1 Section 1. Notwithstanding any other provision of law to the contrary,
2 Brian Studley, who is currently employed with the New York state univer-
3 sity police department at SUNY Fredonia and who is currently a member of

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

LBD09330-02-5

This bill would deem Brian Studley, a State University police officer currently employed by the State University of New York at Fredonia, to have become a member of the New York State and Local Police and Fire Retirement System, covered under the provisions of section 383-d of the Retirement and Social Security Law (RSSL), effective December 19, 2015. Brian Studley is currently a member of the New York State and Local Employees' Retirement System and is covered under the provisions of Article 15 of the RSSL.

If this bill is enacted during the 2025 Legislative Session, we anticipate that there will be an increase of approximately \$18,000 in the annual contributions of the State of New York for the fiscal year ending March 31, 2026. In future years this cost will vary as the billing rates and salary of Brian Studley change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$76,200 which will be borne by the State of New York as a one-time payment. This estimate assumes that payment will be made on March 1, 2026.
