35 the authority and shall serve the remainder of the applicable term. The
36 chairperson and vice-chairperson of the authority may receive compen-
37 sation for their service in such amounts as may be determined from time
38 to time by resolution of the governing body. The governing body may
39 also, in its discretion, authorize compensation for other members of the
40 authority, subject to such terms and conditions as the governing body
41 shall determine. All members shall continue to be eligible for
42 reimbursement of actual and necessary expenses incurred in the perform-
43 ance of their duties.

44 (b) At the first meeting of the governing body and at the first meet-
45 ing thereof in each fiscal year thereafter the members of the governing
46 body shall choose from their number the officers of the authority,
47 except for the offices of chairperson and vice-chairperson, which shall
48 be designated and governed in accordance with this section. Except for
49 the offices of chairperson and vice-chairperson, which shall be designed
50 and governed in accordance with this section, the officers of the
51 authority shall serve at the pleasure of the authority. In addition to

2 civil service law. The authority may delegate to one or more of its
3 members, officers, agents or employees any such powers as it may deem
4 proper. The authority may also contract for expert professional services
5 however, the authority shall not contract for professional services that
6 were, prior to the effective date of this chapter, performed by a county
7 or municipal employee unless specifically authorized by law. The treas-

9 duties of such treasurer's office, the amount and sufficiency of which
10 shall be approved by the governing body and the premium for which shall
11 be paid by the authority. The authority may also use the agents, employ-
12 ees, records and equipment of the county with the consent of the county.

13 5. Notwithstanding any inconsistent provision of any general, special
14 or local law, ordinance, resolution or charter, and subject to and
15 consistent with section thirteen hundred forty-nine-h of this title, no
16 officer, member or employee of the state, any municipality or any public
17 benefit corporation shall forfeit their office or employment by reason
18 of their acceptance of appointment as a member, officer, agent or
19 employee of the authority, nor shall service as a member, officer, agent

24 county legislature and employees of the county, respectively, are
25 subject.

26 6. It is hereby determined and declared that the authority and the
27 carrying out of its powers, purposes and duties are in all respects for
28 the benefit of the people of the municipalities within the bounds of the
29 authority and state, for the improvement of their health, welfare and

41 waste, from whatever source derived; and to enable the authority to
42 comply with all applicable laws of the United States and the state of
43 New York, and the rules, regulations, permits and orders of their regu-
44 latory agencies.

45 8. (a) The county executive shall file on or before the twelve-month
46 anniversary of the date on which this title shall have become a law, in
47 the office of the secretary of state, a certificate signed by the county
48 executive setting forth: (i) the name of the authority; (ii) the names
49 of the initial members; and (iii) the effective date of this title. The
50 authority shall be perpetual in duration, except that if such resolution
51 and certificate are not filed with the secretary of state on or before
52 such date, then the power of the legislature of the county to approve
53 the creation of the authority shall thereupon lapse, the authority shall
54 not be deemed to have been created hereby and shall not exist or be
55 deemed to have existed, and the provisions of this title shall no longer
56 have any force or effect.

44 17. To borrow money and to issue bonds and to fund or refund the same,
45 and to provide for the rights of the holders thereof;

46 18. To procure insurance, letters of credit, lines of credit, or other
47 credit enhancement with respect to its bonds or notes issued pursuant to
48 this title, or facilities for the payment of tenders of such bonds or
49 notes or facilities for the payment upon maturity of short-term notes
50 not renewed;

51 19. To enter into interest rate exchange or similar arrangements with
52 any person under such terms and conditions as the authority may deter-
53 mine including, without limitation, provisions as to default or early
54 termination and indemnification by the authority or any other party
55 thereto for loss of benefits as a result thereof;

