

STATE OF NEW YORK

10054

IN ASSEMBLY

January 30, 2026

Introduced by M. of A. STECK -- read once and referred to the Committee on Judiciary

AN ACT to amend the judiciary law, in relation to eliminating the withholding of state aid as an enforcement mechanism for court facility compliance, and establishing an appeal process for proposed court facility plans; and to repeal certain provisions of such law relating thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and intent. The legislature hereby
2 finds and declares that:

3 The unified court system is a core function of state government, and
4 the state has a constitutional obligation to ensure that courts are
5 safe, accessible, and capable of carrying out the administration of
6 justice.

7 Pursuant to sections 39 and 39-b of the judiciary law, cities are
8 responsible for providing suitable and sufficient court facilities, and
9 the chief administrator of the courts is authorized to establish and
10 enforce minimum standards for such facilities.

11 The legislature further finds that the withholding or seizure of unre-
12 stricted state aid has become the primary enforcement mechanism for
13 court facility compliance, notwithstanding the absence of a formal
14 appeal process or independent review of proposed court facility plans.

15 The legislature finds that this enforcement structure may compel muni-
16 cipalities to accept capital plans without meaningful opportunity to
17 challenge scope, sequencing, or feasibility, and may undermine local
18 fiscal stability and essential municipal services.

19 It is therefore the intent of the legislature to eliminate the with-
20 holding of state aid as an enforcement mechanism for court facility
21 compliance, while preserving court facility standards and establishing a
22 fair, transparent, and independent process for reviewing and resolving
23 disputes regarding proposed court facility plans.

24 § 2. Subdivision 4 of section 39-b of the judiciary law is REPEALED,
25 and three new subdivisions 4, 5 and 6 are added to read as follows:

26 4. Notwithstanding any other provision of law, the chief administrator
27 of the courts shall not withhold, reduce, suspend, seize, or otherwise
28 intercept any state aid, assistance, or payment otherwise payable to a

[-] is old law to be omitted.

LBD14469-02-6

1 city for the purpose of enforcing compliance with the requirements of
2 this section or section thirty-nine of this article.

3 5. (a) Any written determination, directive, requirement, or proposed
4 court facility compliance plan issued by the chief administrator of the
5 courts that identifies deficiencies, mandates corrective action, or
6 requires a city to undertake capital improvements or other remedial
7 measures shall be subject to appeal pursuant to this subdivision.

8 (b) A city may file an appeal within sixty days of receipt of such
9 determination, directive, or proposed plan. The filing of an appeal
10 shall stay any enforcement action pending final resolution.

11 (c) Appeals shall be heard by an independent court facilities review
12 panel, which shall be established for the purpose of reviewing the
13 scope, reasonableness, feasibility, and proportionality of proposed
14 court facility plans. The court facilities review panel shall consist
15 of:

16 (i) the director of the division of the budget, or their designee;
17 (ii) the state comptroller, or their designee;
18 (iii) the chief administrator of the courts, or their designee; and
19 (iv) two members, respectively appointed by the temporary president of
20 the senate and the speaker of the assembly, with demonstrated expertise
21 in municipal finance, public construction, or infrastructure planning.

22 (d) The court facilities review panel shall consider, at a minimum:
23 (i) whether the proposed plan is necessary to achieve compliance with
24 applicable court facility standards;
25 (ii) whether alternative scopes, phasing, locations, or timelines
26 would reasonably achieve compliance;

27 (iii) whether the proposed plan would require borrowing that violates
28 or approaches limitations imposed by the local finance law, the state
29 constitution, or any other applicable law;

30 (iv) whether the proposed plan appropriately balances court opera-
31 tional needs with municipal fiscal and operational constraints; and

32 (v) whether the proposed plan reflects a reasonable exercise of admin-
33 istrative discretion.

34 (e) Within ninety days of receipt of an appeal, the court facilities
35 review panel may affirm the proposed plan, modify the plan, or remand
36 the plan to the office of court administration for revision consistent
37 with such panel's findings.

38 6. (a) Upon the issuance of a final determination by the court facili-
39 ties review panel pursuant to subdivision five of this section, the city
40 and the office of court administration shall enter into a written court
41 facility compliance plan consistent with such determination.

42 (b) The chief administrator of the courts may enforce compliance with
43 an approved plan through reasonable administrative measures, provided
44 that such enforcement shall not include the withholding, reduction,
45 suspension, or seizure of state aid.

46 (c) Nothing in this subdivision shall be construed to relieve any city
47 of its obligation to provide suitable and sufficient court facilities.

48 § 3. If any clause, sentence, paragraph, subdivision, section, or part
49 of this act shall be adjudged by any court of competent jurisdiction to
50 be invalid, such judgment shall not affect, impair, or invalidate the
51 remainder thereof, but shall be confined in its operation to the clause,
52 sentence, paragraph, subdivision, section, or part thereof directly
53 involved in the controversy in which such judgment shall have been
54 rendered.

55 § 4. This act shall take effect immediately.
