The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The vehicle and traffic law is amended by adding a new  
2 section 1180-i to read as follows:

3 § 1180-i. Owner liability for failure of operator to comply with  
4 certain posted maximum speed limits; city of Ithaca. (a) 1. Notwith-

8 to comply with posted maximum speed limits in a school speed zone within  
9 such city (i) when a school speed limit is in effect as provided in  
10 paragraphs one and two of subdivision (c) of section eleven hundred  
11 eighty of this article or (ii) when other speed limits are in effect as

1 student activities at the school and up to thirty minutes immediately  
2 before and up to thirty minutes immediately after such student activ-  
3 ities. In selecting a school speed zone in which to install and operate  
4 a photo speed violation monitoring system, the city shall consider  
5 criteria including, but not limited to, the speed data, crash history,  
6 and the roadway geometry applicable to such school speed zone.

7 2. No photo speed violation monitoring system shall be used in a  
8 school speed zone unless (i) on the day it is to be used it has success-  
9 fully passed a self-test of its functions; and (ii) it has undergone an  
10 annual calibration check performed pursuant to paragraph four of this  
11 subdivision. The city shall install signs giving notice that a photo  
12 speed violation monitoring system is in use to be mounted on advance  
13 warning signs notifying motor vehicle operators of such upcoming school  
14 speed zone and/or on speed limit signs applicable within such school  
15 speed zone, in conformance with standards established in the MUTCD.

16 3. Operators of photo speed violation monitoring systems shall have  
17 completed training in the procedures for setting up, testing, and oper-  
18 ating such systems. Each such operator shall complete and sign a daily  
19 set-up log for each such system that the operator operates that (i)  
20 states the date and time when, and the location where, the system was  
21 set up that day, and (ii) states that such operator successfully  
22 performed, and the system passed, the self-tests of such system before  
23 producing a recorded image that day. The city shall retain each such  
24 daily log until the later of the date on which the photo speed violation  
25 monitoring system to which it applies has been permanently removed from  
26 use or the final resolution of all cases involving notices of liability  
27 issued based on photographs, microphotographs, videotape or other  
28 recorded images produced by such system.

29 4. Each photo speed violation monitoring system shall undergo an annu-  
30 al calibration check performed by an independent calibration laboratory  
31 which shall issue a signed certificate of calibration. The city shall  
32 keep each such annual certificate of calibration on file until the final  
33 resolution of all cases involving a notice of liability issued during  
34 such year which were based on photographs, microphotographs, videotape  
35 or other recorded images produced by such photo speed violation monitor-  
36 ing system.

37 5. (i) Such demonstration program shall utilize necessary technologies  
38 to ensure, to the extent practicable, that photographs, microphoto-  
39 graphs, videotape or other recorded images produced by such photo speed  
40 violation monitoring systems shall not include images that identify the  
41 driver, the passengers, or the contents of the vehicle. Provided,  
42 however, that no notice of liability issued pursuant to this section  
43 shall be dismissed solely because such a photograph, microphotograph,  
44 videotape or other recorded image allows for the identification of the  
45 driver, the passengers, or the contents of vehicles where the city shows  
46 that it made reasonable efforts to comply with the provisions of this  
47 paragraph in such case.

48 (ii) Photographs, microphotographs, videotape or any other recorded  
49 image from a photo speed violation monitoring system shall be for the  
50 exclusive use of the city for the purpose of the adjudication of liabil-  
51 ity imposed pursuant to this section and of the owner receiving a notice  
52 of liability pursuant to this section, and shall be destroyed by the  
53 city upon the final resolution of the notice of liability to which such  
54 photographs, microphotographs, videotape or other recorded images  
55 relate, or one year following the date of issuance of such notice of  
56 liability, whichever is later. Notwithstanding the provisions of any

1 other law, rule or regulation to the contrary, photographs, microphoto-  
2 graphs, videotape or any other recorded image from a photo speed  
3 violation monitoring system shall not be open to the public, nor subject  
4 to civil or criminal process or discovery, nor used by any court or  
5 administrative or adjudicatory body in any action or proceeding therein  
6 except that which is necessary for the adjudication of a notice of  
7 liability issued pursuant to this section, and no public entity or  
8 employee, officer or agent thereof shall disclose such information,  
9 except that such photographs, microphotographs, videotape or any other  
10 recorded images from such systems:

11 (A) shall be available for inspection and copying and use by the motor  
12 vehicle owner and operator for so long as such photographs, microphoto-  
13 graphs, videotape or other recorded images are required to be maintained  
14 or are maintained by such public entity, employee, officer or agent; and

15 (B) (1) shall be furnished when described in a search warrant issued  
16 by a court authorized to issue such a search warrant pursuant to article  
17 six hundred ninety of the criminal procedure law or a federal court  
18 authorized to issue such a search warrant under federal law, where such  
19 search warrant states that there is reasonable cause to believe such  
20 information constitutes evidence of, or tends to demonstrate that, a  
21 misdemeanor or felony offense was committed in this state or another  
22 state, or that a particular person participated in the commission of a  
23 misdemeanor or felony offense in this state or another state, provided,  
24 however, that if such offense was against the laws of another state, the  
25 court shall only issue a warrant if the conduct comprising such offense  
26 would, if occurring in this state, constitute a misdemeanor or felony  
27 against the laws of this state; and

28 (2) shall be furnished in response to a subpoena duces tecum signed by  
29 a judge of competent jurisdiction and issued pursuant to article six  
30 hundred ten of the criminal procedure law or a judge or magistrate of a  
31 federal court authorized to issue such a subpoena duces tecum under  
32 federal law, where the judge finds and the subpoena states that there is  
33 reasonable cause to believe such information is relevant and material to  
34 the prosecution, or the defense, or the investigation by an authorized  
35 law enforcement official, of the alleged commission of a misdemeanor or  
36 felony in this state or another state, provided, however, that if such  
37 offense was against the laws of another state, such judge or magistrate  
38 shall only issue such subpoena if the conduct comprising such offense  
39 would, if occurring in this state, constitute a misdemeanor or felony in  
40 this state; and

41 (3) may, if lawfully obtained pursuant to this clause and clause (A)  
42 of this subparagraph and otherwise admissible, be used in such criminal  
43 action or proceeding.

44 (b) If the city of Ithaca establishes a demonstration program pursuant  
45 to subdivision (a) of this section, the owner of a vehicle shall be  
46 liable for a penalty imposed pursuant to this section if such vehicle  
47 was used or operated with the permission of the owner, express or  
48 implied, within a school speed zone in violation of subdivision (c) or  
49 during the times authorized pursuant to subdivision (a) of this section  
50 in violation of subdivision (b), (d), (f) or (g) of section eleven  
51 hundred eighty of this article, such vehicle was traveling at a speed of  
52 more than ten miles per hour above the posted speed limit in effect  
53 within such school speed zone, and such violation is evidenced by infor-  
54 mation obtained from a photo speed violation monitoring system; provided  
55 however that no owner of a vehicle shall be liable for a penalty imposed  
56 pursuant to this section where the operator of such vehicle has been

1 convicted of the underlying violation of subdivision (b), (c), (d), (f)  
2 or (g) of section eleven hundred eighty of this article.

25 facie evidence of the facts contained therein. Any photographs, micro-  
26 photographs, videotape or other recorded images evidencing such a  
27 violation shall include at least two date and time stamped images of the  
28 rear of the motor vehicle that include the same stationary object near

40 that such parking violations bureau, or such other authorized agency,  
41 may provide for an additional penalty not in excess of twenty-five  
42 dollars for each violation for the failure to respond to a notice of  
43 liability within the prescribed time period.

44 (f) An imposition of liability under the demonstration program estab-  
45 lished pursuant to this section shall not be deemed a conviction as an  
46 operator and shall not be made part of the operating record of the  
47 person upon whom such liability is imposed nor shall it be used for  
48 insurance purposes in the provision of motor vehicle insurance coverage.