1 20. To fix and collect rates, rentals, fees and other charges for the
2 use of the sewerage facilities of, or services provided by, or any
3 commodities furnished by, the authority, and to contract with any muni-
4 cipality in respect thereto, so as to provide revenues sufficient at all
5 times to pay, as the same shall become due, the principal and interest
6 on the bonds of the authority, together with the maintenance of proper
7 reserves therefor, in addition to paying, as the same shall become due,
8 the expenses of operating and maintaining the properties and business of
9 the authority and meeting all of its contractual and other obligations,
10 together with proper reserves for debt service, depreciation, mainte-
11 nance and contingencies and all other obligations and indebtedness of
12 the authority;

13 21. To enter into agreements, in its direction, to pay annual sums in
14 lieu of taxes to any municipality in respect to any real property which
15 is owned by the authority and located in such municipality, political
16 subdivision or taxing district;

17 22. To accept gifts, grants, loans or contributions from the United
18 States, the state or any agency or instrumentality of either of them, or
19 any municipality or from any person or public corporation, by bequest or
20 otherwise, and to expend the proceeds for any corporate purposes of the
21 authority;

22 23. To covenant and consent that the interest on any of its bonds or
23 notes issued pursuant to this title shall be includible, under the
24 United States Internal Revenue Code of 1986, as amended, or any subse-
25 quent corresponding internal revenue law of the United States, in gross
26 income of the holder of the bonds or notes to the same extent and in the
27 same manner that the interest on bills, bonds, notes or other obli-
28 gations of the United States is includible in the gross income of the
29 holders thereof under said Internal Revenue Code or any such subsequent
30 law;

31 24. To enter into contracts, and carry out the terms thereof, for the
32 wholesale provision of sewerage disposal with municipalities and
33 private individuals or corporations. However, the authority shall not
34 outsource, privatize, or in any other way diminish work that was, prior
35 to the enactment of this law, performed by a legacy employee unless
36 specifically authorized by law, except as otherwise provided for in
37 subdivision twenty-five-a of this section;

38 25. To enter into cooperative agreements with other authorities, muni-
39 cipalities, sewer districts and other public corporations for the inter-

41 services and commodities and, within the service area, enter into
42 contracts for the construction and operation and maintenance of all or a
43 portion of the authority sewer system, upon such terms and conditions as
44 shall be determined to be reasonable including but not limited to the
45 reimbursement of all costs of such construction, or for any other lawful
46 purposes necessary or desirable to effect the purposes of this title;

47 25-a. To temporarily contract out, in the event of an emergency, or
48 otherwise procure from a private contractor, work that would otherwise
49 be required to be performed by legacy employees, but only to the extent,
50 and for the period, necessary to abate the emergency. For the purposes
51 of this subdivision, "emergency" shall mean an unforeseen occurrence or
52 condition that requires immediate action to address an actual or immi-
53 nent threat to public health, safety, the environment, or the continued
54 operation or integrity of the authority sewer system or any sewerage
55 facility that cannot be adequately addressed by the available legacy
56 employees within the time required to abate the threat; and

1 26. To do all things necessary or convenient to carry out the powers
2 expressly given in this title.

3 § 1349-f. Advances on behalf of the authority; transfer of property to
4 authority. 1. The county or any other municipality may give, grant,
5 sell, convey, loan, license the use of or lease to the authority any
6 property or facility which is useful to the authority in order to carry
7 out its powers under this title; provided, however, that any such trans-
8 fer of property shall be upon such terms and conditions and subject to
9 the rights of the holders of any bonds, as the authority and the county
10 or other municipality may agree. The county or any other municipality
11 shall have the power to contract with the authority to carry out the
12 purposes and intent of this title.

13 2. Notwithstanding the provisions of any other law, general, special
14 or local to the contrary, real property acquired by the authority or the
15 county from the state may be used for any corporate purpose of the
16 authority.

