Introduced by Sen. WALCZYK -- read twice and ordered printed, and when printed to be committed to the Committee on Transportation

AN ACT to amend the vehicle and traffic law, in relation to establishing a municipal exemption from commercial driver's license requirements

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The vehicle and traffic law is amended by adding a new section 509-qq to read as follows:

§ 509-qq. Municipal exemption from commercial driver's license requirements. 1. Notwithstanding any provision of law to the contrary, a commercial driver's license shall not be required for the operation of a motor vehicle owned or leased by a city, town, village, or county when such vehicle is operated by a municipal employee solely for intrastate governmental purposes.

2. For the purposes of this section, the following municipal operations shall be covered:

(a) snow and ice control;

(b) highway, road, bridge, or right-of-way maintenance;

(c) water, sewer, or public utility maintenance;

(d) emergency or disaster response; and

(e) such other substantially similar governmental functions as approved by the commissioner.

3. Municipal employees operating under the exemption authorized by this section shall be required to successfully complete a motor vehicle skills and safety examination administered or approved by the department, appropriate to the class and type of vehicle operated.

4. Municipalities utilizing the exemption authorized by this section shall establish and maintain internal driver training and certification programs, including:

(a) written training standards;

(b) behind-the-wheel instruction;

(c) periodic refresher training; and

(d) certification by a designated municipal supervisor.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.

5. The commissioner may promulgate regulations establishing minimum safety and testing standards for municipal training programs under this section, provided such standards shall not require possession of a commercial driver's license.

6. Nothing in this section shall be construed to permit the operation of a motor vehicle in violation of any other applicable traffic or safety law.

§ 2. This act shall take effect immediately.
