22 the value of buildings and enhance the value of land throughout the
23 city.

24 (b) Except as otherwise and expressly authorized by this subdivision,
25 no city shall enact, amend or otherwise modify such regulations if such

14 enhancement and perpetuation of these places of natural heritage. Such
15 regulations shall provide that a board of appeals may determine and vary
16 their application in harmony with the general purpose and intent, and in
17 accordance with general or specific rules therein contained.

18 2. Except as otherwise and expressly authorized by this subdivision,
19 no village shall enact, amend or otherwise modify such local laws if
20 such enactment, amendment or modification will have the effect of reduc-