17 § 1349-g. Charges by the authority; method of collection. 1. The
18 authority may fix, impose, and collect, on any equitable basis, rates,
19 rentals, fees and other charges for the use of the authority sewer
20 system or services provided by the authority, including the availability
21 of any of the foregoing from the authority. Such rates, rentals, fees
22 and other charges may be fixed, imposed, and collected from any person
23 to whom such sewerage facilities or services are provided by or made
24 available from the authority. In any instance where the county is or
25 would be required by law, to conduct a public hearing in connection with
26 a rate, rental, fee or other charge, the authority shall not establish,
27 fix, or revise any classification of user or service recipient, rate,
28 rental, fee or other charge unless and until the authority has held a
29 public hearing at which interested persons have had an opportunity to be
30 heard concerning the same; provided however, that if the county has
31 conducted a public hearing in connection with such rate, rental, fee or
32 other charge, the authority shall not be required to hold a public hear-
33 ing. Notice of any such public hearing shall be published at least ten
34 days before the date set therefor, in at least one newspaper of general
35 circulation in the county. Such notice shall set forth the date, time
36 and place of such hearing and shall include a brief description of the
37 matters to be considered at such meeting. A copy of the notice shall be
38 available for inspection by the public. At any such hearing, any inter-
39 ested persons shall have an opportunity to be heard concerning the
40 matters under consideration. Any decision by the authority at such
41 public hearing shall be in writing and be made available in the office
42 of the authority for public inspection during regular office hours.

43 2. Notwithstanding any other law to the contrary, all rates, rentals,
44 fees and other charges for the use of the authority sewer system or
45 services provided or made available by the authority may be imposed upon
46 all properties where services are made available, placed on the annual
47 tax rolls of the respective municipalities as a separate item under the
48 heading "sewer disposal charge," and collected and are paid to the
49 authority in the same manner as the real property taxes of the various
50 municipalities located within the county are collected and paid to such
51 municipalities. Such amounts, when collected by the several municipal
52 collectors or receivers of taxes, shall be paid over to the county. A
53 list of those properties within each respective municipality upon which
54 the sewer disposal charge shall be imposed for the upcoming year shall
55 be established on or before the first day of December in each year. All
56 rates, rentals, fees and other charges for the use or availability of

1 the authority sewer system or services provided by the authority shall
2 be a lien upon the real property upon which, or in connection with
3 which, services are provided or made available, as and from the first
4 date fixed for payment of such rates, rentals, fees and other charges.
5 Any such lien shall have the same priority and superiority as the lien
6 of the general tax of the county. All of the provisions of the tax law
7 of the state governing enforcement and collection of taxes or assess-
8 ments for special improvements not inconsistent herewith shall apply to
9 the collection of such rates, rentals, fees and other charges.

10 § 1349-h. Officers and employees. 1. Any individual who is an officer
11 or employee of the county employed by the county in a position funded by
12 the 'G' fund of the county budget as of the date of the formation of the
13 authority, shall remain an employee of the county and shall continue to
14 work in the same or similar capacity. Such individuals shall be known
15 as "legacy employees".

16 2. Both the county and the authority shall be bound by all collective
17 bargaining agreements in effect as of the effective date of this title
18 and be bound by any and all successor agreements between the county and
19 the employee organization representing legacy employees. All benefits
20 provided to the legacy employees, pursuant to county resolution, law,
21 policy, or past practices shall continue to be provided to the legacy
22 employees.

23 3. All salaries, compensation, other remuneration, cost of benefits,
24 of any kind or type, provided to legacy employees by the county shall be
25 paid by the county, as currently, and shall be reimbursed by the author-
26 ity.

27 4. The legacy employees, as defined in this title, shall continue to
28 be governed by any applicable collective bargaining agreements, civil
29 service laws and rules, practices, and applicable local, state, and
30 federal laws governing county of Rockland employees. Although the
31 authority may direct the day-to-day work assignments and duties of lega-
32 cy employees, the county of Rockland shall remain the employer and
33 appointing authority for such employees and shall continue to carry out
34 such employer responsibilities in accordance with the applicable collec-
35 tive bargaining agreements, civil service laws and rules, practices, and
36 applicable local, state, and federal laws. Legacy employees shall retain
37 their existing employee rights, compensation, and benefits as provided
38 under the applicable collective bargaining agreements, policies, prac-
39 tices, laws, and rules, including but not limited to discipline, griev-
40 ance procedures, performance management, and compensation and benefits.

