AN ACT to amend the public health law and the education law, in relation to authorizing certain camp employees to administer medications and treatment to children under certain circumstances

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 1394 of the public health law is amended by adding  
2 a new subdivision 10 to read as follows:

3 10. Each children's overnight, summer day, or traveling summer day  
4 camp, may permit employees of such camp who are eighteen years of age or  
5 older to administer, with specific authorization and consent from a  
6 child's parent or guardian, over-the-counter medications pursuant to a  
7 patient-specific order issued by the camp health director or a physi-  
8 cian, nurse practitioner, or physician assistant employed or contracted  
9 with the camp to provide health services or the child's healthcare  
10 professional, within their lawful scope of practice, including but not  
11 limited to for the purposes of pain relief or the treatment of anaphy-  
12 laxis and motion sickness or prescription medications for the treatment  
13 of emergency conditions including but not limited to asthma, anaphylax-  
14 is, and oral or nasal spray seizure medications. Such medications shall  
15 be approved by the commissioner and administered pursuant to section  
16 sixty-nine hundred eight of the education law and in accordance with the

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD00934-08-6

1 rules and regulations promulgated by the commissioner, in consultation  
2 with the commissioner of education.

3 § 2. Paragraph a of subdivision 1 of section 6908 of the education law  
4 is amended by adding a new subparagraph (vi) to read as follows:

5 (vi) the administration of medications or treatment by employees of a  
6 children's overnight camp, summer day camp and traveling summer day camp  
7 where such employees are eighteen years of age or older and have been  
8 given specific authorization by the camp's health director, including  
9 via audio or video communications, to administer such medications or  
10 treatments to a specific child, are acting under the direction and  
11 authority of a parent of a child, legal guardian, legal custodian, or an  
12 adult in whose care a child has been entrusted and who have been author-  
13 ized by the parent or guardian to consent to health care for the child  
14 and in compliance with regulations promulgated by the department of  
15 health pertaining to the administration of medications and treatment;

16 § 3. This act shall take effect on the one hundred eightieth day after  
17 it shall have become a law.
