AN ACT in relation to authorizing Kurt Nolan to receive certain credit under sections 384-d and 384-e of the retirement and social security law

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Notwithstanding any other provision of law, Kurt Nolan, currently a part-time police officer with the village of Ballston Spa police department and member of the New York state and local police and fire retirement system covered by section 384-d of the retirement and social security law, who from October, 2010 through March, 2016 was employed as a university police inspector with the New York state university police, and who from March, 2016 through May, 2021 was employed as a university police officer with the New York state university police, for reasons not ascribable to his own negligence, was not granted service credit under sections 384-d and 384-e of the retirement and social security law for his periods of employment with the New York state university police, shall be granted such service credit under sections 384-d and 384-e of the retirement and social security law and shall be entitled to the full rights and benefits associated with coverage under such sections, provided a request to that effect is filed with the state comptroller within one year from the effective date of this act.

§ 2. All past service costs incurred in implementing the provisions of this act shall be borne by the state of New York.

§ 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would grant service credit in sections 384-d and 384-e of the retirement and social security law (RSSL) to Kurt Nolan, a Tier 5 member of the New York State and Local Police and Fire Retirement System (NYSLPFRS) currently employed by the village of Ballston Spa. Credit

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD15292-07-6

would be granted for the period of October 2010 through May 2021 while the member was employed as a university police inspector and a university police officer, covered under Article 15 and section 383-d, respectively.

This bill will not increase the village of Ballston Spa's annual contributions.

Insofar as this bill affects NYSLPFRS, there will be an immediate past service cost of $200,000 borne by the state of New York as a one-time payment. This cost assumes that payment will be made on March 1, 2027.
