AN ACT in relation to permitting the village of Mayville board of trustees to transfer the funds of the Mayville ambulance reserve fund and the Mayville fire and rescue equipment reserve fund to the newly formed North Lake Fire District reserve accounts

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Legislative findings. Whereas the village of Mayville board of trustees established a fire and rescue equipment reserve fund and ambulance reserve fund to replace and repair equipment for the Mayville fire department. The fire and rescue equipment reserve fund was established on February 13, 2018, and was funded entirely by tax revenue from the village of Mayville for the purpose of purchasing firefighting and rescue apparatus and the ambulance reserve fund was established on February 6, 2024, and was funded entirely by billing for emergency medical services (EMS) calls performed by the village of Mayville fire department. Upon the dissolution of the Mayville fire department and merger with the Hartfield fire district and Dewittville fire district to create the North Lake fire district effective September 3, 2024, it was the intention of the Mayville fire department to transfer such funds to another capital reserve fund operated by the newly created North Lake fire district which services the taxpayers of the village of Mayville as well as other taxpayers outside of the village.

§ 2. Transfer authorized. Notwithstanding paragraph c of subdivision 9 of section 6-c of the general municipal law, the village of Mayville upon resolution and permissive referendum may transfer such funds of the village of Mayville fire department's fire and rescue equipment reserve fund and ambulance reserve fund to the North Lake fire district reserve fund provided the funds transferred are used only for North Lake fire district reserve fund purposes and provided the purposes for creating the fire and rescue equipment reserve fund and ambulance reserve fund have been performed and any outstanding claims arising from the acquisition of such equipment has been paid from the funds.