41 5. Administrative and operational responsibilities, including but not
42 limited to reporting structures, supervision, reimbursement, staffing
43 coordination, operational assignments may be addressed in an inter-agen-
44 cy agreement that is entered into between the county and the authority
45 after the creation of the authority. There shall be no bar on the
46 authority to create positions to fulfill functions when such a legacy
47 employee vacates a position.

48 § 1349-i. Obligation of public utilities. Wherever railroad tracks,
49 street railroad tracks, gas pipes, telephone wires, telegraph wires,
50 electric light or power wires, or conduits for carrying telephone, tele-
51 graph or electric wires, or other structures of any public service
52 corporation, extend in, along or across any part of the work authorized
53 by this title, it shall be and become the duty of the corporation owning
54 or using such tracks, pipes, wires or conduits, or other structures, to
55 make such changes in the same, at its own expense, as may be required
56 during the construction of the improvement provided for in this title.

1 and to construct or rebuild and maintain at its own expense its tracks,
2 pipes, wires or conduits and structures over or along the work by this
3 title authorized and constructed or in the process of construction in
4 pursuance thereof.

5 § 1349-j. Environmental applications, proceedings, approvals and
6 permits. 1. Any application in relation to the purposes of or contem-
7 plated by this title heretofore filed, or any proceeding heretofore
8 commenced, by the county or any agency thereof with the state department
9 of environmental conservation, the department of transportation or any
10 other state agency or instrumentality or with the United States environ-
11 mental protection agency or any other federal agency or instrumentality
12 shall inure to and for the benefit of the authority to the same extent
13 and in the same manner as if the authority had been a party to such
14 application or proceeding from its inception, and the authority shall be
15 deemed a party thereto, to the extent not prohibited by any federal law.
16 Any license, approval, permit or decision heretofore or hereafter issued
17 or granted pursuant to or as a result of any such application or
18 proceeding shall inure to the benefit of and be binding upon the author-
19 ity and shall be assigned and transferred by the municipalities served
20 by the authority or any agency thereof to the authority, unless such
21 assignment and transfer is prohibited by federal law.

22 2. All such applications, proceedings, licenses, approvals, permits
23 and decisions shall further inure to and be for the benefit of and be
24 binding upon any person leasing, acquiring, constructing, maintaining,
25 using or occupying any facility financed in whole or in part by the
26 authority.

27 § 1349-k. Governmental capacity of the authority and municipalities.
28 The county, other municipalities within the county and the authority in
29 carrying out the respective powers and duties under this title shall be
30 deemed to be acting in a governmental capacity. The construction, oper-
31 ation and maintenance of any project financed in whole or in part by the
32 authority shall be deemed to be the performance of an essential govern-
33 mental function by the authority acting in its governmental capacity,
34 whether such project shall be owned or operated by the authority or by
35 any person or other public corporation.

36 § 1349-l. Limited liability. Neither the members of the authority, nor
37 any municipality, officer or employee acting on behalf of the authority,
38 while acting within the scope of their authority, shall be subject to
39 any personal liability resulting from the construction, maintenance or
40 operation of any of the properties of the authority or from carrying out
41 any of the powers expressly given in this title; provided however, that
42 this section shall not be held to apply to any independent contractor.

