Introduced by Sen. WEIK -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT in relation to prohibiting the administration of COVID-19 mRNA vaccinations

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Notwithstanding any other provision of law to the contrary, the administration of COVID-19 mRNA vaccinations is prohibited until the department of health analyzes any existing data and concludes that the benefits of such vaccine outweigh the risks.

§ 2. The department of health shall conduct a study and make recommendations on the benefits and risks of the administration of COVID-19 mRNA vaccinations. Such analysis shall include, but not be limited to, a self-controlled case series which shall be completed within one year of the effective date of this act. Only after the conclusion of such analysis the department determines that the administration of COVID-19 mRNA vaccinations are safe may the use of such vaccine continue.

§ 3. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
