Introduced by Sen. SEPULVEDA -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications

AN ACT to amend the public authorities law, in relation to requiring the power authority of the state of New York to build at least one electric level three fast charging station for every five thousand New York state residents by December thirty-first, two thousand twenty-seven

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 9-a of section 1005 of the public authorities  
2 law, as added by chapter 86 of the laws of 2025, is amended to read as  
3 follows:  
4 9-a. [~~As deemed feasible and advisable by the trustees, to~~] To design,  
5 finance, develop, construct, install, lease, operate and maintain elec-  
6 tric vehicle charging stations throughout the state for use by the  
7 public. Such electric vehicle charging stations shall include at least  
8 one space that is large enough to accommodate wheelchair accessible  
9 electric vehicles, including but not limited to, vans and minivans. On  
10 or before December thirty-first, two thousand twenty-seven, the authori-  
11 ty shall construct, and maintain thereafter, at least one level three  
12 fast charging station for every five thousand New York state residents.  
13 The distribution of such level three fast charging stations shall be  
14 spread throughout the state at the county level, so that each county  
15 shall receive one level three charging station for every five thousand  
16 New York state residents located therein. Siting of charging stations  
17 shall be prioritized in high traffic areas including, but not limited  
18 to, highway exits, transit hubs, municipal or town centers, or any other  
19 widely accessible location the authority deems appropriate. The  
20 construction and development of such electric vehicle charging stations  
21 shall comply with the provisions of article eight of the labor law,