43 § 1349-m. Bonds of the authority. 1. The authority shall have the
44 power and is hereby authorized from time to time to issue bonds or notes
45 in such principal amounts as it may determine to be necessary to pay the
46 cost of any project or for any other corporate purpose, including inci-
47 idental expenses in connection therewith. The authority shall have power
48 and is hereby authorized to enter into such agreements and perform such
49 acts as may be required under any applicable federal legislation to
50 secure a federal guarantee of any bonds. The authority shall have power
51 from time to time to refund any bonds by the issuance of new bonds
52 whether the bonds to be refunded have or have not matured, and may issue
53 bonds partly to refund bonds then outstanding and partly for any other
54 corporate purpose. Bonds issued by the authority may be general obli-
55 gations secured by the faith and credit of the authority or may be
56 special obligations payable solely out of particular revenues or other

1 moneys as may be designated in the proceedings of the authority under
2 which the bonds shall be authorized to be issued and subject to any
3 agreements with the holders of outstanding bonds pledging any particular
4 revenues or moneys. The authority may also enter into loan agreements,
5 lines of credit and other security agreements and obtain for or on its
6 behalf letters of credit in each case for securing its bonds or to
7 provide direct payment of any costs which the authority is authorized to
8 pay.

9 2. Bonds shall be authorized by resolution of the authority, be in
10 such denominations, bear such date or dates and mature at such time or
11 times as such resolution shall provide, except that notes and any
12 renewals thereof shall mature within five years from the date of the
13 original issuance and bonds and any renewals thereof shall mature within
14 thirty years from the date of the original issuance of any such bonds or
15 notes. The bonds and notes shall be subject to such terms of redemption,
16 bear interest at such rate or rates payable at such times, be in regis-
17 tered form, be executed in such manner, be payable in such medium of
18 payment at such place or places, and be subject to such terms and condi-
19 tions as such resolution may provide. Bonds may be sold at public or
20 private sale for such price or prices as the authority shall determine.
21 Bonds of the authority shall not be sold by the authority at private
22 sale unless such sale and the terms thereof have been approved in writ-
23 ing by the state comptroller where such sale is not to be to such comp-
24 troller, or by the state director of the budget where such sale is to
25 said comptroller. The authority may pay all expenses, premiums and
26 commissions which it may deem necessary or advantageous in connection
27 with the issuance and sale of bonds.

28 3. Any resolution or resolutions authorizing bonds or any issue of
29 bonds may contain provisions which may be a part of the contract with
30 the holders of the bonds thereby authorized as to:

31 (a) pledging all or any part of the revenues, other moneys or property
32 of the authority to secure the payment of the bonds, including but not
33 limited to, any assets, contracts, investment securities, earnings or
34 proceeds of any grant to the authority received from any private or
35 public source, subject to such agreements with bondholders as may then
36 exist;

37 (b) the setting aside of reserves and the creation of sinking funds
38 and the regulation and disposition thereof;

39 (c) limitations on the purpose to which the proceeds from the sale of
40 bonds may be applied;

41 (d) the rates, rents, fees and other charges to be fixed and collected
42 by the authority and the amount to be raised in each year thereby and
43 the use and disposition of revenues;

44 (e) limitations on the right of the authority to restrict and regulate
45 the use of a project or part thereof in connection with which bonds are
46 issued;

47 (f) limitations on the issuance of additional bonds, the terms upon
48 which additional bonds may be issued and secured and the refunding of
49 outstanding or other bonds;

50 (g) the procedure, if any, by which the terms of any contract with
51 bondholders may be amended or abrogated, the amount of bonds the holders
52 of which must consent thereto, and the manner in which such consent may
53 be given;

54 (h) the creation of special funds into which any revenues or moneys
55 may be deposited;

1 (i) the terms and provisions of any trust, deed or indenture securing
2 the bonds under which the bonds may be issued;

3 (j) vesting in a trustee or trustees such properties, rights, powers
4 and duties in trust as the authority may determine, which may include
5 any or all of the rights, powers and duties of the trustees appointed by
6 the bondholders and limiting or abrogating the rights of the bondholders
7 to appoint a trustee under such section or limiting the rights, duties
8 and powers of the trustee;

9 (k) defining the acts or omissions to act which may constitute a
10 default in the obligations and duties of the authority to the bondhold-
11 ers and providing for the rights and remedies of the bondholders in the
12 event of such default, including as a matter of right the appointment of
13 a receiver, provided, however, that such rights and remedies shall not
14 be inconsistent with the general laws of the state and other provisions
15 of this title;

16 (l) limitations on the power of the authority to sell or otherwise
17 dispose of any project or any part thereof;

18 (m) limitations on the amount of revenues and other moneys to be
19 expended for operating, administrative or other expenses of the authori-
20 ty;

21 (n) the payment of the proceeds of bonds, revenues and other moneys to
22 a trustee or other depository and for the method of disbursement thereof
23 with such safeguards and restrictions as the authority may determine;
24 and

25 (o) any other matters of like or different character which in any way
26 affect the security or protection of the bonds or the rights and reme-
27 dies of bondholders.

28 4. In addition to the powers herein conferred upon the authority to
29 secure its bonds, the authority shall have power in connection with the
30 issuance of bonds to enter into such agreements as the authority may
31 deem necessary, consistent or desirable concerning the use of disposi-
32 tion of its revenues or other moneys or property, including the mortgag-
33 ing of any property and the entrusting, pledging or creation of any
34 other security interest in any such revenues, moneys or property and the
35 doing of any act (including refraining from doing any act) which the
36 authority would have the right to do in the absence of such agreements.
37 The authority shall have power to enter into amendments of any such
38 agreements within the powers granted to the authority by this title and
39 to perform such agreements. The provisions of any such agreements may be
40 made a part of the contract with the holders of bonds of the authority.

41 5. Any provision of the uniform commercial code to the contrary
42 notwithstanding, any pledge of or other security interest in revenues,
43 moneys, accounts, contract rights, general intangibles or other personal
44 property made or created by the authority shall be valid, binding and
45 perfected from the time when such pledge is made or other security
46 interest attaches without any physical delivery of the collateral or
47 further act, and the lien of any such pledge or other security interest
48 shall be valid, binding and perfected against all parties having claims
49 of any kind in tort, contract or otherwise against the authority irre-
50 spective of whether or not such parties have notice thereof. No instru-
51 ment by which such a pledge or security is created nor any financing
52 statement need be recorded or filed.

53 6. Whether or not the bonds are of such form and character as to be
54 negotiable instruments under the terms of the uniform commercial code,
55 the bonds are hereby made negotiable instruments within the meaning of

1 and for all the purposes of the uniform commercial code, subject only to
2 the provisions of the bonds for registration.

3 7. Neither the members of the authority nor any person executing bonds
4 shall be liable personally thereon or be subject to any personal liability
5 or accountability by reason of the issuance thereof.

6 8. The authority, subject to such agreements with bondholders as then
7 may exist, shall have power out of any moneys available therefor to
8 purchase bonds of the authority, which shall thereupon be cancelled, at
9 a price not exceeding: (a) if the bonds are then redeemable, the redemp-
10 tion price then applicable, plus accrued interest to the next interest
11 payment date; or (b) if the bonds are not then redeemable, the redemp-
12 tion price applicable on the first date after such purchase upon which
13 the bonds become subject to redemption plus accrued interest to the next
14 interest payment date.

15 § 1349-n. Remedies of bondholders. Subject to any resolution or resolu-
16 tions adopted pursuant to subdivision three of section thirteen hundred
17 forty-nine-m of this title:

18 1. In the event that the authority shall default in the payment of
19 principal of or interest on any issue of bonds after the same shall
20 become due, whether at maturity or upon call for redemption, and such
21 default shall continue for a period of thirty days, or in the event that
22 the authority shall fail or refuse to comply with the provisions of this
23 title or shall default in any agreement made with the holders of any
24 issue of bonds, the holders of twenty-five percent in aggregate princi-
25 pal amount of the bonds of such issue then outstanding, by instrument or
26 instruments tiled in the office of the clerk of the county and proved or
27 acknowledged in the same manner as deed to be recorded, may appoint a
28 trustee to represent the holders of such bonds for the purpose herein
29 provided.

