Introduced by Sen. CLEARE -- read twice and ordered printed, and when printed to be committed to the Committee on Housing, Construction and Community Development

AN ACT to direct the division of housing and community renewal to study state and locally aided housing programs and make recommendations for the preservation, modernization and increase in the supply of such housing; to amend the private housing finance law, in relation to providing a moratorium on the voluntary dissolution of limited profit, limited dividend and redevelopment housing companies; and providing for the repeal of certain provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. New York state and its localities have  
2 invested for more than a half century in the creation of low and middle  
3 income housing to benefit those most in need and to the general benefit  
4 of state and local economies. In many cases such housing has fallen into  
5 disrepair or is being lost as affordable housing due to statutory  
6 provisions allowing owners to dissolve housing companies. The unmet need  
7 for affordable housing is presently greater than at any time in the  
8 state's history. A temporary moratorium on the dissolution of any hous-  
9 ing company is necessary for the division of housing and community  
10 renewal to complete its work and make recommendations.

11 § 2. The division of housing and community renewal shall undertake a  
12 comprehensive study of the present status of state and locally aided low  
13 and middle income housing programs and make recommendations with respect  
14 to the preservation, modernization and expansion of the number of hous-  
15 ing units provided by such programs. Such recommendations shall include,  
16 but not be limited to, methods that may be employed by state and local  
17 governments to retain and expand the existing inventory of state and  
18 locally aided low and middle income housing so as to preserve such

9 community renewal shall be entitled to request and receive and shall
