1 4. Such advance payments shall not be required if funding for such
2 contract includes federal funding and the terms or conditions of such
3 federal funding prohibit such advance payments.

4 § 2. Subdivision 3 of section 179-ee of the state finance law, as
5 added by section 38 of part L of chapter 55 of the laws of 2012, is
6 amended and two new subdivisions 4 and 5 are added to read as follows:

7 3. A modification to a contract that would result in a transfer of
8 funds among program activities or budget cost categories but does not
9 affect the amount, consideration, scope or other terms of such contract
10 shall not, by itself, require such contract and modification to be
11 submitted to the comptroller for review; provided, however, where the
12 amount of such modification is, as a portion of the total value of the
13 contract, equal to or greater than ten percent for contracts of less
14 than five million dollars, or five percent for contracts of more than
15 five million dollars, the comptroller may require that such modification
16 be submitted to [~~him or her~~] such comptroller for review. All modifica-

18 sixty days, and all modifications that require comptroller review shall
19 be approved within ninety days. When a contractor submits their final
20 vouchers or invoice, if such voucher or invoice would result in a
21 modification between budget categories of, as a portion of the total
22 value of the contract, equal to or lesser than ten percent for contracts
23 of less than five million dollars, or five percent for contracts of more
24 than five million dollars, then the agency may consider the voucher or
25 invoice a request for contract modification and may process the modifi-
26 cation as such.

27 4. Notwithstanding any other provisions of this article, de minimus
28 indirect costs shall be included in all not-for-profit organization
29 contracts with state agencies. Provided, however, such de minimus indi-
30 rect costs shall not be included if funding for such contract includes
31 federal funding and the terms or conditions of such federal funding
32 prohibit the inclusion of such costs.

34 it shall have become a law.
