February 28, 2025

Introduced by Sen. SKOUFIS -- read twice and ordered printed, and when printed to be committed to the Committee on Civil Service and Pensions

AN ACT to amend the retirement and social security law, in relation to providing certain death benefits to correction officers, correction officer-sergeants, correction officer-captains, assistant wardens, associate wardens or wardens employed by Orange county

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The retirement and social security law is amended by adding
2 a new section 606-d to read as follows:

3 § 606-d. Death benefits for correction officers employed by Orange
4 county. a. As used in this section, the term "correction officer" shall
5 mean a person employed by the Orange county correction department with a
6 title of correction officer, correction officer-sergeant, correction
7 officer-captain, assistant warden, associate warden or warden.

8 b. Notwithstanding any provision of law to the contrary, where a
9 correction officer would have been entitled to a service retirement
10 benefit at the time of their death and where their death occurs on or
11 after the effective date of the chapter of the laws of two thousand
12 twenty-five that added this section, the beneficiary or beneficiaries
13 may elect to receive, in a lump sum, an amount payable which shall be
14 equal to the pension reserve that would have been established had the
15 member retired on the date of such member's death, or the value of the
16 death benefit and the reserve-for-increased-take-home-pay, if any,
17 whichever is greater.

18 § 2. All past service costs associated with implementing the
19 provisions of this act shall be borne by the county of Orange and may be
20 amortized over a period of ten years.

21 § 3. Notwithstanding any other provision of law to the contrary, none
22 of the provisions of this act shall be subject to the appropriation
23 requirement of section 25 of the retirement and social security law.

LBD00684-02-5

1 § 4. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would modify the in-service death benefit for retirement eligible members of the New York State and Local Employees' Retirement System who are employed by Orange County in certain correction officer titles. The in-service death benefit will be the value of the pension reserve as if the member had retired on their date of death.

If this bill is enacted during the 2025 Legislative Session, we anticipate that there will be an increase of approximately \$42,000 in the annual contributions of Orange County for the fiscal year ending March 31, 2026. In future years this cost will vary but is expected to average 0.1% of salary annually.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$324,000 which will be borne by Orange County as a one-time payment. This estimate assumes that payment will be made on February 1, 2026. If Orange County elects to amortize this cost over a 10-year period, the cost for each year including interest would be \$41,400.

These estimated costs are based on 305 affected members employed by Orange County, with annual salary of approximately \$33.7 million as of March 31, 2024.
