45 replacement part for the vehicle receiving such recycled inflatable
46 restraint system;

47 (f) that all of the requirements of the inspection as prescribed in
48 subdivision three of this section have been met; and

49 (g) that the vehicle identification number of the vehicle from which
50 the recycled inflatable restraint system was taken was referred to a
51 nationally recognized theft index bureau approved by the commissioner,
52 in consultation with the superintendent of financial services, for the
53 purposes of determining prior to sale or offering for sale that neither
54 the recycled inflatable restraint system nor the motor vehicle from

10 said agent or police officer to examine them.

11 § 3. This act shall take effect on the one hundred eightieth day after
