§ 4. Subdivision 1 of section 801 of the education law, as amended by section 27 of part A of chapter 56 of the laws of 2020, is amended and a new subdivision 6 is added to read as follows:

1. In order to promote a spirit of patriotic and civic service and obligation and to foster in the children of the state moral and intellectual qualities which are essential in preparing to meet the obligations of citizenship in peace or in war, the regents of The University of the State of New York shall prescribe courses of instruction in patriotism, citizenship, civic education and values, our shared history of diversity, the role of religious tolerance in this country, and human rights issues, with particular attention to the study of the inhumanity of genocide, slavery (including the freedom trail and underground railroad), the Holocaust, and the mass starvation in Ireland from 1845 to 1850, to be maintained and followed in all the schools of the state. The boards of education and trustees of the several cities and school districts of the state shall require instruction to be given in such courses, by the teachers employed in the schools therein. All pupils attending such schools, over the age of eight years, shall attend upon such instruction. **All pupils in the ninth and higher grades shall receive civic education for at least eight full class periods, in accordance with the department's 9-12 social studies framework.**

Similar courses of instruction shall be prescribed and maintained in private schools in the state, and all pupils in such schools over eight years of age shall attend upon such courses. If such courses are not so established and maintained in a private school, attendance upon instruction in such school shall not be deemed substantially equivalent to instruction given to pupils of like age in the public schools of the city or district in which such pupils reside.

6. a. The regents, in collaboration with the state board of elections, shall make available to each high school two forms to be distributed to all pupils who shall be sixteen years of age on or before December thirty-first of each year. Such forms shall be distributed on one date between the second and fifth school day in the month of January of each year.

b. The first form to be distributed pursuant to this subdivision shall be a standard voter registration form as prescribed by section 5-210 of the election law. Such form shall be completed for each eligible pupil, by school administrators who shall complete each field of the registration form except the fields pertaining to citizenship status, party affiliation, signature and date. The content of the registration form shall be explained to all pupils to whom forms are distributed and pupils shall be directed to correct any incorrect information previously completed by school administrators.

c. The second form to be distributed pursuant to this subdivision shall be entitled "Voter Registration Opt-Out Form" and shall contain the following statement: "I, the undersigned, decline to register as a voter in the State of New York at this time, and defer my choice of registration in the State of New York to a future date of my choosing." Such form shall be created by the regents in collaboration with the state board of elections.

d. Pupils shall be given classroom time to have the opportunity to complete either the standard voter registration form or the voter registration opt-out form. After pupils have had time to complete both forms, school administrators shall collect both forms from all pupils to whom the forms were distributed. School administrators shall be required to dispose of all voter registration forms for pupils who elect to not register to vote.

§ 5. This act shall take effect on the same date as a concurrent resolution amending the constitution, entitled "CONCURRENT RESOLUTION OF THE SENATE AND ASSEMBLY proposing amendments to section 1 of article 2 of the constitution, in relation to the voting age"; provided, however, that the amendments made to paragraph (g) of subdivision 5 of section 5-210 of the election law made by section two of this act, shall take effect immediately.
