AN ACT to amend the state finance law, in relation to establishing certain contract requirements involving glazing work

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The state finance law is amended by adding a new section 136-e to read as follows:

§ 136-e. Contracts involving glazing work. 1. Notwithstanding any other provision of law, all public works renovation contracts that exceed an aggregate amount of one million dollars, and all new construction contracts that exceed an aggregate amount of five million dollars, that include glazing work to be performed outside of a city with a population of one million or more, shall require glazing work performed by North American Contractor Certification ("NACC") certified companies and initially, on and after July first, two thousand twenty-six, shall have one architectural glass and metal technician ("AGMT") certified worker employed by the company or contractor. On and after January first, two thousand twenty-seven, each crew performing work that meets the criteria of this section shall have one AGMT certified worker on site. On and after January first, two thousand twenty-eight, for each crew performing work that meets the criteria of this section, twenty-five percent of that crew shall be comprised of AGMT certified individuals on site. On and after January first, two thousand twenty-nine, for each crew performing work that meets the criteria of this section, fifty percent of that crew shall be comprised of AGMT certified individuals on site.

2. For the purposes of this section, "glazing work" includes, but is not limited to, replacement and installation of windows, curtain walls, interior glass partitions, glass handrails, aluminum entrances, skylights, store fronts, and general installation of architectural glass and metal.

§ 2. This act shall take effect July 1, 2026.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
