payments for all hourly home care services provided through private duty nursing, including but not limited to nursing services, provided to patients eligible for medical assistance under this title made by organizations operating in accordance with the provisions of article forty-four of the public health law or by health maintenance organizations organized and operating in accordance with article forty-three of the insurance law shall, at a minimum, be the rates of payment that would be paid for such patients pursuant to subdivision eleven of section thirty-six hundred fourteen of the public health law.

§ 3. Effective October 1, 2026, payments for private duty nursing services shall be no less than eighty percent of the appropriate CHAMPUS/TRICARE maximum allowable charge based on the New York locality. For purposes of implementation, the appropriate CHAMPUS/TRICARE maximum allowable charge shall be the CHAMPUS/TRICARE maximum allowable charge in effect as of April 1 of the state fiscal year in which the services are rendered. The department of health shall publish a private duty rate schedule at least thirty days prior to the effective date of such increase and annually thereafter.

§ 4. This act shall take effect immediately; provided, however, that the amendments to section 364-j of the social services law made by section two of this act shall not affect the repeal of such section and shall be deemed repealed therewith.
