1 subdivision (b), (d), (f) or (g) of section eleven hundred eighty of
2 this article during the following times: (A) on school days during
3 school hours and one hour before and one hour after the school day, and
4 (B) a period during student activities at the school and up to thirty
5 minutes immediately before and up to thirty minutes immediately after
6 such student activities. In selecting a school speed zone in which to
7 install and operate a photo speed violation monitoring system, the coun-
8 ty shall consider criteria including, but not limited to, the speed
9 data, crash history, and the roadway geometry applicable to such school
10 speed zone.

11 2. No photo speed violation monitoring system shall be used in a
12 school speed zone unless (i) on the day it is to be used it has success-
13 fully passed a self-test of its functions; and (ii) it has undergone an
14 annual calibration check performed pursuant to paragraph four of this
15 subdivision. The county shall install signs giving notice that a photo
16 speed violation monitoring system is in use to be mounted on advance
17 warning signs notifying motor vehicle operators of such upcoming school
18 speed zone and/or on speed limit signs applicable within such school
19 speed zone, in conformance with standards established in the MUTCD.

20 3. Operators of photo speed violation monitoring systems shall have
21 completed training in the procedures for setting up, testing, and oper-
22 ating such systems. Each such operator shall complete and sign a daily
23 set-up log for each such system that the operator operates that (i)
24 states the date and time when, and the location where, the system was
25 set up that day, and (ii) states that such operator successfully
26 performed, and the system passed, the self-tests of such system before
27 producing a recorded image that day. The county shall retain each such
28 daily log until the later of the date on which the photo speed violation
29 monitoring system to which it applies has been permanently removed from
30 use or the final resolution of all cases involving notices of liability
31 issued based on photographs, microphotographs, videotape or other
32 recorded images produced by such system.

33 4. Each photo speed violation monitoring system shall undergo an annu-
34 al calibration check performed by an independent calibration laboratory
35 which shall issue a signed certificate of calibration. The county shall
36 keep each such annual certificate of calibration on file until the final
37 resolution of all cases involving a notice of liability issued during
38 such year which were based on photographs, microphotographs, videotape
39 or other recorded images produced by such photo speed violation monitor-
40 ing system.

41 5. (i) Such demonstration program shall utilize necessary technologies
42 to ensure, to the extent practicable, that photographs, microphoto-
43 graphs, videotape or other recorded images produced by such photo speed
44 violation monitoring systems shall not include images that identify the
45 driver, the passengers, or the contents of the vehicle. Provided,
46 however, that no notice of liability issued pursuant to this section
47 shall be dismissed solely because such a photograph, microphotograph,
48 videotape or other recorded image allows for the identification of the
49 driver, the passengers, or the contents of vehicles where the county
50 shows that it made reasonable efforts to comply with the provisions of
51 this paragraph in such case.

52 (ii) Photographs, microphotographs, videotape or any other recorded
53 image from a photo speed violation monitoring system shall be for the
54 exclusive use of the county for the purpose of the adjudication of
55 liability imposed pursuant to this section and of the owner receiving a
56 notice of liability pursuant to this section, and shall be destroyed by

1 the county upon the final resolution of the notice of liability to which
2 such photographs, microphotographs, videotape or other recorded images
3 relate, or one year following the date of issuance of such notice of
4 liability, whichever is later. Notwithstanding the provisions of any
5 other law, rule or regulation to the contrary, photographs, microphoto-
6 graphs, videotape or any other recorded image from a photo speed
7 violation monitoring system shall not be open to the public, nor subject
8 to civil or criminal process or discovery, nor used by any court or
9 administrative or adjudicatory body in any action or proceeding therein
10 except that which is necessary for the adjudication of a notice of
11 liability issued pursuant to this section, and no public entity or
12 employee, officer or agent thereof shall disclose such information,
13 except that such photographs, microphotographs, videotape or any other
14 recorded images from such systems:

15 (A) shall be available for inspection and copying and use by the motor
16 vehicle owner and operator for so long as such photographs, microphoto-
17 graphs, videotape or other recorded images are required to be maintained
18 or are maintained by such public entity, employee, officer or agent; and

19 (B) (1) shall be furnished when described in a search warrant issued
20 by a court authorized to issue such a search warrant pursuant to article
21 six hundred ninety of the criminal procedure law or a federal court
22 authorized to issue such a search warrant under federal law, where such
23 search warrant states that there is reasonable cause to believe such
24 information constitutes evidence of, or tends to demonstrate that, a
25 misdemeanor or felony offense was committed in this state or another
26 state, or that a particular person participated in the commission of a
27 misdemeanor or felony offense in this state or another state, provided,
28 however, that if such offense was against the laws of another state, the
29 court shall only issue a warrant if the conduct comprising such offense
30 would, if occurring in this state, constitute a misdemeanor or felony
31 against the laws of this state; and

32 (2) shall be furnished in response to a subpoena duces tecum signed by
33 a judge of competent jurisdiction and issued pursuant to article six
34 hundred ten of the criminal procedure law or a judge or magistrate of a
35 federal court authorized to issue such a subpoena duces tecum under
36 federal law, where the judge finds and the subpoena states that there is
37 reasonable cause to believe such information is relevant and material to
38 the prosecution, or the defense, or the investigation by an authorized
39 law enforcement official, of the alleged commission of a misdemeanor or
40 felony in this state or another state, provided, however, that if such
41 offense was against the laws of another state, such judge or magistrate
42 shall only issue such subpoena if the conduct comprising such offense
43 would, if occurring in this state, constitute a misdemeanor or felony in
44 this state; and

45 (3) may, if lawfully obtained pursuant to this clause and clause (A)
46 of this subparagraph and otherwise admissible, be used in such criminal
47 action or proceeding.

48 (b) If the county of Oneida establishes a demonstration program pursu-
49 ant to subdivision (a) of this section, the owner of a vehicle shall be
50 liable for a penalty imposed pursuant to this section if such vehicle
51 was used or operated with the permission of the owner, express or
52 implied, within a school speed zone in violation of subdivision (c) or
53 during the times authorized pursuant to subdivision (a) of this section
54 in violation of subdivision (b), (d), (f) or (g) of section eleven
55 hundred eighty of this article, such vehicle was traveling at a speed of
56 more than ten miles per hour above the posted speed limit in effect

1 within such school speed zone, and such violation is evidenced by infor-
2 mation obtained from a photo speed violation monitoring system; provided
3 however that no owner of a vehicle shall be liable for a penalty imposed
4 pursuant to this section where the operator of such vehicle has been
5 convicted of the underlying violation of subdivision (b), (c), (d), (f)
6 or (g) of section eleven hundred eighty of this article.

7 (c) For purposes of this section, the following terms shall have the

26 the county of Oneida, or a facsimile thereof, based upon inspection of
27 photographs, microphotographs, videotape or other recorded images
28 produced by a photo speed violation monitoring system, shall be prima
29 facie evidence of the facts contained therein. Any photographs, micro-
30 photographs, videotape or other recorded images evidencing such a
31 violation shall include at least two date and time stamped images of the
32 rear of the motor vehicle that include the same stationary object near
33 the motor vehicle and shall be available for inspection reasonably in
34 advance of and at any proceeding to adjudicate the liability for such
35 violation pursuant to this section.

43 jurisdiction over traffic infractions where the violation occurred,
44 except that if a city has established an administrative tribunal to hear
45 and determine complaints of traffic infractions constituting parking,
46 standing or stopping violations such city may, by local law, authorize
47 such adjudication by such tribunal. The liability of the owner pursuant
48 to this section shall not exceed fifty dollars for each violation;
49 provided, however, that such bureau, court, or tribunal may provide for
50 an additional penalty not in excess of twenty-five dollars for each
51 violation for the failure to respond to a notice of liability within the
52 prescribed time period.

