March 19, 2026

Introduced by M. of A. HEVESI -- read once and referred to the Committee on Governmental Operations

AN ACT to amend the executive law and the administrative code of the city of New York, in relation to establishing standards for the design and construction of all-gender bathrooms

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 378 of the executive law is amended by adding a new  
2 subdivision 21 to read as follows:

3 21. a. Standards for all-gender bathrooms to provide privacy and secu-  
4 urity, incorporating best practices in restroom design, including but not  
5 limited to:

6 (i) lockable individual toilet stalls with a minimum door height of  
7 eighty-four inches and a maximum undercut of four inches;

8 (ii) no visual gaps at the sides of doors and pilasters;

9 (iii) shared sink areas positioned outside of individual toilet  
10 stalls;

11 (iv) allowance for separate sinks within individual stalls; and

12 (v) installation of privacy partitions compliant with the interna-  
13 tional association of plumbing and mechanical officials' standards  
14 published under the IAPMO/ANSI/CAN Z124.10-2022, or the most recently  
15 published version of such publication.

16 b. All-gender bathrooms may include urinals provided they are enclosed  
17 within individual lockable stalls meeting the privacy standards in para-  
18 graph a of this subdivision.

19 c. (i) The department shall promulgate or amend regulations to allow  
20 and facilitate the designation, installation, and use of all-gender  
21 bathrooms in any use group as defined in the state building code,  
22 including but not limited to commercial, institutional, educational, and  
23 public facilities.

24 (ii) All-gender bathrooms shall be permitted in both new construction  
25 and existing structures undergoing repair, renovation, or alteration  
26 work.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

1 (iii) Standards developed pursuant to this subdivision shall include  
2 requirements for signage and wayfinding standards to ensure clear iden-  
3 tification of all-gender bathrooms while maintaining inclusivity and  
4 accessibility.

5 d. For the purposes of this subdivision, "all-gender bathrooms" shall  
6 mean multi-fixture toilet rooms with separate, lockable partitions and a  
7 shared sink area that can be used by individuals of all gender identi-  
8 ties.

9 § 2. PC 403 of chapter 4 of the plumbing code of the administrative  
10 code of the city of New York is amended by adding a new section 403.6 to  
11 read as follows:

12 § 403.6 All-gender bathrooms. 1. (a) All-gender bathrooms shall be  
13 designed to provide privacy and security, incorporating best practices  
14 in restroom design, including but not limited to:

15 (i) lockable individual toilet stalls with a minimum door height of 84  
16 inches and a maximum undercut of 4 inches;

17 (ii) no visual gaps at the sides of doors and pilasters;

18 (iii) shared sink areas positioned outside of individual toilet  
19 stalls;

20 (iv) allowance for separate sinks within individual stalls; and

21 (v) installation of privacy partitions compliant with the interna-  
22 tional association of plumbing and mechanical officials' standards  
23 published under the IAPMO/ANSI/CAN Z124.10-2022, or the most recently  
24 published version of such publication.

25 (b) All-gender bathrooms may include urinals provided they are  
26 enclosed within individual lockable stalls meeting the privacy standards  
27 in paragraph (a) of this subdivision.

28 2. All-gender bathrooms shall be permitted in both new construction  
29 and existing structures undergoing repair, renovation, or alteration  
30 work.

31 3. Standards developed pursuant to this section shall include require-  
32 ments for signage and wayfinding standards to ensure clear identifica-  
33 tion of all-gender bathrooms while maintaining inclusivity and accessi-  
34 bility.

35 4. For the purposes of this section, "all-gender bathrooms" shall mean  
36 multi-fixture toilet rooms with separate, lockable partitions and a  
37 shared sink area that can be used by individuals of all gender identi-  
38 ties.

39 § 3. This act shall take effect on the ninetieth day after it shall  
40 have become a law. Effective immediately, the addition, amendment and/or  
41 repeal of any rule or regulation necessary for the implementation of  
42 this act on its effective date are authorized to be made and completed  
43 on or before such effective date.
