AN ACT to authorize the county of Monroe to offer an optional twenty year retirement plan to Christopher R. Fay, a captain employed by such county

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,
2 the county of Monroe, a participating employer in the New York state
3 employees' retirement system, which has elected to offer the optional
4 twenty year retirement plan, established pursuant to article 14-B of the
5 retirement and social security law, to captains employed by such county,
6 is hereby authorized to make participation in such plan available to
7 Christopher R. Fay, a captain employed by the county of Monroe with a
8 start date of August 26, 1991, who, for reasons not ascribable to his
9 own negligence, failed to make a timely application to participate in
10 such optional twenty year plan contained in article 14-B of the retire-
11 ment and social security law. The county of Monroe may so elect by
12 filing with the state comptroller, on or before 180 days after this act
13 shall have become a law, a resolution of its governing body together
14 with certification that such captain did not bar themselves from partic-
15 ipation in the retirement plan as a result of their own negligence.
16 Thereafter, such captain may individually elect to be covered by the
17 provisions of sections 552 and 553 of the retirement and social security
18 law, and the retirement system shall credit service from August 26, 1991
19 to present under sections 552 and 553 of the retirement and social secu-
20 rity law. Such member may effectuate by filing an election with the
21 retirement system within one year of the effective date of this act.

22 § 2. All employer past service costs associated with implementing the

1 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow Christopher R. Fay, a current member of the New York State and Local Employees' Retirement System employed as a captain by Monroe County and covered under the 25-year retirement plan of §89-p of the Retirement and Social Security Law (RSSL), to elect to be covered under the 20-year plan of §552 and §553 of the RSSL.

If this bill is enacted during the 2025 Legislative Session, we anticipate that there will be an increase of approximately \$14,000 in the annual contributions of Monroe County for the fiscal year ending March 31, 2026. In future years this cost will vary as the billing rates and salary of Christopher R. Fay change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$153,000 which will be borne by Monroe County as a one-time payment. This estimate assumes that payment will be made on February 1, 2026. If Monroe County elects to amortize this cost over a five-year period, the cost for each year including interest would be \$34,200.
