

STATE OF NEW YORK

10727--B

IN ASSEMBLY

March 27, 2026

Introduced by M. of A. TAYLOR -- read once and referred to the Committee on Housing -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee -- again reported from said committee with amendments, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the real property law, in relation to enacting the "housing transparency act"

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. Short title. This act shall be known and may be cited as
2 the "housing transparency act".
- 3 § 2. Legislative findings. The legislature finds and declares that:
- 4 1. New York state is experiencing significant housing challenges,
5 including limited housing supply, inconsistent reporting of rental unit
6 occupancy status, and a lack of access to information regarding building
7 code compliance and habitability standards;
- 8 2. While existing state and local laws require compliance with build-
9 ing, fire, and housing codes, there is no consistent statewide mechanism
10 for reporting the occupancy or vacancy status of rental units, nor a
11 centralized system to provide public transparency regarding compliance
12 certification prior to and following tenant occupancy;
- 13 3. The absence of consistent reporting and transparency impedes accu-
14 rate housing supply data, complicates enforcement of habitability stand-
15 ards, and limits tenants' ability to make informed decisions;
- 16 4. The improvement of transparency in rental housing reporting, while
17 respecting local enforcement authority and protecting personal privacy,
18 serves a legitimate public purpose by enhancing housing stability,
19 promoting safe, habitable living conditions, and supporting data-in-
20 formed public policy decision making;
- 21 5. Nothing in this act shall be construed to supersede or preempt
22 local building, fire, or housing codes, but rather to supplement exist-
23 ing enforcement mechanisms through standardized reporting and adminis-
24 trative coordination;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD15039-07-6

6. The legislature recognizes the importance of small property owners in maintaining affordable housing and intends to implement this act to minimize undue administrative burden; and

7. Reliable and accessible housing data is necessary to ensure the integrity of rental markets, prevent prolonged vacancy of habitable units, and promote public confidence in housing administration.

§ 3. The real property law is amended by adding a new article 7-B to read as follows:

7 sharing, interoperability, or coordinated reporting with existing munic-
8 ipal or local housing compliance systems, including but not limited to
9 systems operated by the New York city department of housing preservation
10 and development, provided that any such coordination complies with
11 applicable privacy and data protection laws.

12 6. The division may permit owners who are subject to substantially
13 similar local registration or reporting requirements to satisfy applica-
14 ble provisions of this article through coordinated or integrated report-

35 before the lease signing.

36 4. The division may require reporting regarding turnover status,
37 prolonged vacancy, occupancy changes or outstanding hazardous violations
38 as part of annual registration requirements or upon the occurrence of
39 circumstances prescribed by regulation.

40 5. The division may request additional turnover or occupancy reporting

2 notice of registry access, occupancy reporting rights, and applicable
3 privacy protections established pursuant to this article.

4 § 239-p. Voluntary tenant occupancy reporting. 1. The division shall
5 establish a secure mechanism by which tenants of covered buildings may
6 voluntarily submit information confirming:

9 (c) concerns regarding noncompliance with occupancy reporting require-
10 ments.

12 information pursuant to this section. Any such action shall constitute
13 retaliation under section two hundred twenty-three-b of this chapter.

14 3. Information submitted by tenants shall not be publicly disclosed
15 and shall be used solely for administrative verification and enforcement
16 purposes.

17 4. Submission of information by a tenant shall not constitute an
18 alteration of the terms of any lease, tenancy, or lawful occupancy
19 status.

20 5. All information submitted pursuant to this section shall be made in
21 good faith and to the best of the tenants' knowledge and belief.

10 to cure such deficiency.
