AN ACT in relation to granting retroactive tier IV membership in the New York state and local employees' retirement system to Karen Siegel

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,  
2 Karen Siegel, a tier VI member of the New York state and local employ-  
3 ees' retirement system employed by the South Orangetown Central School  
4 District and who was previously employed as a full-time employee at High  
5 Tor State Park from June 28, 1992 through September 6, 1993 and who,  
6 through no fault of her own, did not become a member of the New York  
7 state and local employees' retirement system on June 28, 1992 when she  
8 became eligible for membership in such system, shall be deemed to have a  
9 date of membership with the New York state and local employees' retire-  
10 ment system of June 28, 1992 if she shall file an application therefor  
11 with the state comptroller within one year of the effective date of this  
12 act. Upon the receipt of such application, Karen Siegel shall be granted  
13 tier IV status in the New York state and local employees' retirement  
14 system and shall be eligible for all the rights and benefits thereof.

15 § 2. All past service costs of implementing the provisions of this act  
16 shall be borne by South Orangetown Central School District, and there  
17 shall be no refund of member contributions to Karen Siegel.

18 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would provide Karen Siegel with a date of membership of June 28, 1992, their date of first employment with the Palisades Interstate Park Commission, resulting in Tier 4 status in the New York State and Local Employees' Retirement System. Karen Siegel is currently a Tier 6 member employed by the South Orangetown Central School District. There will be no refund of member contributions.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD09190-02-5

If this bill is enacted during the 2025 Legislative Session, we anticipate that there will be an increase of approximately \$5,300 in the annual contributions of the South Orangetown Central School District for the fiscal year ending March 31, 2026. In future years this cost will vary as the billing rates and salary of Karen Siegel change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$26,400 which will be borne by the South Orangetown Central School District as a one-time payment. This estimate assumes that payment will be made on February 1, 2026.
