AN ACT to amend the retirement and social security law, in relation to providing a lung disease presumption for correction officers, correction supervisors, deputy sheriff patrol or deputy sheriff patrol supervisors

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The retirement and social security law is amended by adding  
2 a new section 63-j to read as follows:

3 § 63-j. Disability benefits; certain disabilities. Notwithstanding any  
4 provision of this chapter or of any general, special or local law to the  
5 contrary, any member who is a correction officer, correction supervisor,  
6 deputy sheriff patrol or deputy sheriff patrol supervisor who is a  
7 member of the New York state and local employees' retirement system and  
8 contracts any condition of impairment of health caused by diseases of  
9 the lung, resulting in disability or death to such correction officer,

11 supervisor, presently employed, and who shall have sustained such disa-  
12 bility while so employed, shall be presumptive evidence that such disa-

15 proved by competent evidence; provided, however, that prior to entry  
16 into service, such correction officer, correction supervisor, deputy  
17 sheriff patrol or deputy sheriff patrol supervisor successfully passed a  
18 physical examination which failed to disclose evidence of any disease or

the contrary, any member who is a correction officer, correction supervisor, deputy sheriff patrol or deputy sheriff patrol supervisor who is a member of the New York state and local employees' retirement system and contracts any condition of impairment of health caused by diseases of the lung, resulting in disability or death to such correction officer, correction supervisor, deputy sheriff patrol or deputy sheriff patrol supervisor, presently employed, and who shall have sustained such disability while so employed, shall be presumptive evidence that such disability was incurred in the performance and discharge of duty and the natural and proximate result of an accident, unless the contrary be proved by competent evidence; provided, however, that prior to entry into service, such correction officer, correction supervisor, deputy sheriff patrol or deputy sheriff patrol supervisor successfully passed a physical examination which failed to disclose evidence of any disease or other impairment of the lung.

§ 3. Notwithstanding any other provision of law to the contrary, none of the provisions of this act shall be subject to section 25 of the retirement and social security law.

§ 4. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would add Sections 63-j and 605-h of the Retirement and Social Security Law (RSSL) to provide an accidental disability presumption to certain members of the New York State and Local Employees' Retirement System (NYSLERS) employed as correction officers, correction supervisors, deputy sheriff patrol, or deputy sheriff patrol supervisors who contract any condition of impairment of health caused by diseases of the lung, resulting in disability or death. For members in Tiers 1 and 2, the annual benefit would be 3/4 of final average salary (FAS) less Workers' Compensation. For members in Tiers 3-6 who are covered under the provisions of Article 14-B of the RSSL, the annual benefit would be 2/3 of FAS less Workers' Compensation. For all other affected members in Tiers 3-6, the annual benefit would be 1/3 of FAS.

The provisions of Section 25 of the RSSL shall not apply.

Insofar as this bill affects NYSLERS, if this legislation is enacted during the 2025 Legislative Session, it would likely lead to more disabilities being classified as "accidental." The cost of the revised benefit will depend upon the applicant's age, service, salary, plan, and any benefit type otherwise payable, but is expected to average:

Benefit prior to enactment	None	Ordinary Disab.	Perf. of Duty	Service Retirement	Ordinary Death
NYSLERS cost of proposal:	10 times salary	5.5 times salary	3 times salary	2 times salary	4.5 times salary

Further, we anticipate that there could be some administrative costs to implement the provisions of this legislation.

The number of members who could be affected by this legislation cannot be readily determined. All costs arising from this bill would be shared by the State of New York and all the participating employers in the NYSLERS.
