The commissioner shall also develop a grant award certificate that shall be issued to eligible nonprofit news media organizations. Such certificate shall specify the exact amount of the grant awarded.

3. The commissioner shall solely determine the eligibility of any applicant applying for entry into the program and shall remove any business entity or nonprofit organization from the program for failing to meet any of the requirements set forth in section four hundred ninety-three or four hundred ninety-eight of this article, or for failing to meet the requirements set forth in subdivision one of section four hundred ninety-four of this article or subdivision one of section five hundred of this article.

§ 3. The economic development law is amended by adding four new sections 497, 498, 499 and 500 to read as follows:

§ 497. Nonprofit news media jobs grant program. 1. There is hereby established in the state treasury a special fund to be known as the "nonprofit news media jobs formula grant fund".

2. Subject to appropriation by the legislature, monies in the fund shall be used solely for the purpose of awarding grants to eligible nonprofit news media organizations as provided in this article, in a manner equivalent to the application of tax credits to commercial media organizations, except that the grants shall be applied for the employment of qualifying journalists at the eligible nonprofit news media organization.

3. Any unexpended balance remaining in the fund at the end of any fiscal year shall not revert to the general fund but shall remain available for expenditure in subsequent fiscal years.

§ 498. Grant eligibility criteria. To be eligible for a grant under this article, a nonprofit organization shall:

1. Be an eligible nonprofit news media organization as defined in section four hundred ninety-two of this article;

2. Operate predominantly in an eligible industry and be located within the state of New York;

3. Demonstrate with data on subscribers or digital traffic to have an audience that is at least thirty-three percent located within the state of New York over the previous calendar year; and

4. Demonstrate that the organization has been operating for at least one year prior to the year for which it is applying for a grant.

§ 499. Nonprofit news media jobs grant. 1. A nonprofit organization that meets the eligibility requirements of section four hundred ninety-eight of this article, and meets any additional eligibility criteria as articulated in regulations established pursuant to this section, and demonstrates a net qualifying journalist employee increase, may be eligible to receive a grant equal to five thousand dollars per each full-time net employee increase as defined in section four hundred ninety-two of this article. A nonprofit organization may not receive in excess of twenty thousand dollars in grants under this program.

2. A nonprofit organization that meets the eligibility requirements of section four hundred ninety-eight of this article, and meets any additional eligibility criteria as articulated in regulations established

1 pursuant to this section, may be eligible to claim a grant equal to
2 fifty percent of annual wages of an eligible employee. The calculation
3 of such a grant shall only be applied to up to fifty thousand dollars in
4 wages paid annually per eligible employee. A nonprofit organization may
5 not receive in excess of three hundred thousand dollars in grants under
6 this program.

7 3. The total amount of grants awarded by the commissioner pursuant to
8 this article may not exceed fifteen million dollars for each year the
9 grants are available, plus any amount carried over from previous years.
10 Within the total available balance of the nonprofit news media jobs
11 formula grant fund in any fiscal year, fifty percent of grants shall be
12 set-aside for eligible nonprofit organizations with one hundred or fewer
13 employees. The remaining fifty percent of grants may be awarded to
14 eligible nonprofit organizations of any size.

15 § 500. Grant application and approval process. 1. A nonprofit entity
16 shall submit a complete application as prescribed by the commissioner.

17 2. The commissioner shall establish procedures and a timeframe for
18 nonprofit organizations to submit applications. As part of the applica-

20 (a) provide evidence in a form and manner prescribed by the commis-
21 sioner of their eligibility as a nonprofit news media organization;

22 (b) provide documentation of tax-exempt status under section 501(c)(3)
23 of the Internal Revenue Code;

27 inspection under the state freedom of information law;

28 (d) allow the department and its agents access to any and all books
29 and records the department may require to monitor compliance; and

30 (e) agree to provide any additional information required by the
31 department relevant to this article.

32 3. After reviewing a nonprofit organization's completed final applica-
33 tion and determining that the nonprofit organization meets the eligibil-
34 ity criteria as set forth in this article and that the grant award would
35 not cause the annual cap set forth in section four hundred ninety-nine
36 to be exceeded, the department may issue to that nonprofit organization
37 a grant award.

38 4. Grant performance audits shall be limited to verifying employment,
39 audience and financial records. No state agency or official shall condi-
40 tion, modify, or revoke grants based on editorial content, positions, or
41 coverage decisions of recipient organizations.

42 5. No nonprofit organization or business entity may receive both a
43 grant and tax credits under this article within the same annual award
44 period.

46 it shall have become a law. Effective immediately, the addition, amend-
47 ment and/or repeal of any rule or regulation necessary for the implemen-
48 tation of this act on its effective date are authorized to be made and
49 completed on or before such effective date.