30 2. Such trustee may and, upon written request of the holders of twen-
31 ty-five per centum in principal amount of such bonds outstanding, shall
32 in such trustee's own name:

33 (a) by action or proceeding in accordance with the civil practice law
34 and rules, enforce all rights of the bondholders, including the right to
35 require the authority to collect rents, rates, fees and charges adequate
36 to carry out any agreement as to, or pledge of, such rents, rates, fees
37 and charges and to require the authority to carry out any other agree-
38 ments with the holders of such bonds to perform its duties under this
39 title;

40 (b) bring an action or proceeding upon such bonds;

41 (c) by action or proceeding, require the authority to account as if it
42 were the trustee of an express trust for the holders of such bonds;

43 (d) by action or proceeding, enjoin any acts or things which may be
44 unlawful or in violation of the rights of the holders of such bonds; and

45 (e) declare all such bonds due and payable, and if all defaults shall
46 be made good, then with the consent of the holders of twenty-five per
47 centum of the principal amount of such bonds then outstanding, to annul
48 such declaration and its consequences.

49 3. Such trustee shall in addition to the foregoing have and possess
50 all of the powers necessary or appropriate for the exercise of any func-
51 tions specifically set forth herein or incident to the general represen-
52 tation of bondholders in the enforcement and protection of their rights.

53 4. The supreme court shall have jurisdiction of any action or proceed-
54 ing by the trustee on behalf of such bondholders. The venue of any such
55 action or proceeding shall be laid in the county.

1 5. Before declaring the principal of bonds due and payable, the trustee shall first give thirty days' notice in writing to the authority.

2
3 6. Any such trustee, whether or not the issue of bonds represented by
4 such trustee has been declared due and payable, shall be entitled as of
5 right to the appointment of a receiver of any part or parts of the
6 project, the revenues of which are pledged for the security of the bonds
7 of such issue, and such receiver may enter and take possession of such
8 part or parts of the project and, subject to any pledge or agreement
9 with holders of such bonds, shall take possession of all moneys and
10 other property derived from such part or parts of the project and
11 proceed with any construction thereon or the acquisition of any proper-
12 ty, real or personal, in connection therewith that the authority is
13 under obligation to do, and to operate, maintain and reconstruct such
14 part or parts of the project and collect and receive all revenues there-
15 after arising therefrom subject to any pledge thereof or agreement with
16 bondholders relating thereto and perform the public duties and carry out
17 the agreements and obligations of the authority under the direction of
18 the court. In any suit, action or proceeding by the trustee the fees,
19 counsel fees and expenses of the trustee and of the receiver, if any,
20 shall constitute taxable disbursements and all costs and disbursements
21 allowed by the court shall be a first charge on any revenues derived
22 from the project.

23 7. The county is authorized to pledge to and agree with the holders of
24 the bonds that the county will not limit or impair the rights hereby
25 vested in the authority to purchase, construct, maintain, operate,
26 repair, improve, increase, enlarge, extend, reconstruct, renovate, reha-
27 ilitate or dispose of any project, or any part or parts thereof, for
28 which bonds or notes of the authority shall have been issued, to estab-
29 lish and collect rates, rents, fees and other charges referred to in
30 this title and to fulfill the terms of any agreements made with the
31 holders of the bonds or notes or with any public corporation or person
32 with reference to such project or part thereof, or in any way impair the
33 rights and remedies of the bondholders, until the bonds, together with
34 interest thereon, with interest on any unpaid installments of interest
35 and all costs and expenses in connection with any action or proceeding
36 by or on behalf of the bondholders are fully met and discharged.

37 § 1349-o. State, county and municipalities not liable on bonds of the
38 authority. Neither the state, county nor any other municipality or
39 public corporation shall be liable on the bonds of the authority and
40 such bonds shall not be a debt of the state, county or any other muni-
41 cipality or public corporation, and such bonds shall contain, on the face
42 thereof, a statement to such effect.