53 (f) An imposition of liability under the demonstration program estab-
54 lished pursuant to this section shall not be deemed a conviction as an
55 operator and shall not be made part of the operating record of the

1 person upon whom such liability is imposed nor shall it be used for
2 insurance purposes in the provision of motor vehicle insurance coverage.

3 (g) 1. A notice of liability shall be sent by first class mail to each
4 person alleged to be liable as an owner for a violation of subdivision
5 (b), (c), (d), (f) or (g) of section eleven hundred eighty of this arti-

23 person charged of the manner and the time in which the person may
24 contest the liability alleged in the notice. Such notice of liability
25 shall also contain a prominent warning to advise the person charged that
26 failure to contest in the manner and time provided shall be deemed an
27 admission of liability and that a default judgment may be entered there-
28 on.

29 4. The notice of liability shall be prepared and mailed by the county
30 of Oneida, or by any other entity authorized by the city to prepare and
31 mail such notice of liability.

32 (h) Adjudication of the liability imposed upon owners of this section
33 shall be by a traffic violations bureau established pursuant to section
34 three hundred seventy of the general municipal law where the violation
35 occurred or, if there be none, by the court having jurisdiction over
36 traffic infractions where the violation occurred, except that if a city

38 complaints of traffic infractions constituting parking, standing or
39 stopping violations such city may, by local law, authorize such adjudi-

41 (i) If an owner receives a notice of liability pursuant to this
42 section for any time period during which the vehicle or the number plate
43 or plates of such vehicle was reported to the police department as
44 having been stolen, it shall be a valid defense to an allegation of
45 liability for a violation of subdivision (b), (c), (d), (f) or (g) of
46 section eleven hundred eighty of this article pursuant to this section
47 that the vehicle or the number plate or plates of such vehicle had been
48 reported to the police as stolen prior to the time the violation
49 occurred and had not been recovered by such time. For purposes of
50 asserting the defense provided by this subdivision, it shall be suffi-

52 or number plate or plates of such vehicle be sent by first class mail to
53 the traffic violations bureau, court having jurisdiction, or administra-

55 (j) 1. An owner who is a lessor of a vehicle to which a notice of
56 liability was issued pursuant to subdivision (g) of this section shall

1 not be liable for the violation of subdivision (b), (c), (d), (f) or (g)
2 of section eleven hundred eighty of this article pursuant to this
3 section, provided that:

4 (i) prior to the violation, the lessor has filed with such traffic
5 violations bureau, court having jurisdiction, or administrative tribunal

21 subdivision shall render the owner liable for the penalty prescribed in
22 this section.

24 this subdivision, the lessee of such vehicle on the date of such
25 violation shall be deemed to be the owner of such vehicle for purposes
26 of this section, shall be subject to liability for such violation pursu-
27 ant to this section and shall be sent a notice of liability pursuant to
28 subdivision (g) of this section.

29 (k) 1. If the owner liable for a violation of subdivision (c) or (d)
30 of section eleven hundred eighty of this article pursuant to this
31 section was not the operator of the vehicle at the time of the
32 violation, the owner may maintain an action for indemnification against
33 the operator.

34 2. Notwithstanding any other provision of this section, no owner of a
35 vehicle shall be subject to a monetary fine imposed pursuant to this
36 section if the operator of such vehicle was operating such vehicle with-
37 out the consent of the owner at the time such operator operated such
38 vehicle in violation of subdivision (b), (c), (d), (f) or (g) of section

42 tor operated such vehicle in violation of subdivision (b), (c), (d), (f)
43 or (g) of section eleven hundred eighty of this article.

44 (l) Nothing in this section shall be construed to limit the liability
45 of an operator of a vehicle for any violation of subdivision (c) or (d)
46 of section eleven hundred eighty of this article.

47 (m) If the county adopts a demonstration program pursuant to subdivi-
48 sion (a) of this section it shall conduct a study and submit an annual
49 report on the results of the use of photo devices to the governor, the
50 temporary president of the senate and the speaker of the assembly on or
