## IN SENATE

April 9, 2026

Introduced by Sen. GRIFFO -- read twice and ordered printed, and when printed to be committed to the Committee on Commerce, Economic Development and Small Business

AN ACT to amend the economic development law, in relation to establishing the central New York passport program to promote regional tourism, economic development, and cultural engagement across the central New York region

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The economic development law is amended by adding a new  
2 article 5-G to read as follows:

3 ARTICLE 5-G

4 CENTRAL NEW YORK PASSPORT PROGRAM

5 Section 181-j. Short title.

6 181-k. Legislative findings and intent.

7 181-l. Establishment of the central New York passport program.

8 § 181-j. Short title. This act shall be known and may be cited as the  
9 "central New York passport act".

10 § 181-k. Legislative findings and intent. The legislature finds that  
11 the central New York region--encompassing the cities of Syracuse, Utica,  
12 Rome, and Cooperstown, and the surrounding towns and villages along  
13 routes 20 and 90--possesses a wealth of cultural, artistic, agricul-  
14 tural, and recreational assets.

15 Despite the strength of these attractions, including the Boilermaker  
16 Road Race, the Glimmerglass Opera Festival, the Theater at Woodhill,  
17 local farmers markets, art galleries, museums, music venues, sporting  
18 events, and other community programs, the region lacks an integrated  
19 mechanism for cross-promotion, coordinated event awareness, and visitor  
20 retention.

21 It is therefore the intent of the legislature to establish a regional  
22 initiative to promote the collective economic and cultural interests of  
23 central New York municipalities, support local businesses, and enhance  
24 tourism through a unified mobile platform--known as the "Central New  
25 York Passport".

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD15526-01-6

21 small businesses and nonprofit institutions to regional event traffic.

49 central New York's arts, agricultural, and recreational sectors.

50 7. The commissioner shall submit an annual report on the program to  
51 the governor and the legislature no later than December thirty-first of  
52 each year. Such report shall include, but not be limited to, information  
53 on program participation rates, tourism revenue impact, and user engage-  
54 ment.

55 § 2. This act shall take effect immediately.
