33 purposes of this section, any early mail ballot received by the board of  
34 elections by mail that does not bear or display a dated postmark shall

38 section, an early mail ballot shall be deemed to be received by the  
39 board of elections before the close of the polls on election day if it  
40 is deposited in a ballot drop box before the close of polls on election  
41 day. Ballots received in accordance with this section shall be deemed  
42 timely and the failure of a board of elections to time stamp such  
43 ballots received in this manner on or before election day shall not  
44 prohibit the canvassing of such ballots. At the close of the polls on
