows:

27 § 15. Reporting by commissioner and use of reports. 1. The commis-  
28 sioner shall create a procedure under which material incidents of  
29 harassment, bullying and discrimination on school grounds or at a school  
30 function are reported to the department at least on an annual basis.  
31 Such procedure shall provide that such reports shall, wherever possible,  
32 also delineate the specific nature of such incidents of harassment,  
33 bullying and discrimination, provided that the commissioner may comply  
34 with the requirements of this section through use of the existing  
35 uniform violent incident reporting system. In addition, the department  
36 may conduct research or undertake studies to determine compliance  
37 throughout the state with the provisions of this article.

38 2. The commissioner shall use such reports and data to identify  
39 schools and districts that are failing to meet the standards and objec-  
40 tives of this article. The commissioner shall promulgate policies and  
41 procedures for improving conditions at these schools to ensure proper  
42 training, support, and compliance with all requirements.

43 3. The commissioner shall deliver the report referenced in subdivision  
44 one of this section to the legislature every two years.

45 § 5. The education law is amended by adding a new article 2-A to read  
46 as follows:

#### 47 ARTICLE 2-A

#### 48 STUDENT SUICIDE PREVENTION

#### 49 Section 20. Legislative intent.

#### 50 21. Definitions.

#### 51 22. Policies, procedures, and guidelines.

#### 52 23. Application.

#### 53 24. Severability and construction.

54 § 20. Legislative intent. The legislature finds and declares the  
55 following:

1 1. According to data from the federal centers for disease control and  
2 prevention as reported in the year two thousand sixteen, suicide is the  
3 second leading cause of death for youth and young adults ten to twenty-  
4 four years of age, inclusive, in both the United States and in New York  
5 state.

6 2. As children and teens spend a significant amount of their young  
7 lives in school, the personnel who interact with them on a daily basis  
8 are essential gatekeepers for recognizing warning signs of suicide and  
9 making the appropriate referrals for help.

10 3. In a national survey conducted by the Jason Foundation, a teacher  
11 was identified as the number one person to whom a student would turn to  
12 help a friend who might be suicidal. It is imperative that when a young  
13 person comes to a teacher for help, such teacher has the knowledge,  
14 tools, and resources to respond correctly.

15 4. In the year two thousand eighteen, the federal centers for disease  
16 control and prevention found in its Youth Risk Behavior Survey that  
17 lesbian, gay, and bisexual youth are almost four times more likely to  
18 seriously consider attempting suicide, have made a suicide plan, or have  
19 attempted suicide, than their heterosexual peers.

20 5. There are national hotlines available to help adults and youth,  
21 including lesbian, gay, bisexual, transgender, queer, or questioning  
22 (LGBTQ) youth, who are experiencing suicidal ideation or who are worried  
23 about a family member or peer who may be at risk, including the National  
24 Suicide Prevention Lifeline, the Crisis Text Line, the Trevor Project  
25 Lifeline, and TrevorChat.

26 6. According to the Family Acceptance Project, research has found  
27 that, for an LGBTQ youth, having at least one supportive adult can  
28 reduce the youth's risk of suicide.

29 7. New York state schools face the serious issues of students at high  
30 risk of suicide and death by suicide in the school communities. School  
31 personnel must be supported by clear policies and procedures, which  
32 serve as an easily-accessible roadmap, eliminate confusion over educator  
33 roles and the referral process, and equip educators with the tools to  
34 respond safely when a suicide does occur in the school community.

35 § 21. Definitions. For the purposes of this article, the following  
36 terms shall have the following meanings:

37 1. "Crisis situation" means a situation where a teacher or other local
