FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would change the effective date of World Trade Center acci-
dental disability benefit reclassifications to be the member's applica-
tion filing date. Currently, the benefit commences when the application
is approved.

Insofar as this bill affects the New York State and Local Employees'
Retirement System (NYSLERS), the additional pension benefit is expected
to average \$16,000 for each approved application. Approximately 7 retire-
ees would be affected each year, for an annual cost of \$112,000. The
provisions of section 25 of the RSSL shall not apply. All costs will be
shared by the participating employers in NYSLERS and spread over future
billing cycles.

Insofar as this bill affects the New York State and Local Police and
Fire Retirement System (NYSLPFRS), the additional pension benefit is
expected to average \$26,000 for each approved application. Approximately
33 retirees would be affected each year, for an annual cost of \$858,000.
All costs will be shared by the participating employers in NYSLPFRS and
spread over future billing cycles.
