2 or disabled persons, roadway geometry and equitable geographic distrib-  
3 ution.

4 2. No photo speed violation monitoring system shall be used in a  
5 village authorized to establish a demonstration program pursuant to this  
6 section unless (i) on the day it is to be used it has successfully  
7 passed a self-test of its functions; and (ii) it has undergone an annual  
8 calibration check performed pursuant to paragraph four of this subdivi-  
9 sion. The village shall install signs giving notice that a photo speed  
10 violation monitoring system is in use to be mounted on advance warning  
11 signs notifying motor vehicle operators of such upcoming speed zone  
12 and/or on speed limit signs applicable within such speed zone, in  
13 conformance with standards established in the MUTCD.

14 3. Operators of photo speed violation monitoring systems shall have  
15 completed training in the procedures for setting up, testing, and oper-  
16 ating such systems. Each such operator shall complete and sign a daily  
17 set-up log for each such system that the village operates that (i)  
18 states the date and time when, and the location where, the system was  
19 set up that day, and (ii) states that such operator successfully  
20 performed, and the system passed, the self-tests of such system before  
21 producing a recorded image that day. The village shall retain each such  
22 daily log until the later of the date on which the photo speed violation  
23 monitoring system to which it applies has been permanently removed from  
24 use or the final resolution of all cases involving notices of liability  
25 issued based on photographs, microphotographs, videotape or other  
26 recorded images produced by such system.

27 4. Each photo speed violation monitoring system shall undergo an annu-  
28 al calibration check performed by an independent calibration laboratory  
29 which shall issue a signed certificate of calibration. The village shall  
30 keep each such annual certificate of calibration on file until the final  
31 resolution of all cases involving a notice of liability issued during  
32 such year which were based on photographs, microphotographs, videotape  
33 or other recorded images produced by such photo speed violation monitor-  
34 ing system.

35 5. (i) Such demonstration programs shall utilize necessary technolo-  
36 gies to ensure, to the extent practicable, that photographs, microphoto-  
37 graphs, videotape or other recorded images produced by such photo speed  
38 violation monitoring systems shall not include images that identify the  
39 driver, the passengers, or the contents of the vehicle. Provided, howev-  
40 er, that no notice of liability issued pursuant to this section shall be  
41 dismissed solely because such a photograph, microphotograph, videotape  
42 or other recorded image allows for the identification of the driver, the  
43 passengers, or the contents of vehicles where the village shows that it  
44 made reasonable efforts to comply with the provisions of this paragraph  
45 in such case.

46 (ii) Photographs, microphotographs, videotape or any other recorded  
47 image from a photo speed violation monitoring system shall be for the  
48 exclusive use of the village for the purpose of the adjudication of  
49 liability imposed pursuant to this section and of the owner receiving a  
50 notice of liability pursuant to this section, and shall be destroyed by  
51 the village upon the final resolution of the notice of liability to  
52 which such photographs, microphotographs, videotape or other recorded  
53 images relate, or one year following the date of issuance of such notice  
54 of liability, whichever is later. Notwithstanding the provisions of any  
55 other law, rule or regulation to the contrary, photographs, microphoto-  
56 graphs, videotape or any other recorded image from a photo speed

1 violation monitoring system shall not be open to the public, nor subject  
2 to civil or criminal process or discovery, nor used by any court or  
3 administrative or adjudicatory body in any action or proceeding therein  
4 except that which is necessary for the adjudication of a notice of  
5 liability issued pursuant to this section, and no public entity or  
6 employee, officer or agent thereof shall disclose such information,  
7 except that such photographs, microphotographs, videotape or any other  
8 recorded images from such systems:

9 (A) shall be available for inspection and copying and use by the motor  
10 vehicle owner and operator for so long as such photographs, microphoto-  
11 graphs, videotape or other recorded images are required to be maintained  
12 or are maintained by such public entity, employee, officer or agent; and

13 (B) (1) shall be furnished when described in a search warrant issued  
14 by a court authorized to issue such a search warrant pursuant to article  
15 six hundred ninety of the criminal procedure law or a federal court  
16 authorized to issue such a search warrant under federal law, where such  
17 search warrant states that there is reasonable cause to believe such  
18 information constitutes evidence of, or tends to demonstrate that, a  
19 misdemeanor or felony offense was committed in this state or another  
20 state, or that a particular person participated in the commission of a  
21 misdemeanor or felony offense in this state or another state, provided,  
22 however, that if such offense was against the laws of another state, the  
23 court shall only issue a warrant if the conduct comprising such offense  
24 would, if occurring in this state, constitute a misdemeanor or felony  
25 against the laws of this state; and

26 (2) shall be furnished in response to a subpoena duces tecum signed by  
27 a judge of competent jurisdiction and issued pursuant to article six  
28 hundred ten of the criminal procedure law or a judge or magistrate of a  
29 federal court authorized to issue such a subpoena duces tecum under  
30 federal law, where the judge finds and the subpoena states that there is  
31 reasonable cause to believe such information is relevant and material to  
32 the prosecution, or the defense, or the investigation by an authorized  
33 law enforcement official, of the alleged commission of a misdemeanor or  
34 felony in this state or another state, provided, however, that if such  
35 offense was against the laws of another state, such judge or magistrate  
36 shall only issue such subpoena if the conduct comprising such offense  
37 would, if occurring in this state, constitute a misdemeanor or felony in  
38 this state; and

39 (3) may, if lawfully obtained pursuant to this clause and clause (A)  
40 of this subparagraph and otherwise admissible, be used in such criminal

43 program pursuant to subdivision (a) of this section, the owner of a  
44 vehicle shall be liable for a penalty imposed pursuant to this section  
45 if such vehicle was used or operated with the permission of the owner,

48 by information obtained from a photo speed violation monitoring system;  
49 provided however that no owner of a vehicle shall be liable for a penal-  
50 ty imposed pursuant to this section where the operator of such vehicle  
51 has been convicted of the underlying violation of subdivision (c) or (d)  
52 of section eleven hundred eighty of this article.

41 shall it be used for insurance purposes in the provision of motor vehi-  
42 cle insurance coverage.

43 (g) 1. A notice of liability shall be sent by first class mail to each  
44 person alleged to be liable as an owner for a violation of subdivision

10 admission of liability and that a default judgment may be entered there-  
11 on.

12 4. The notice of liability shall be prepared and mailed by the agency  
13 or agencies designated by the village authorized to implement a demon-

15 (h) If an owner of a vehicle receives a notice of liability pursuant

40 bureau pursuant to regulations that may be promulgated for such purpose.

41 2. Failure to comply with subparagraph (ii) of paragraph one of this  
42 subdivision shall render the owner liable for the penalty prescribed in  
43 this section.

54 (k) Nothing in this section shall be construed to limit the liability  
55 of an operator of a vehicle for any violation of subdivision (c) or (d)  
56 of section eleven hundred eighty of this article.
