2025-2026 Regular Sessions

IN SENATE

February 24, 2025

Introduced by Sens. HINCHEY, CLEARE, HOYLMAN-SIGAL, SEPULVEDA -- read twice and ordered printed, and when printed to be committed to the Committee on Higher Education

AN ACT to amend the education law, the insurance law and the public health law, in relation to providing for dispensing emergency contraception under certain conditions

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "unintended pregnancy prevention act".

3 § 2. Legislative findings. The United States Food and Drug Adminis-
4 tration (FDA) has declared emergency contraceptive drugs to be safe and
5 effective. There is neither medical nor public health research that
6 validates an age restriction on access to emergency contraception (EC).
7 Furthermore, no specific medical conditions preclude a woman from using
8 EC. The only contraindication to EC use is pregnancy itself, not because
9 it represents a danger to the woman or to the embryo but because it
10 would be inefficient in preventing the pregnancy. Pregnancy prevention,
11 not abortion, is caused by the use of emergency contraceptive drugs.

12 The legislature deems it necessary to guarantee immediate access to EC
13 to all, especially young women. Nearly thirty percent of United States
14 teenage girls become pregnant before reaching twenty years of age. Teens
15 are more likely than adults to experience contraceptive failure, which
16 may lead to unintended pregnancies and consequently dangerous medical
17 issues for both mother and baby.

18 The legislature deems it necessary to create a structure for simplify-
19 ing access to EC for these women, while respecting and preserving the
20 prescribing scope of practice for physicians, nurse practitioners, and
21 midwives; the treating and case-finding scope of practice of registered
22 professional nurses; and the dispensing scope of practice of pharma-
23 cists. This act does not alter the scope of such professions, nor does

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
