2. Where there have been three or more good faith complaints, by or on behalf of the tenant, to the department of any health or safety law, regulation, code or ordinance, or any law of regulation which has as its objective the regulation of premises used for dwelling purposes within a period of one hundred twenty days and the conditions have not been remedied and are not in the process of being remedied the department shall notify the tenants and the department of buildings of the failure to repair.

Upon the consensus of more than fifty percent of the tenants, an action shall be commenced by the city to compel the person or entity required to maintain the property to undertake repairs and if necessary to cease and desist from removing and destroying structural, mechanical and electrical systems necessary for the delivery of essential services, including appliances, to the tenants.

5. The department shall assess and prepare a list of repairs, improvements, replacements and treatment measures to be taken by the person or entity required to maintain the property.

6. The department shall assign a community based housing development corporation to manage the repairs.

Should the repairs, improvements or replacements require relocation of the tenant the person or entity required to maintain the property must, at the tenant's option, either relocate the tenant to a comparable housing accommodation in a closely proximate area that is the same or lower rent or compensate the tenant in an amount necessary to cover their costs of relocation for the duration of the repair.

10. The department shall create an "imminent danger" list of properties for which more than five complaints have been filed during the course of any given calendar year. Said list shall be available on the department's website.

11. This section shall not preempt, reduce or limit any rights or obligations imposed by any state or local laws with respect to property maintenance and a locality's ability to enforce those laws or a tenant's right to be restored to the vacated premises.

§ 2. This act shall take effect immediately.
