May 30, 2025

Introduced by Sen. BROUK -- read twice and ordered printed, and when printed to be committed to the Committee on Codes

AN ACT to amend the criminal procedure law, in relation to enacting the "forensic rehabilitation act"; and to repeal subdivision 14 of section 330.20 of such law, relating to recommitment orders

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "forensic
2 rehabilitation act".
3 § 2. Paragraphs (c), (d), (e), (g), (h) and (i) of subdivision 1 of
4 section 330.20 of the criminal procedure law, paragraphs (c), (e), (g),
5 (h) and (i) as added by chapter 548 of the laws of 1980 and paragraph
6 (d) as amended by chapter 479 of the laws of 2022, is amended to read as
7 follows:
8 (c) [~~"Dangerous mental disorder"~~] "Qualifying condition and level of
9 imminent serious risk" means at the time of any examination or determi-
10 nation as to whether or not a defendant has a qualifying condition and
11 level of imminent serious risk or mental illness or should be granted a
12 furlough or any other privilege: (i) that a [~~defendant currently suffers~~
13 ~~from~~] person at the time of examination or determination has a "mental
14 illness" as that term is defined in subdivision twenty of section 1.03
15 of the mental hygiene law, and (ii) that because of such condition [~~he~~]
16 such person currently constitutes a risk of imminent serious physical
17 danger to [~~himself~~] themselves or others based on the individual's actions
18 at that time. All assessments of the risk of imminent serious physical
19 danger shall take into account any and all evidence indicating that the
20 individual at that time does not currently pose such a danger, including
21 assessments made by psychologists and psychiatrists and the individual's
22 current behaviors, participation in treatment and programming, and
23 growth and development.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

1 (d) [~~"Mentally ill"~~] "Person with mental health, developmental, cognitive,
2 or intellectual challenges" means that a [~~defendant currently~~
3 ~~suffers from~~] person at the time of any examination or determination as
4 to whether or not a person has a qualifying condition and level of immi-
5 nent serious risk or mental illness or should be granted a furlough or
6 any other privilege has a mental illness for which care and treatment as
7 a patient, in the in-patient services of a psychiatric center under the
8 jurisdiction of the state office of mental health, is essential to such
9 [~~defendant's~~] person's welfare and that [~~his or her~~] such person's judg-
10 ment is so impaired that [~~he~~] such person is unable to understand the
11 need for such care and treatment; and, where a defendant has [~~a~~] devel-
12 opmental [~~disability~~], cognitive or intellectual challenges, the term
13 [~~"mentally ill"~~] "person with mental health, developmental, cognitive,
14 or intellectual challenges" shall also mean, for purposes of this
15 section, that the defendant is in need of care and treatment as a resi-
16 dent in the in-patient services of a developmental center or other resi-
17 dential facility for [~~individuals~~] people with developmental [~~disabili-~~
18 ~~ties~~], cognitive or intellectual challenges under the jurisdiction of
19 the state office for people with developmental disabilities.

20 (e) "Examination order" means an order directed to the commissioner
21 requiring that a defendant submit to a psychiatric examination to deter-
22 mine whether the defendant has a [~~dangerous mental disorder~~] qualifying
23 condition and level of imminent serious risk, or if [~~he~~] such defendant
24 does not have [~~dangerous mental disorder~~] a qualifying condition and
25 level of imminent serious risk, whether [~~he~~] such defendant is [~~mentally~~
26 ~~ill~~] a person with mental health, developmental, cognitive, or intellec-
27 tual challenges.

28 (g) "First retention order" means an order which is effective at the
29 expiration of the period prescribed in a commitment order [~~for~~] or a
30 recommitment order, authorizing continued custody of a defendant by the
31 commissioner for a period not to exceed [~~one year~~] ninety days.

32 (h) "Second retention order" means an order which is effective at the
33 expiration of the period prescribed in a first retention order, author-
34 izing continued custody of a defendant by the commissioner for a period
35 not to exceed [~~two years~~] ninety days.

36 (i) "Subsequent retention order" means an order which is effective at
37 the expiration of the period prescribed in a second retention order or a
38 prior subsequent retention order authorizing continued custody of a
39 defendant by the commissioner for a period not to exceed [~~two years~~] six
40 months.

