Introduced by Sen. WEBB -- read twice and ordered printed, and when printed to be committed to the Committee on Civil Service and Pensions

AN ACT to authorize the county of Tompkins to offer an optional twenty year retirement plan to Bryan Jolly, a deputy sheriff employed by such county

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,
2 Bryan Jolly, a member of the optional twenty-five year retirement plan
3 for certain sheriffs, undersheriffs, deputy sheriffs and correction
4 officers pursuant to section 89-p of the retirement and social security
5 law, who was employed by Tompkins county as a deputy sheriff as of March
6 12, 2018, and who through no fault of his own, failed to file a timely
7 application to participate in the special twenty year retirement plan
8 contained in sections 552 and 553 of the retirement and social security
9 law at the time of his promotion to deputy sheriff resulting in the
10 crediting of his service with the county of Tompkins in the retirement
11 plan contained in section 89-p of such law, shall be given full credit
12 in the sections 552 and 553 twenty year retirement plan for such service
13 as a deputy sheriff upon the election of the county of Tompkins to
14 assume the additional cost of such service and his election to partic-
15 ipate in such plan. The county of Tompkins may so elect within one year
16 of the effective date of this act, by filing with the state comptroller
17 a resolution of its local legislative body together with certification
18 that such member did not bar himself from participation in such retire-
19 ment plan as a result of his own negligence.

20 § 2. Such deputy sheriff may elect to be covered by the provisions of
21 sections 552 and 553 of the retirement and social security law and shall
22 be entitled to the full rights and benefits associated with coverage
23 under such section by filing a request to that effect with the state
24 comptroller within eighteen months of the effective date of this act.

1 § 3. All employer past service costs associated with the implementa-
2 tion of this act shall be borne by Tompkins county, and may be amortized
3 over a period of five years.

4 § 4. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow Bryan Jolly, a current member of the New York State and Local Employees' Retirement System employed as a deputy sheriff by Tompkins County and covered under the 25-year retirement plan of §89-p of the Retirement and Social Security Law (RSSL), to elect to be covered under the 20-year plan of §552 and §553 of the RSSL.

If this bill is enacted during the 2025 Legislative Session, we anticipate that there will be an increase of approximately \$8,900 in the annual contributions of Tompkins County for the fiscal year ending March 31, 2026. In future years this cost will vary as the billing rates and salary of Bryan Jolly change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$69,300 which will be borne by Tompkins County as a one-time payment. This estimate assumes that payment will be made on February 1, 2026. If Tompkins County elects to amortize this cost over a five-year period, the cost for each year including interest would be \$15,500.
