Introduced by Sen. WEBB -- read twice and ordered printed, and when printed to be committed to the Committee on Civil Service and Pensions

AN ACT in relation to authorizing Kevin R. Noterfonzo to receive certain service credit under a twenty year retirement plan

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Notwithstanding any other provision of law to the contrary, Kevin R. Noterfonzo, a member of the New York state and local police and fire retirement system, who was appointed as a police officer with the Trumansburg Police Department, in the village of Trumansburg, county of Tompkins, on February 10, 2020, and who, through no fault of his own, was enrolled to participate in the retirement plan contained in section 375-i of the retirement and social security law, shall be given full credit in the special twenty year retirement plan contained in section 384-d of the retirement and social security law for such service upon the election of the village of Trumansburg to assume the additional cost of such service. The village of Trumansburg may so elect by filing with the state comptroller, no later than one year from the effective date of this act, a resolution of its local legislative body, together with certification that such police officer did not bar himself from participation in such retirement plan as a result of his own negligence. Thereafter, such police officer may elect to be covered by the provisions of section 384-d of the retirement and social security law, and shall be entitled to the full rights and benefits associated with coverage under such section, by filing a request to such effect with the state comptroller no later than one year from the effective date of this act.

§ 2. All past service costs associated with implementing the provisions of this act shall be borne by the village of Trumansburg, in the county of Tompkins.

§ 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD11329-02-5

This bill would allow the Village of Trumansburg to reopen the provisions of §384-d of the Retirement and Social Security Law (RSSL) for police officer Kevin Noterfonzo, who is currently covered under §375-i of the RSSL.

If this bill is enacted during the 2025 Legislative Session, we anticipate that there will be an increase of approximately $4,400 in the annual contributions of the Village of Trumansburg for the fiscal year ending March 31, 2026. In future years this cost will vary as the billing rates and salary of Kevin Noterfonzo change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately $14,800 which will be borne by the Village of Trumansburg as a one-time payment. This estimate assumes that payment will be made on February 1, 2026.
