47 § 3. This act shall take effect July 1, 2025.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would amend both the General Municipal Law and the Retirement and Social Security Law to increase the salary used in the computation of the special accidental death benefit by three percent in cases where the date of death was before calendar year 2025.

Insofar as this bill affects the New York State and Local Police and Fire Retirement System (NYSLPFRS), the increased costs would be shared by the State of New York and the local participating employers in NYSLPFRS. If this bill were enacted during the 2025 Legislative Session,

the increase in the present value of benefits would be approximately \$9.11 million.

NYSLPFRS	Increase in present value of benefits	Increase in required contributions
Pensioners	\$ 9.1 mn	\$ 0.0 mn
Actives Tiers 1-5 (Closed)	\$ 0.0 mn	\$ 3.7 mn
Actives Tier 6 (Open)	\$ 0.0 mn	\$ 5.4 mn
Total	\$ 9.1 mn	\$ 9.1 mn

In NYSLPFRS, this benefit improvement will be funded by increasing the billing rates charged annually to cover both retrospective and prospective benefit increases. The annual contribution required of all participating employers in NYSLPFRS is 0.02% of billable salary, or approximately \$170,000 to the State of New York and \$750,000 to local participating employers. This permanent annual cost will vary in subsequent billing cycles with changes in the billing rate and salary of the members in NYSLPFRS.
