AN ACT authorizing the village of Port Chester to offer an optional twenty-year retirement plan to a certain police officer employed by such village

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,  
2 Michael Sprague, a member of the New York state and local police and  
3 fire retirement system, who was appointed as a police officer with the  
4 village of Port Chester on January 7, 2013, and who, through no fault of  
5 his own, failed to file a timely application to participate in the  
6 special twenty-year retirement plan contained in section 384-d of the  
7 retirement and social security law resulting in the crediting of his  
8 service with the village of Port Chester in the general retirement plan  
9 contained in section 375-i of such law, shall be given full credit in  
10 the special twenty-year retirement plan for such service upon the  
11 election of the village of Port Chester to assume the additional cost of  
12 such service. Thereafter, Michael Sprague may elect to be covered by  
13 the provisions of section 384-d of the retirement and social security  
14 law and shall be entitled to the full rights and benefits associated  
15 with coverage under such section, by filing a request to the effect with  
16 the state comptroller within one year of the effective date of this act.

17 § 2. All employer past service costs associated with implementing the  
18 provisions of this act shall be borne by the village of Port Chester and  
19 may be amortized over a ten-year period.

20 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow the Village of Port Chester to reopen the provisions of section 384-d of the Retirement and Social Security Law for police officer Michael Sprague.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD06920-02-5

If this bill is enacted during the 2025 Legislative Session, we anticipate that there will be an increase of approximately \$21,000 in the annual contributions of the Village of Port Chester for the fiscal year ending March 31, 2026. In future years this cost will vary as the billing rates and salary of Michael Sprague change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$345,000 which will be borne by the Village of Port Chester as a one-time payment. This estimate assumes that payment will be made on February 1, 2026. If the Village of Port Chester elects to amortize this cost over a 10-year period, the cost for the first year including interest would be \$44,100.