41 § 3. Subdivisions 2, 5, 6, 7, 8, 9, 10, 11, 12, 13 and 15 of section
42 330.20 of the criminal procedure law, subdivision 2 as amended by chap-
43 ter 693 of the laws of 1989, the opening paragraph of subdivision 2 as
44 amended by chapter 479 of the laws of 2022, the closing paragraph of
45 subdivision 2 as amended by chapter 107 of the laws of 2004, subdivi-
46 sions 5, 8, 9, 10, 11, 12 and 13 as amended by chapter 789 of the laws
47 of 1985 and subdivisions 6, 7 and 15 as added by chapter 548 of the laws
48 of 1980, are amended to read as follows:

49 2. Examination order; psychiatric examiners. Upon entry of a verdict
50 of not responsible by reason of mental disease or defect, or upon the
51 acceptance of a plea of not responsible by reason of mental disease or
52 defect, the court must immediately issue an examination order. Upon
53 receipt of such order, the commissioner must designate two qualified
54 psychiatric examiners to conduct the examination to examine the defend-
55 ant within fifteen days of such receipt. In conducting their examina-
56 tion, the psychiatric examiners may employ any method which is accepted

1 by the medical profession for the examination of persons alleged to [~~be~~
2 ~~suffering from~~] have a [dangerous mental disorder] qualifying condition
3 and level of imminent serious risk or to be [~~mentally ill or having~~] a
4 person with mental health, developmental [disability], cognitive, or
5 intellectual challenges. The court may authorize a psychiatrist or
6 psychologist retained by a defendant to be present at such examination.
7 The clerk of the court must promptly forward a copy of the examination
8 order to the mental hygiene legal service and such service may thereaft-
9 er participate in all subsequent proceedings under this section.

10 In all subsequent proceedings under this section, prior to the issu-
11 ance of a special order of conditions, the court shall consider whether
12 any order of protection had been issued prior to a verdict of not
13 responsible by reason of mental disease or defect in the case, or prior
14 to the acceptance of a plea of not responsible by reason of mental
15 disease or defect in the case.

16 5. Examination order; reports. After [~~he has completed his~~] completion
17 of the examination of the defendant, each psychiatric examiner must
18 promptly prepare a report of [~~his~~] their findings and evaluation
19 concerning the defendant's mental condition, and submit such report to
20 the commissioner no later than seven days after conducting the examina-
21 tion. If the psychiatric examiners differ in their opinion as to wheth-
22 er the defendant is [~~mentally ill~~] a person with mental health, develop-
23 mental, cognitive, or intellectual challenges or [~~is suffering from a~~
24 ~~dangerous mental disorder~~] has a qualifying condition and level of immi-
25 nent serious risk, the commissioner must designate another psychiatric
26 examiner to examine the defendant. Upon receipt of the examination
27 reports, the commissioner must submit them to the court that issued the
28 examination order. If the court is not satisfied with the findings of
29 these psychiatric examiners, the court may designate one or more addi-
30 tional psychiatric examiners pursuant to subdivision fifteen of this
31 section. The court must furnish a copy of the reports to the district
32 attorney, counsel for the defendant and the mental hygiene legal
33 service.

34 6. Initial hearing; commitment order. After the examination reports
35 are submitted, the court must, within ten days of the receipt of such
36 reports, conduct an initial hearing to determine the defendant's present
37 mental condition. If the defendant is in the custody of the commissioner
38 pursuant to an examination order, the court must direct the sheriff to
39 obtain custody of the defendant from the commissioner and to confine the
40 defendant pending further order of the court, except that the court may
41 direct the sheriff to confine the defendant in an institution located
42 near the place where the court sits if that institution has been desig-
43 nated by the commissioner as suitable for the temporary and secure
44 detention of mentally disabled persons. At such initial hearing, the
45 district attorney must establish to the satisfaction of the court that
46 the defendant has a [~~dangerous mental disorder~~] qualifying condition and
47 level of imminent serious risk or is [~~mentally ill~~] a person with mental
48 health, developmental, cognitive, or intellectual challenges. If the
49 court finds that the defendant has a [~~dangerous mental disorder~~] quali-
50 fying condition and level of imminent serious risk, [~~it~~] the court must
51 issue a commitment order. If the court finds that the defendant does not
52 have a [~~dangerous mental disorder~~] qualifying condition and level of
53 imminent serious risk but is [~~mentally ill~~] a person with mental health,
54 developmental, cognitive, or intellectual challenges, the provisions of
55 subdivision seven of this section shall apply.