49 (g) 1. A notice of liability shall be sent by first class mail to each

16 shall also contain a prominent warning to advise the person charged that  
17 failure to contest in the manner and time provided shall be deemed an  
18 admission of liability and that a default judgment may be entered there-

20 4. The notice of liability shall be prepared and mailed by the city of  
21 Ithaca, or by any other entity authorized by the city to prepare and

23 (h) Adjudication of the liability imposed upon owners of this section  
24 shall be by the city of Ithaca parking violations bureau, or by any  
25 other agency authorized by such city to adjudicate the liability of such

28 section for any time period during which the vehicle or the number plate  
29 or plates of such vehicle was reported to the police department as  
30 having been stolen, it shall be a valid defense to an allegation of  
31 liability for a violation of subdivision (b), (c), (d), (f) or (g) of  
32 section eleven hundred eighty of this article pursuant to this section  
33 that the vehicle or the number plate or plates of such vehicle had been  
34 reported to the police as stolen prior to the time the violation  
35 occurred and had not been recovered by such time. For purposes of  
36 asserting the defense provided by this subdivision, it shall be suffi-  
37 cient that a certified copy of the police report on the stolen vehicle  
38 or number plate or plates of such vehicle be sent by first class mail to  
39 the city of Ithaca parking violations bureau or by any other entity  
40 authorized by the city to prepare and mail such notice of liability.

41 (j) Adjudication of the liability imposed upon owners of this section  
42 shall be by the city of Ithaca parking violations bureau, or by any  
43 other agency authorized by such city to adjudicate the liability of such  
44 matters.

45 (k) 1. An owner who is a lessor of a vehicle to which a notice of  
46 liability was issued pursuant to subdivision (g) of this section shall  
47 not be liable for the violation of subdivision (b), (c), (d), (f) or (g)  
48 of section eleven hundred eighty of this article pursuant to this  
49 section, provided that:

50 (i) prior to the violation, the lessor has filed with such parking  
51 violations bureau or other authorized agency in accordance with the  
52 provisions of section two hundred thirty-nine of this chapter; and

53 (ii) within thirty-seven days after receiving notice from such bureau  
54 or other authorized agency of the date and time of a liability, together  
55 with the other information contained in the original notice of liabil-

4 contract document, as may be reasonably required by such bureau or  
5 authorized agency pursuant to regulations that may be promulgated for  
6 such purpose.

7 2. Failure to comply with subparagraph (ii) of paragraph one of this  
8 subdivision shall render the owner liable for the penalty prescribed in  
9 this section.

10 3. Where the lessor complies with the provisions of paragraph one of

12 violation shall be deemed to be the owner of such vehicle for purposes  
13 of this section, shall be subject to liability for such violation pursu-  
14 ant to this section and shall be sent a notice of liability pursuant to  
15 subdivision (g) of this section.

16 (1) 1. If the owner liable for a violation of subdivision (c) or (d)  
17 of section eleven hundred eighty of this article pursuant to this  
18 section was not the operator of the vehicle at the time of the  
19 violation, the owner may maintain an action for indemnification against  
20 the operator.

21 2. Notwithstanding any other provision of this section, no owner of a  
22 vehicle shall be subject to a monetary fine imposed pursuant to this  
23 section if the operator of such vehicle was operating such vehicle with-  
24 out the consent of the owner at the time such operator operated such  
25 vehicle in violation of subdivision (b), (c), (d), (f) or (g) of section  
26 eleven hundred eighty of this article. For purposes of this subdivision  
27 there shall be a presumption that the operator of such vehicle was oper-  
28 ating such vehicle with the consent of the owner at the time such opera-  
29 tor operated such vehicle in violation of subdivision (b), (c), (d), (f)  
30 or (g) of section eleven hundred eighty of this article.

31 (m) Nothing in this section shall be construed to limit the liability  
32 of an operator of a vehicle for any violation of subdivision (c) or (d)  
33 of section eleven hundred eighty of this article.

34 (n) If the city adopts a demonstration program pursuant to subdivision

51 state;

53 within the city, in the aggregate on a daily, weekly and monthly basis;

54 5. the number of violations recorded within each school speed zone  
55 where a photo speed violation monitoring system is used, in the aggre-  
56 gate on a daily, weekly and monthly basis;

2 within the city that were:
