47 finance law or any provision of law to the
48 contrary, subject to federal approval,
49 department of health state funds medicaid

1 spending, excluding payments for medical
2 services provided at state facilities

4 the office for people with developmental
5 disabilities and the office of addiction
6 services and supports and further exclud-
7 ing any payments which are not appropri-
8 ated within the department of health, in
9 the aggregate, for the period April 1,
10 2025 through March 31, 2026, shall not
11 exceed \$33,417,285,000 except as provided
12 below provided, however, such aggregate
13 limits may be adjusted by the director of
14 the budget to account for any changes in
15 the New York state federal medical assist-
16 ance percentage amount established pursu-
17 ant to the federal social security act,
18 increases in provider revenues, reductions
19 in local social services district payments
20 for medical assistance administration,
21 minimum wage increases, and beginning
22 April 1, 2012 the operational costs of the
23 New York state medical indemnity fund,
24 pursuant to chapter 59 of the laws of
25 2011, and state costs or savings from the
26 essential plan program. Such projections
27 may be adjusted by the director of the
28 budget to account for increased or expe-
29 dited department of health state funds
30 medicaid expenditures as a result of a
31 natural or other type of disaster, includ-
32 ing a governmental declaration of emergen-
33 cy.

34 The director of the budget, in consultation
35 with the commissioner of health, shall
36 assess on a quarterly basis known and
37 projected medicaid expenditures by catego-
38 ry of service and by geographic region, as
39 defined by the commissioner, incurred both
40 prior to and subsequent to such assessment
41 for each such period, and if the director
42 of the budget determines that such expend-
43 itures are expected to cause medicaid
44 spending for such period to exceed the
45 aggregate limit specified herein for such
46 period, the state medicaid director, in
47 consultation with the director of the
48 budget and the commissioner of health,
49 shall develop a medicaid savings allo-
50 cation adjustment to limit such spending
51 to the aggregate limit specified herein
52 for such period.

53 Such medicaid savings allocation adjustment
54 shall be designed, to reduce the expendi-
55 tures authorized by the appropriations
56 herein in compliance with the following

guidelines: (1) reductions shall be made in compliance with applicable federal law, including the provisions of the Patient Protection and Affordable Care Act, Public Law No. 111-148, and the Health Care and Education Reconciliation Act of 2010, Public Law No. 111-152 (collectively "Affordable Care Act") and any subsequent amendments thereto or regulations promulgated thereunder; (2) reductions shall be made in a manner that complies with the state medicaid plan approved by the federal centers for medicare and medicaid services, provided, however, that the commissioner of health is authorized to submit any state plan amendment or seek other federal approval, including waiver authority, to implement the provisions of the medicaid savings allocation adjustment that meets the other criteria set forth herein; (3) reductions shall be made in a manner that maximizes federal financial participation, to the extent practicable, including any federal financial participation that is available or is reasonably expected to become available, in the discretion of the commissioner, under the Affordable Care Act; (4) reductions shall be made uniformly among categories of services and geographic regions of the state, to the extent practicable, and shall be made uniformly within a category of service, to the extent practicable, except where the commissioner determines that there are sufficient grounds for non-uniformity, including but not limited to: the extent to which specific categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation adjustment; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant exper-

1 tise, in developing such medicaid savings
2 allocation adjustment, to the extent that
3 all or part of such adjustment, in the
4 discretion of the commissioner, is likely
5 to have a material impact on the overall
6 medicaid program, particular categories of
7 service or particular geographic regions
8 of the state.

9 (a) The commissioner shall post the medicaid
10 savings allocation adjustment on the
11 department of health's website and shall
12 provide written copies of such adjustment
13 to the chairs of the senate finance and
14 the assembly ways and means committees at
15 least 30 days before the date on which
16 implementation is expected to begin.

17 (b) The commissioner may revise the medicaid
18 savings allocation adjustment subsequent
19 to the provisions of notice and prior to
20 implementation but needs to provide a new
21 notice pursuant to subparagraph (i) of
22 this paragraph only if the commissioner
23 determines, in his or her discretion, that
24 such revisions materially alter the
25 adjustment.

26 Notwithstanding the provisions of paragraphs
27 (a) and (b) of this subdivision, the
28 commissioner need not seek the input
29 described in paragraph (a) of this subdivi-
30 sion or provide notice pursuant to para-
31 graph (b) of this subdivision if, in the
32 discretion of the commissioner, expedited
33 development and implementation of a medi-
34 caid savings allocation adjustment is
35 necessary due to a public health emergen-
36 cy.

37 For purposes of this section, a public
38 health emergency is defined as: (i) a
39 disaster, natural or otherwise, that
40 significantly increases the immediate need
41 for health care personnel in an area of
42 the state; (ii) an event or condition that
43 creates a widespread risk of exposure to a
44 serious communicable disease, or the
45 potential for such widespread risk of
46 exposure; or (iii) any other event or
47 condition determined by the commissioner
48 to constitute an imminent threat to public
49 health.

50 Nothing in this paragraph shall be deemed to
51 prevent all or part of such medicaid
52 savings allocation adjustment from taking
53 effect retroactively to the extent permit-
54 ted by the federal centers for medicare
55 and medicaid services.

1 In accordance with the medicaid savings
2 allocation adjustment, the commissioner of
3 the department of health shall reduce
4 department of health state funds medicaid
5 spending by the amount of the projected
6 overspending through, actions including,
7 but not limited to modifying or suspending
8 reimbursement methods, including but not
9 limited to all fees, premium levels and
10 rates of payment, notwithstanding any
11 provision of law that sets a specific
12 amount or methodology for any such
13 payments or rates of payment; modifying or
14 discontinuing medicaid program benefits;
15 seeking all necessary federal approvals,
16 including, but not limited to waivers,
17 waiver amendments; and suspending time
18 frames for notice, approval or certif-
19 ication of rate requirements, notwith-
20 standing any provision of law, rule or
21 regulation to the contrary, including but
22 not limited to sections 2807 and 3614 of
23 the public health law, section 18 of chap-
24 ter 2 of the laws of 1988, and 18 NYCRR
25 505.14(h).

26 The department of health shall prepare a
27 quarterly report that sets forth: (a)
28 known and projected department of health
29 medicaid expenditures as described in
30 subdivision (1) of this section, and
31 factors that could result in medicaid
32 disbursements for the relevant state
33 fiscal year to exceed the projected
34 department of health state funds disburse-
35 ments in the enacted budget financial plan
36 pursuant to subdivision 3 of section 23 of
37 the state finance law, including spending
38 increases or decreases due to: enrollment
39 fluctuations, rate changes, utilization
40 changes, MRT investments, and shift of
41 beneficiaries to managed care; and vari-
42 ations in offline medicaid payments; and
43 (b) the actions taken to implement any
44 medicaid savings allocation adjustment
45 implemented pursuant to subdivision (4) of
46 this section, including information
47 concerning the impact of such actions on
48 each category of service and each
49 geographic region of the state. Each such
50 quarterly report shall be provided to the
51 chairs of the senate finance and the
52 assembly ways and means committees and
53 shall be posted on the department of
54 health's website in a timely manner.

49 the medical assistance program associated
50 with any minimum wage increase that takes
51 effect during the timeframe of these
52 appropriations, pursuant to section 652 of
