FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would provide an increase in the defined benefit cost-of-living adjustment (COLA) for New York public retirement systems. Starting with the September 2025 payment, COLA will be payable to pensioners who have attained age fifty-five and retired for at least 5 years.

Insofar as this bill affects the New York State and Local Employees' Retirement System (NYSLERS), the increased costs would be shared by the State of New York and the local participating employers in NYSLERS. If this bill were enacted during the 2025 Legislative Session, the increase in the present value of benefits would be approximately \$599 million.

In NYSLERS, this benefit improvement will be funded by (1) billing a past service cost to cover retrospective benefit increases and (2) increasing the billing rates charged annually to cover prospective benefit increases, as follows:

(1) To fund retrospective costs, pursuant to Section 25 of the Retirement and Social Security Law, the State of New York will be required to pay \$373 million as of March 1, 2026.

(2) To fund prospective costs, the annual contribution required of all participating employers in NYSLERS is 0.09% of billable salary, or approximately \$12 million to the State of New York and approximately \$18 million to the local participating employers. This permanent annual cost will vary in subsequent billing cycles with changes in the billing rate and salary of the affected members.

This proposal primarily benefits current and former members of Tiers 1 - 5. The cost of this benefit improvement will primarily be borne by current and future members of Tier 6.

Insofar as this bill affects the New York State and Local Police and Fire Retirement System (NYSLPFRS), the increased costs would be shared by the State of New York and the local participating employers in NYSLPFRS. If this bill were enacted during the 2025 Legislative Session, the increase in the present value of benefits would be approximately \$126 million.

NYSLPFRS	Increase in present value of benefits	Increase in required contributions
Pensioners	\$ 55 mn	\$ 0 mn
Actives Tiers 1-5 (Closed)	\$ 43 mn	\$ 51 mn
Actives Tier 6 (Open)	\$ 28 mn	\$ 75 mn
Total	\$126 mn	\$126 mn

In NYSLPFRS, this benefit improvement will be funded by increasing the billing rates charged annually to cover both retrospective and prospective benefit increases. The annual contribution required of all participating employers in NYSLPFRS is 0.2% of billable salary, or approximately \$1.7 million to the State of New York and approximately \$7.5 million to the local participating employers. This permanent annual cost will vary in subsequent billing cycles with changes in the billing rate and salary of the affected members.
