## IN SENATE

April 6, 2026

Introduced by Sens. SEPULVEDA, KRUEGER, RAMOS, SALAZAR, STAVISKY -- read twice and ordered printed, and when printed to be committed to the Committee on Judiciary

AN ACT to amend the civil practice law and rules, the criminal procedure law and the executive law, in relation to prohibiting possession of reproductive or sexual health devices from being permitted in specified criminal or civil proceedings as evidence of prostitution

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "end criminalization of condoms act".

2  
3 § 2. Legislative findings. The legislature hereby finds that promoting  
4 and protecting health and respecting and fulfilling human rights are  
5 necessarily linked, and that health-oriented and rights-based law  
6 enforcement efforts are central to the effective provision of government  
7 services for the benefit of the people of the state. Section 3 of article  
8 17 of the New York state constitution requires that the legislature  
9 protect and promote the health of the inhabitants of this state as a  
10 matter of public concern. Despite these provisions, for purposes of  
11 prosecuting certain criminal, civil and administrative offenses, reproductive  
12 and sexual health tools, including condoms, are currently being  
13 destroyed, confiscated, or used as evidence by law enforcement officers.  
14 This legislation is intended to strengthen the public health of all New  
15 Yorkers, including the most vulnerable, while preserving the ability of  
16 law enforcement to prosecute other crimes such as felony sexual  
17 offenses. The purpose of this act is to avoid the disparate impact of  
18 the practice of citing condoms and other reproductive and sexual health  
19 tools as evidence upon survivors of trafficking and people who are or  
20 are profiled as being engaged in the sex trades.

21 § 3. The civil practice law and rules is amended by adding a new  
22 section 4519-b to read as follows:

23 § 4519-b. Possession of reproductive or sexual health devices; receipt  
24 into evidence. 1. Evidence that a person was in possession of a condom  
25 or other reproductive or sexual health device may not be received in