1 7. Initial hearing civil commitment and order of conditions. If, at
2 the conclusion of the initial hearing conducted pursuant to subdivision
3 six of this section, the court finds that the defendant is [~~mentally~~
4 ~~ill~~] a person with mental health, developmental, cognitive, or intellec-
5 tual challenges but does not have a [~~dangerous mental disorder~~] qualify-
6 ing condition and level of imminent serious risk, the provisions of
7 articles nine or fifteen of the mental hygiene law shall apply at that
8 stage of the proceedings and at all subsequent proceedings. Having found
9 that the defendant is [~~mentally ill~~] a person with mental health, devel-
10 opmental, cognitive, or intellectual challenges, the court must issue an
11 order of conditions and an order committing the defendant to the custody
12 of the commissioner. The latter order shall be deemed an order made
13 pursuant to the mental hygiene law and not pursuant to this section, and
14 further retention, conditional release or discharge of such defendant
15 shall be in accordance with the provisions of the mental hygiene law.
16 If, at the conclusion of the initial hearing, the court finds that the
17 defendant does not have a [~~dangerous mental disorder~~] qualifying condi-
18 tion and level of imminent serious risk and is not [~~mentally ill~~] a
19 person with mental health, developmental, cognitive, or intellectual
20 challenges, the court must discharge the defendant either uncondi-
21 tionally or subject to an order of conditions.

22 8. First retention order. When a defendant is in the custody of the
23 commissioner pursuant to a commitment order, the commissioner must, at
24 least thirty days prior to the expiration of the period prescribed in
25 the order, apply to the court that issued the order, or to a superior
26 court in the county where the secure facility is located, for a first
27 retention order or a release order. The commissioner must give written
28 notice of the application to the district attorney, the defendant, coun-
29 sel for the defendant, and the mental hygiene legal service. Upon
30 receipt of such application, the court may, on its own motion, conduct a
31 hearing to determine whether the defendant has a [~~dangerous mental~~
32 ~~disorder~~] qualifying condition and level of imminent serious risk, and
33 it must conduct such hearing if a demand therefor is made by [~~the~~
34 ~~district attorney,~~] the defendant, counsel for the defendant, or the
35 mental hygiene legal service within ten days from the date that notice
36 of the application was given to them. If such a hearing is held on an
37 application for retention, the commissioner must establish to the satis-
38 faction of the court that the defendant has a [~~dangerous mental disor-~~
39 ~~der~~] qualifying condition and level of imminent serious risk or is
40 [~~mentally ill~~] a person with mental health, developmental, cognitive, or
41 intellectual challenges. [~~The district attorney shall be entitled to~~
42 ~~appear and present evidence at such hearing. If such a hearing is held~~
43 ~~on an application for release, the district attorney must establish to~~
44 ~~the satisfaction of the court that the defendant has a dangerous mental~~
45 ~~disorder or is mentally ill.~~] If the court finds that the defendant has
46 a [~~dangerous mental disorder~~] qualifying condition and level of imminent
47 serious risk it must issue a first retention order. If the court finds
48 that the defendant is [~~mentally ill~~] a person with mental health, devel-
49 opmental, cognitive, or intellectual challenges but does not have a
50 [~~dangerous mental disorder~~] qualifying condition and level of imminent
51 serious risk, it must issue a first retention order and, pursuant to
52 subdivision eleven of this section, a transfer order and an order of
53 conditions. If the commissioner makes an application for release or if
54 the court finds that the defendant does not have a [~~dangerous mental~~
55 ~~disorder~~] qualifying condition and level of imminent serious risk and is
56 not [~~mentally ill~~] a person with mental health, developmental, cogni-

1 tive, or intellectual challenges, [~~it~~] the court must issue a release
2 order and an order of conditions pursuant to subdivision twelve of this
3 section.

4 9. Second and subsequent retention orders. When a defendant is in the
5 custody of the commissioner pursuant to a first retention order, the
6 commissioner must, at least thirty days prior to the expiration of the
7 period prescribed in the order, apply to the court that issued the
8 order, or to a superior court in the county where the facility is
9 located, for a second retention order or a release order. The commis-
10 sioner must give written notice of the application to the district
11 attorney, the defendant, counsel for the defendant, and the mental
12 hygiene legal service. Upon receipt of such application for a retention
13 order, the court may, on its own motion, conduct a hearing to determine
14 whether the defendant has a [~~dangerous mental disorder~~] qualifying
15 condition and level of imminent serious risk, and it must conduct such
16 hearing if a demand therefor is made by [~~the district attorney,~~] the
17 defendant, counsel for the defendant, or the mental hygiene legal
18 service within ten days from the date that notice of the application was
19 given to them. If such a hearing is held on an application for
20 retention, the commissioner must establish to the satisfaction of the
21 court that the defendant has a [~~dangerous mental disorder~~] qualifying
22 condition and level of imminent serious risk or is [~~mentally ill~~] a
23 person with mental health, developmental, cognitive, or intellectual
24 challenges. [~~The district attorney shall be entitled to appear and pres-~~
25 ~~ent evidence at such hearing. If such a hearing is held on an applica-~~
26 ~~tion for release, the district attorney must establish to the satisfac-~~
27 ~~tion of the court that the defendant has a dangerous mental disorder or~~
28 ~~is mentally ill.~~] If the court finds that the defendant has a [~~dangerous~~
29 ~~mental disorder~~] qualifying condition and level of imminent serious risk
30 it must issue a second retention order. If the court finds that the
31 defendant is [~~mentally ill~~] a person with mental health, developmental,
32 cognitive, or intellectual challenges but does not have a [~~dangerous~~
33 ~~mental disorder~~] qualifying condition and level of imminent serious
34 risk, it must issue a second retention order and, pursuant to subdivi-
35 sion eleven of this section, a transfer order and an order of condi-
36 tions. If the commissioner makes an application for release or if the
37 court finds that the defendant does not have a [~~dangerous mental disor-~~
38 ~~der~~] qualifying condition and level of imminent serious risk and is not
39 [~~mentally ill~~] a person with mental health, developmental, cognitive, or
40 intellectual challenges, it must issue a release order and an order of
41 conditions pursuant to subdivision twelve of this section. When a
42 defendant is in the custody of the commissioner prior to the expiration
43 of the period prescribed in a second retention order, the procedures set
44 forth in this subdivision for the issuance of a second retention order
45 shall govern the application for and the issuance of any subsequent
46 retention order. Any time a commitment or retention order is issued, the
47 commissioner or their designee shall work with the person in custody to
48 develop a detailed and extensive treatment plan that includes what
49 services, treatment, programs, and/or corrective action the person needs
50 to take to obtain release, a transfer order, and/or a furlough order.
51 The commissioner or designee shall then provide access to such services,
52 treatment, and programs, and the individual shall be released, issued a
53 transfer order, and/or issued a furlough order if they substantially
54 complete what was required for the particular outcome.

55 10. Furlough order. The commissioner may apply for a furlough order,
56 pursuant to this subdivision, when a defendant is in [~~his~~] the commis-

1 ~~itioner's~~ custody pursuant to a commitment order, recommitment order, or
2 retention order and the commissioner is of the view that, consistent
3 with the public safety and welfare of the community and the defendant,
4 the clinical condition of the defendant warrants a granting of the priv-
5 ileges authorized by a furlough order. The application for a furlough
6 order may be made to the court that issued the commitment order, or to a
7 superior court in the county where the secure facility is located. The
8 commissioner must give ten days written notice to the district attorney,
9 the defendant, counsel for the defendant, and the mental hygiene legal
10 service. Upon receipt of such application, the court may, on its own
11 motion, conduct a hearing to determine whether the application should be
12 granted~~[, and must conduct such hearing if a demand therefor is made by~~
13 ~~the district attorney]~~. If the ~~[court finds]~~ commissioner has found that
14 the issuance of a furlough order is consistent with the public safety
15 and welfare of the community and the defendant, and that the clinical
16 condition of the defendant warrants a granting of the privileges author-
17 ized by a furlough order, the court must grant the application and issue
18 a furlough order containing any terms and conditions that the court
19 deems necessary or appropriate. ~~[If the defendant fails to return to the~~
20 ~~secure facility at the time specified in the furlough order, then, for~~
21 ~~purposes of subdivision nineteen of this section, he shall be deemed to~~
22 ~~have escaped]~~ A person in custody shall be provided an opportunity to
23 earn progressively more permissive furloughs, including being escorted
24 within a facility, unescorted within a facility, escorted in the commu-
25 nity outside a facility, unescorted community furloughs, and unescorted
26 community furloughs with community integration, where an individual is
27 able to spend time with their family, work, pursue education, and pursue
28 community-based treatment. Each person in custody shall have the oppor-
29 tunity to move to a more permissive furlough at least every six months
30 unless they have engaged in specific behavior within the previous six
31 months demonstrating that they pose a risk of imminent serious physical
32 danger to themselves or others. If an individual has participated in
33 unescorted community furloughs for six months, they shall be released or
34 receive an order of transfer. If they are transferred, they shall
35 continue on the same furlough progression level.

36 11. (a) Transfer order and order of conditions. The commissioner may
37 apply for a transfer order, pursuant to this subdivision, when a defend-
38 ant is in ~~[his]~~ the commissioner's custody pursuant to a retention order
39 or a recommitment order, and the commissioner is of the view that the
40 defendant does not have a ~~[dangerous mental disorder]~~ qualifying condi-
41 tion and level of imminent serious risk or that, consistent with the
42 public safety and welfare of the community and the defendant, the clin-
43 ical condition of the defendant warrants ~~[his]~~ such defendant's transfer
44 from a secure facility to a non-secure facility under the jurisdiction
45 of the commissioner or to any non-secure facility designated by the
46 commissioner. The application for a transfer order may be made to the
47 court that issued the order under which the defendant is then in custo-
48 dy, or to a superior court in the county where the secure facility is
49 located. The commissioner must give ten days written notice to the
50 district attorney, the defendant, counsel for the defendant, and the
51 mental hygiene legal service. Upon receipt of such application, the
52 court ~~[may, on its own motion, conduct a hearing to determine whether~~
53 ~~the application should be granted, and must conduct such hearing if the~~
54 ~~demand therefor is made by the district attorney. At such hearing, the~~
55 ~~district attorney must establish to the satisfaction of the court that~~
56 ~~the defendant has a dangerous mental disorder or that the issuance of a~~

1 ~~transfer order is inconsistent with the public safety and welfare of the~~
2 ~~community. The court~~ must grant the application and issue a transfer
3 order if the ~~court finds~~ commissioner has concluded that the defendant
4 does not have a ~~dangerous mental disorder~~ qualifying condition and
5 level of imminent serious risk, or ~~if the court finds~~ that the issu-
6 ance of a transfer order is consistent with the public safety and
7 welfare of the community and the defendant and that the clinical condi-
8 tion of the defendant, warrants ~~his~~ such defendant's transfer from a
9 secure facility to a non-secure facility. A court must also issue a
10 transfer order when, in connection with an application for a first
11 retention order pursuant to subdivision eight of this section or a
12 second or subsequent retention order pursuant to subdivision nine of
13 this section, it finds that a defendant is ~~mentally ill~~ a person with
14 mental health, developmental, cognitive, or intellectual challenges but
15 does not have a ~~dangerous mental disorder~~ qualifying condition and
16 level of imminent serious risk. Whenever a court issues a transfer order
17 it must also issue an order of conditions. A person who is transferred
18 must begin their new placement with at least the same level of all priv-
19 ileges, conditions, and furlough progression level as they had at the
20 time of their transfer.

21 (b) Notwithstanding any other section of law, and regardless of wheth-
22 er any application is filed, a court shall automatically issue a release
23 order or a transfer order from a secure facility to a non-secure facili-
24 ty to any person in the custody of the commissioner pursuant to a
25 commitment order or a retention order who has spent a total of three
26 years in a secure facility and/or a state or local correctional facili-
27 ty, or who has spent a total period of time in a secure facility and/or
28 a state or local correctional facility equal to the minimum sentence
29 they could have received for the charge for which they received a
30 verdict of, or accepted a plea of, not responsible by reason of mental
31 disease or defect, whichever period of time expires first. For a person
32 who has spent a total period of time in a secure facility equal to the
33 minimum sentence they could have received for the charge for which they
34 received a verdict of, or accepted a plea of, not responsible by reason
35 of mental disease or defect, a court shall issue a release order. For
36 any release order or transfer order, the person shall be released or
37 transferred on or before the day the time period expires.

38 (c) Time spent in a secure facility and/or state or local correctional
39 facility prior to a verdict, plea, and/or a sentence, shall be included
40 as part of the total time periods set forth in this section.

41 12. (a) Release order and order of conditions. The commissioner may
42 apply for a release order, pursuant to this subdivision, when a defend-
43 ant is in ~~his~~ the commissioner's custody pursuant to a retention order
44 or recommitment order, and the commissioner is of the view that the
45 defendant no longer has a ~~dangerous mental disorder~~ qualifying condi-
46 tion and level of imminent serious risk and is no longer ~~mentally ill~~
47 a person with mental health, developmental, cognitive, or intellectual
48 challenges. The application for a release order may be made to the court
49 that issued the order under which the defendant is then in custody, or
50 to a superior court in the county where the facility is located. The
51 application must contain a description of the defendant's current mental
52 condition, the past course of treatment, a history of the defendant's
53 conduct subsequent to ~~his~~ such defendant's commitment, a written
54 service plan for continued treatment which shall include the information
55 specified in subdivision (g) of section 29.15 of the mental hygiene law,
56 and a detailed statement of the extent to which supervision of the

1 defendant after release is proposed. The commissioner must give ten days
2 written notice to the district attorney, the defendant, counsel for the
3 defendant, and the mental hygiene legal service. Upon receipt of such
4 application, the court must promptly [~~conduct a hearing to determine the~~
5 ~~defendant's present mental condition. At such hearing, the district~~
6 ~~attorney must establish to the satisfaction of the court that the~~
7 ~~defendant has a dangerous mental disorder or is mentally ill. If the~~
8 ~~court finds that the defendant has a dangerous mental disorder, it must~~
9 ~~deny the application for a release order. If the court finds that the~~
10 ~~defendant does not have a dangerous mental disorder but is mentally ill,~~
11 ~~it must issue a transfer order pursuant to subdivision eleven of this~~
12 ~~section if the defendant is then confined in a secure facility. If the~~
13 ~~court finds that the defendant does not have a dangerous mental disorder~~
14 ~~and is not mentally ill, it must]~~ grant the application and issue a
15 release order. A court must also issue a release order when, in
16 connection with an application for a first retention order pursuant to
17 subdivision eight of this section or a second or subsequent retention
18 order pursuant to subdivision nine of this section, it finds that the
19 defendant does not have a [~~dangerous mental disorder~~] qualifying condi-
20 tion and level of imminent serious risk and is not [~~mentally ill~~] a
21 person with mental health, developmental, cognitive, or intellectual
22 challenges. Whenever a court issues a release order it must also issue
23 an order of conditions. If the court has previously issued a transfer
24 order and an order of conditions, it must issue a new order of condi-
25 tions upon issuing a release order. The order of conditions issued in
26 conjunction with a release order shall incorporate a written service
27 plan prepared by a psychiatrist familiar with the defendant's case
28 history and approved by the court, and shall contain any conditions that
29 the court determines to be reasonably necessary or appropriate. It shall
30 be the responsibility of the commissioner to determine that such defend-
31 ant is receiving the services specified in the written service plan and
32 is complying with any conditions specified in such plan and the order of
33 conditions.

34 (b) (i) Notwithstanding any other section of law, and regardless of
35 whether any application is filed, a court shall automatically issue a
36 release order to any person in the custody of the commissioner pursuant
37 to a commitment order or a retention order who has spent a total of six
38 years in such custody in a secure facility, non-secure facility, and/or
39 a state or local correctional facility, or who has spent a total period
40 of time in such custody in a secure facility, non-secure facility and/or
41 a state or local correctional facility equal to the minimum sentence
42 they could have received for the charge for which they received a
43 verdict of, or accepted a plea of, not responsible by reason of mental
44 disease or defect, whichever period of time expires first. The person
45 shall be released on or before the day the time period expires.

46 (ii) Time spent in a secure facility, non-secure facility, and/or
47 state or local correctional facility prior to a verdict, a plea, and/or
48 a sentence, shall be included as part of the total time periods set
49 forth in this section.

50 (c) All facilities under this section shall all operate the same,
51 consistent policies, including with respect to treatment plans,
52 furloughs, retention orders, transfer orders, and release orders.

53 13. Discharge order. The commissioner may apply for a discharge order,
54 pursuant to this subdivision, when a defendant has been continuously on
55 an out-patient status for three years or more pursuant to a release
56 order, and the commissioner is of the view that the defendant no longer

1 has a [~~dangerous mental disorder~~] qualifying condition and level of
 2 imminent serious risk and is no longer [~~mentally ill~~] a person with
 3 mental health, developmental, cognitive, or intellectual challenges and
 4 that the issuance of a discharge order is consistent with the public
 5 safety and welfare of the community and the defendant. The application
 6 for a discharge order may be made to the court that issued the release
 7 order, or to a superior court in the county where the defendant is then
 8 residing. The commissioner must give ten days written notice to the
