## IN SENATE

February 3, 2026

Introduced by Sen. SEPULVEDA -- read twice and ordered printed, and when printed to be committed to the Committee on Labor

AN ACT to amend the labor law, the executive law and the civil service law, in relation to enacting the New York emergency expedited temporary work permit act; and providing for the repeal of such provisions upon the expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "New York  
2 emergency expedited temporary work permit act".

3 § 2. Legislative finding and intent. The federal immigration law has  
4 become outdated and an impediment to New York state's ability to quickly  
5 and properly integrate asylum seekers allowed to enter the United States  
6 of America. Current federal law requires that an asylum seeker wait  
7 150 days before applying for a work permit. Current work permit appli-  
8 cations can take anywhere from 5 months to 14 months to process, leaving  
9 asylum seekers without the legal paperwork to support themselves and  
10 their families. Asylum seekers desperate to provide shelter, food, and  
11 living expenses for themselves and their families are forced to work  
12 without proper documentation leaving them open to exploitation from  
13 employers that range from working in dangerous conditions without train-  
14 ing to having their wages stolen. In view of the current federal  
15 inaction to expedite federal work permit applications for asylum seek-  
16 ers, it is incumbent on New York state to exercise its state's constitu-  
17 tional duties and the powers reserved to states under the federal  
18 constitution and enact a worker permit program.

19 § 3. The labor law is amended by adding a new article 4-B to read as  
20 follows:

### ARTICLE 4-B

#### ASYLEE WORKER PERMIT PROGRAM

##### Section 155. Definitions.

24 156. Asylee worker permit program.

25 157. Rules and regulations.

26 158. Construction.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

36 municipal civil service commissions may, by rule, provide for the  
37 appointment of persons who are asylum seekers and who are issued worker  
38 permits under article four-B of the labor law.

40 have become a law and shall expire 2 years after such effective date  
41 when upon such date the provisions of this act shall be deemed repealed.