43 § 1349-p. Moneys of the authority. All moneys of the authority from
44 whatever source derived shall be paid to the treasurer of the authority
45 and shall be deposited forthwith in interest bearing accounts in a bank
46 or banks in the state designated by the governing body. The moneys in
47 such accounts shall be paid out by the treasurer, upon requisition by
48 the governing body or of such other person or persons as the governing
49 body may authorize to make such requisitions. All deposits of such
50 moneys shall be secured by obligations of the United States and the
51 state of New York of a market value equal at all times to the amount on
52 deposit and all banks and trust companies are authorized to give such
53 security for such deposits. The authority shall have power, notwith-
54 standing the provisions of this section, to contract with the holders of
55 any bonds, as to the custody, collection, security, investment and
56 payment of any moneys of the authority or any moneys held in trust or

1 otherwise for the payment of bonds or in any way to secure bonds, and to
2 carry out any such contract notwithstanding that such contract may be
3 inconsistent with the provisions of this section. Moneys held in trust
4 or otherwise for the payment of bonds, or in any way to secure bonds,

8 required for immediate use or disbursement may, at the discretion of the
9 authority, be invested in those obligations specified pursuant to the
10 provisions of section ninety-eight-a of the state finance law, as
11 amended from time to time. Subject to the provisions of any contract
12 with bondholders and with the approval of the comptroller, the authority
13 shall prescribe a system of accounts.

28 notes or other obligations of this state is now or hereafter may be
29 authorized.

30 § 1349-r. Agreement with the state. The state does hereby pledge to
31 and agree with the holders of any bonds or notes issued by the authority
32 pursuant to this title that the state will not alter or limit the rights

38 title to fulfill the terms of any agreement made with or for the benefit
39 of the holders of bonds or notes or with any public corporation or
40 person with reference to such project or part thereof, or in any way to
41 impair the rights and remedies of bondholders until the bonds or notes,
42 together with the interest thereon, including interest on any unpaid
43 installments of interest and all costs and expenses in connection with
44 any action or proceeding by or on behalf of such holders, are fully met
45 and discharged, provided, however, that this section shall not be
46 construed to limit in any manner, the ability of the state to alter,
47 amend or enforce laws or regulations to protect public health and the
48 environment. The authority is authorized to include this pledge and
49 agreement of the state in any agreement with bondholders.

50 § 1349-s. Exemption from taxes, assessments and certain fees. 1. It

2 ty owned by it or under its jurisdiction, control or supervision or upon
3 its activities or any filing, recording, or transfer fees or taxes in
4 relation to instruments filed, recorded or transferred by it or on its
5 behalf. The construction, use, occupation or possession of any property
6 owned by the authority including improvements thereon, by any person or
7 public corporation under a lease, lease and sublease or any other agree-

34 force and effect as though such contracts had been expressly assigned to
35 the authority.

36 § 1349-u. Construction contracts. 1. All contracts or orders for work,
37 material or supplies performed or furnished in connection with
38 construction shall be awarded by the authority pursuant to resolution of
39 the governing body except as hereinafter provided. In any construction
40 contract, the authority may provide a program for the payment of damages

53 the sufficiency of such security shall, in addition to the justification
54 and acknowledgement, be approved by the authority. All bids or proposals
55 shall be publicly opened by the governing body or its duly authorized
56 agent. If the person whose bid or proposal has been accepted after

1 advertising shall neglect or refuse to accept the contract within five
2 days after written notice that the contract has been awarded to such
3 person on such person's bid or proposal or if such person accepts but
4 does not execute the contract and give proper security, the authority
5 shall have the right to declare such person's deposit forfeited. In case
6 any work shall be abandoned by any contractor, the authority may, if it
7 determines that the public interest is thereby served, adopt on behalf
8 of the authority any or all subcontracts made by such contractor for
9 such work and all such subcontractors shall be bound by such adoption if
10 made. No bid or proposal shall be accepted from or any contract awarded

35 the provisions of section two hundred twenty-two of the labor law.
